List employment, membership in service or community organizations or volunteer work which might be relevant to this appointment

Managing the Tulare Mosquito Abatement District I have continuous interaction with agencies of the State of California, Federal agencies and property owners in the private sector. This interaction allows me to be involved in many areas of public concern.

Have you been, or are you now a member of a governmental board, commission or committee? If so, please provide name and dates service.

I am presently serving on the Lemoore Planning Commission.

REMARKS: Please indicate any further information that will be of value regarding your appointment.

My participation on the Commission has been a very rewarding experience. I would like to continue serving for another term. I also feel my rapport with my fellow commissioners is an important part of my desire to continue serving on the commission.

List employment, membership in service or community organizations or volunteer work which might be relevant to this appointment

I am a member of Rotary, I'm involved in many community events. In the past I have chaired many youth organizations.

Have you been, or are you now a member of a governmental board, commission or committee? If so, please provide name and dates service.

n/o

REMARKS: Please indicate any further information that will be of value regarding your appointment.

I will bring to this position the knowledge of several unique constituencies. As a long-time employee of a municipality I understand balance of want/needs and goverment limitations. As a contractor I am sensitive to what goverment regulations do the bottom line. As a citizen I understand the concern to keep some control over big-city growth and also the frustration
