**From:** **Eric Ferreira, Recreation Coordinator**

**Subject:** **ASES Grant Update**

---

**The two After School Education and Safety (ASES) grant applications were submitted today to the California Department of Education (CDE). The Parks and Recreation Department will be partnering with the Lemoore Police Department and both the Lemoore Elementary School District and High School District in this after school program for students grade 7-9 at the Cinnamon Municipal Complex. The program is anticipated to offer tutoring, supervision, physical exercise, and in many ways, replaces our Teen Center, which has essentially been closed for the past two years. Continued funding is available through the grant to keep the program operating in future years, should the objectives of the program be met. If approved, the CDE grant would provide a total of $258,000. A firm timeline has not been announced.**
