Staff Report

Item # 4C

To: Lemoore City Council
From: David Wlaschin, Public Works Director
Date: March 28, 2011
Subject: Notice of Completion – Well No. 12 Storage Tank and Booster Pumps – Steve Dovali Construction

Background:

Steve Dovali Construction has completed the installation of a storage tank and booster pumps at Well No. 12 located at Bevilaqua Park. The project also included the construction of booster pumps at the West Hills storage tanks. This was the second part of the Water Arsenic Project awarded in 2009.

Budget Impact:

Total construction costs are \$893,958 and are being paid from Federal American Recovery and Reinvestment Act (ARRA) Funds.

Recommendation:

It is recommended that Council approve the Notice of Completion with Steve Dovali Construction for the Well No. 12 Storage Tank and Booster Pumps and authorize the City Manager to sign.
