Staff Report

ITEM 4D

To: Lemoore City Council
From: Judy Holwell, Redevelopment Project Manager
Date: August 4, 2011
Subject: Resolution in Support of Strike Fighter Realignment at Naval Air Station Lemoore

Discussion

The Navy is currently seeking input on a Draft Environmental Assessment (EA) for Strike Fighter Realignment at Naval Air Station (NAS) Lemoore. The realignment would transfer two east coast Super Hornet squadrons to NAS Lemoore and transition five FA-18 Hornet squadrons currently stationed at NAS Lemoore to Super Hornet squadrons, between now and 2015. A copy of the Project Fact Sheet dated July 2011 is attached for your convenience. The full EA is available for review on the Navy's website at www.cnrc.navy.mil/cnrsw.

Due to the important community and economic impact that may be gained or lost, depending on the outcome of the realignment, we feel that it is important for Council to express its full support by adopting the attached Resolution. Members of the public are encouraged to provide comments on the Navy's website, and may do so by logging onto the address listed above or by mailing comments to the address listed in the Project Fact Sheet. Mailed correspondence must be postmarked by August 29, 2011.

Budget Impact

None.

Recommendation

That Council adopt Resolution No.2011-32 in support of the Strike Fighter Realignment at NAS Lemoore.
