Staff Report

ITEM 3D

To: Lemoore City Council
From: Judy Holwell, Redevelopment Project Manager
Date: February 4, 2011
Subject: Letter of Support for the Enterprise Zone Program

Discussion

As you are well aware, the Governor's recent budget proposal proposes to eliminate Redevelopment Agencies throughout California, as well as, the Enterprise Zone Program. The Enterprise Zone Program is a vital tool for business attraction, development and expansion. We feel that the elimination of this program will be detrimental to California's business climate and ultimately have a negative effect on future State revenues. Therefore, the attached letter has been prepared for Council to submit to Governor Brown to voice their concerns for his proposal.

Budget Impact

None.

Recommendation

That Council voices their support for the Enterprise Zone Program by signing the attached letter and forwarding it to Governor Brown and our local representatives.
