

## *2011 Reunion Committee*

June 30, 2011

Lemoore City Council  
119 Fox St.  
Lemoore, CA 93245

Gentlemen:

On behalf of the Lemoore High 2011 All Class Reunion Committee, we would like to thank you for allowing us to hold our event on D Street. This event drew people from all across our nation. Over 3,000 people came together to renew old friendships, eat, drink, and dance the night away under the stars. The cooperation we received from city staff and the public works department made planning and executing this event so much easier.

We received so many comments from out of state attendees who marveled at the fact that the city would not only allow us to close down the main street but assist the committee in so many ways. Only in Lemoore could such a feat be possible.

Again, thank you for your support of Lemoore High.

Sincerely,
