Re: Proposed 2010 Redistricting

Dear Board of Supervisors:

On June 21, 2011 Greg Gatzka, Director of the Kings County Community Development Agency, presented to the Lemoore City Council several possible redistricting maps. The Council fully appreciates the difficulty associated with redistricting and limitations required by Section 5 of the Voting Rights Act which requires certain areas of the country to obtain preclearance from the US Attorney General for any changes with reference to voting. The Council was concerned with several of the alternatives.

The Council requests:

1. Lemoore should continue to be represented by two (2) members of the Board of Supervisors.
2. Key streets should be used as boundaries between districts as to not confuse voters. The boundaries should avoid splitting up neighborhoods.
3. Do not add a third Board of Supervisor seat within the Lemoore Union High School district.

The Lemoore City Council supports the 2010 Redistricting Alternative 5a map, which reflects minor changes to the representation for Lemoore residents; and respectfully requests the Board select this alternative.

Sincerely,

Willard J. Rodarmel  
Mayor
