Staff Report

To: Lemoore City Council
From: John Gibson, Fire Chief
Date: June 13, 2011
Subject: Resolution 2011-22; Public Nuisance and Weed Abatement

Discussion

City Staff has initiated the weed abatement process for this year and has come up with a list of properties that should be notified because of the conditions that exist on said properties. These conditions are bad enough to be defined as a fire hazard, and therefore need to be noticed and abated. It is policy to hold a public hearing on this matter to take into consideration evidence from possible landowners named on Exhibit A attached to Resolution 2011-22.

Budget Impact

None at this time.

Recommendation

It is recommended that the City Council adopt Resolution 2011-22 and set the Public Hearing on July 19, 2011.
