**To: Lemoore City Council** SS Item #2  
**From: Jeff Briltz, City Manager**  
**Date: June 1, 2011**  
**Subject: Discussion - Assistance to Lemoore Senior Center**

---

**Discussion:**

Council Member Gordon requested a discussion item regarding the Lemoore Senior Center's standing request for assistance from the City. You will recall that the Lemoore Seniors approached the Council on February 15<sup>th</sup> and stated that their financial resources were dwindling, and at the current pace of operations, the independent non-profit may only be able to remain a going concern for a couple of more years, unless new sources of revenue were located.

At the time, the Council requested a copy of the Lemoore Seniors Inc. Board Bylaws, most recent audit, and recent financial reports be provided; all of which were given to the Council within a week or so of the request.

At the Council Meeting held on March 1, the Council again discussed the request. At that time, it was determined that Kings County Commission on Aging (KCCOA) had already established an ad hoc committee to study the needs of the Lemoore Senior Center, and that the Council would wait until the KCCOA recommendations were made prior to taking up the matter further.

On March 18<sup>th</sup> KCCOA released the attached report, which was previously provided to the Council. On May 3<sup>rd</sup>, Council Member Gordon, who also sits on the KCCOA Council, and was on the ad hoc committee, issued a memo to the Council, which is also attached.

The Lemoore Senior Center has been notified that this item will be on your June 7<sup>th</sup> Study Session agenda.

**Budget Impact:**

None at this time.

**Recommendation:**

None, for discussion only.
