## *Change Asset Value from \$1,000 to \$2,500*

The Policy refers to tracking assets over \$1,000 and calculating depreciation on those assets. Many years ago, at the suggestion of our auditors, we switched the floor amount for tracking assets from \$1,000 to \$2,500. Changing this requirement from \$1,000 to \$2,500, or even \$5,000 is recommended.
