Subject: Recreation Counsel

Hi Joe,

Please accept this letter as my formal resignation from the Recreation Council commission. It has been my pleasure to serve on the commission and I will miss it tremendously. My decision is based on several factors, most personal. The most important being that I think the council deserves someone who can dedicate a little more time. I have served for several years now, and I truly believe a healthy turn over on the council is very good, it brings new ideas and opinions to the board.

I appreciate the opportunity to serve the City of Lemoore in this capacity and I hope you will still accept my help with Santa's Secret Shop, as I enjoy this event very much.

Sincerely,
Mitzy Hernandez

Joe Simonson

Lemoore Parks and Recreation
435 C Street
Lemoore, CA 93245

Dear Mr. Simonson,

I am interested in becoming part of the Lemoore City Parks and Recreation Commission.

I was born and raised in Lemoore and have grown up enjoying several activities that the city has to offer. Many of my fondest childhood memories revolve around playing youth sports and spending summer days with my siblings at the park. Now that I am older, I enjoy coaching youth soccer, playing basketball at the skate park, and playing in some of the adult sports leagues.

I think I would be a great addition to the commission. I feel that I can make a difference in the community. I would like to help the commission become more user friendly for Lemoore residents by keeping people informed on the internet, and getting more people to volunteer and take a more active part in their community.

Being a part of the Lemoore City Parks and Recreation Commission I will have a chance to create and develop relationships that can shape our community in a positive direction.

Thank you,

Dustin Fuller
