Lemoore Union Elementary School
100 Vine Street
Lemoore, Ca. 93245

Attention: Rick Rayburn, Superintendent
Subject: Meadow Lane School – Site Improvements

Dear Sir:

We propose to place new concrete walk to fill in the area between the existing City sidewalk and existing fencing mow strip. We will remove and replace approximately 2,200 Lineal Feet of new 9 gauge chain link fabric, install new posts and toprail as required, including gates.

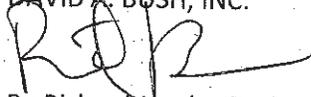

We will excavate existing soils as required to install new concrete; including hauling-off and disposal of all materials and soils.

Our total cost for the above work, furnished and installed, is ONE HUNDRED NINE THOUSAND FOUR HUNDRED THIRTY TWO DOLLARS (\$109,432.00). All work will be performed at prevailing wage rates.

Thank you for giving this your consideration.

Very truly yours,

DAVID A. BUSH, INC.
