To: Lemoore City Council Item # 6
From: Jeff Briltz, City Manager
Date: September 28, 2011
Subject: Resolution of Support for Many of the JLUS Recommendations

Discussion:

At the Council's September 6th and September 20th Study Sessions, the Council reviewed in detail the 21 specific recommendations for the City of Lemoore that were included in the now-adopted Joint Land Use Study (JLUS). As directed, staff has prepared a Resolution, that identifies which recommendations the Council support implementing, for your review and consideration Tuesday evening.

It is recommended that the Council refer to the Lemoore section of the JLUS (which can be found at http://www.lemoorejlus.com/Section_3.pdf) while reviewing the resolution, as well as the power point presentation (which can be found at http://www.lemoore.com/agendas/2011/sep6/data/9_6_11_ss_item_2_3.pdf) that was used to facilitate the discussion on September 6th.

Budget Impact:

Approval of the Resolution itself has no impact on the budget. Implementation of the recommendations is likely to have small impact on staff time.

Recommendation:

That the City Council, by motion, approve Resolution 2011-39, supporting many of the JLUS recommendations for the City of Lemoore.
