To: Lemoore City Council SS Item # 2
From: Jeff Briltz, City Manager
Date: September 16, 2011
Subject: Draft Resolution - Support for JLUS Recommendations

Discussion:

At the Council's September 6th Study Session, the Council reviewed in detail the 21 specific recommendations for the City of Lemoore that were included in the now-adopted Joint Land Use Study (JLUS). At the conclusion of the review, staff was directed to draft a resolution that could be used to express the City's support for many of the specific recommendations. A draft resolution has been prepared and is attached for your review and discussion Tuesday afternoon.

It is recommended that the Council refer to the Lemoore section of the JLUS (which can be found at http://www.lemoorejlus.com/Section_3.pdf) while reviewing the draft resolution, as well as the power point presentation (which can be found at http://www.lemoore.com/agendas/2011/sep6/data/9_6_11_ss_item_2_3.pdf) that was used to facilitate the discussion on September 6th.

Budget Impact:

Unknown, however there are a couple of notes included with the exhibit to the resolution that contain provisions limiting the City's financial commitment to implementing certain recommendations.

Recommendation:

None, for discussion only. Should the Council wish to proceed with consideration of adoption of a resolution supporting many of the JLUS recommendation for the City of Lemoore, the resolution can be placed on the October 4, 2011 agenda for your consideration.
