- c) Attended "City Finance 101 for Planners" from 2:00-3:15 pm. Outstanding speaker. Touch on differences between taxes, fees and revenues.
- d) Attended "A Simple Approach to CEQA" 3:45-5:00 pm. Both speakers were outstanding, very interesting subject. Session described how CEQA laws influences planning decisions. The speakers touched on EIR's.
- e) Briefly attended the "Planners Mini Expo and Reception" 5:00-5:25 pm.

Day Two: Wednesday March 21, 2012

- a) Attended "General Session with Public Works" 9:00-10:30 am. CEO of Crowdbright Inc. gave brief on a new technology their company developed to help with projects and plans. Their technology might be useful for a large city like San Francisco or L.A. but not Lemoore.
- b) Attended "Tips to Help you Read and Understand and Environmental Impact Report" 11:00-12:30 pm. Discussed EIR's and practical tips on what to look for. Once again outstanding speaker, great subject.

Overview: The League of California Cities conducted a very informative conference. The presentations/speakers presented themselves in a professional manner and communicated the information in a way that was easy to understand. I would not hesitate to attend this conference again so I would be able to attend the other sessions that they provide. I know the knowledge I left with will only make me a more effective Planning Commissioner.

Very Respectfully,
