Lemoore City Council
119 Fox St.
Lemoore, CA 93245

Lemoore City Council:

I would like to inform you that I am resigning from my position as Police Officer for the Lemoore Police Department, City of Lemoore. My last day will be Friday December 21, 2012.

The reason for the resignation is primarily financial, as the City of Lemoore has ignored this department and its employee's financial needs for far too long. I have decided to peruse graduate school and ultimately a career in the medical field. I believe my new chosen education and career path will provide a more appropriate level of financial compensation to better support my family. I and my family will, and can no longer accept the city's inability to provide a fiscally decent place to work.

I would like thank you, the Chief of Police and the rest of the Lemoore Police Department for all of the training, experience and professional & personal development I have gained over the past 7 years. I have fully enjoyed my career with all of my fellow Officers / Brothers and Sister, and will greatly value their friendships gained forever.

If I can be of any help during this transition, please let me know.

Sincerely,

Jayson A. Cody
