To: Lemoore City Council **Item 3F**
From: Joe Simonson, Director Parks and Recreation
Date: July 11, 2012
**Subject: Authorization to Bid - 2012 Miscellaneous Overlay and
Chip Seal Projects**

Discussion:

The Capital Improvement Budget 2012 Streets projects have been reviewed. Attached is a memo from Quad Knopf and project maps requesting authorization for the changes to the original CIP projects presented to City Council and authorization to bid the projects as recommended. See attachments.

Budget Impact:

No change to the Capital Improvement Program budget for Miscellaneous Overlay Projects 4723A cost of \$943,000 from 2105 Gas Tax Fund. There is a potential change to the CIP Chip Seal Project 4729A budget of \$728,000 from the Local Transportation Fund. Quad Knopf City Engineer has estimated cost for the project to be \$785,000 leaving a \$57,000 deficient. A budget adjustment may be required at the time staff requests awarding the bid, if the bids are higher than the originally projected \$728,000.

Recommendation:

That the City Council, by motion, authorize the changes to the 2012 Capital Improvement Budget Streets Projects as shown in the attached documents and authorize staff to go out to bid for the Miscellaneous Overlay and Chip Seal Projects.
