Dear Mayor and Council  
members,  
2012

July 17,

Hello this is Linda Bumpus. I am unfortunately not going to be able to attend tonight's meeting due to personal issues that can not be left unattended. I hope you read up on my professional views and those from Troy Hummerding, ( our Kings County Health Inspector ), and understand the necessity of having all and any tattooing go through the C.U. P. process, and the absolute necessity of tattooing, cosmetic tattooing, and piercing adhere to A.B.300. I am hoping I have the council's support and the C.U.P. passes.

Thank-You for your time,  
Linda R. Bumpus
