**Subject:** Meyer Ranch House Update

### Discussion:

The multi-agency Transitional Housing Committee officially ended the Transitional Housing Program December 31, 2009. However, the City of Lemoore and the Lemoore Redevelopment Agency entered into a Memorandum of Understanding with the Housing Authority of Kings County for them to continue the property management of the Meyer Ranch House. The purpose was for the house to remain available to low-moderate income young adults between the ages of 18-21 who are currently attending or who are planning to become students at a local community college or in a vocational training program. Participants are required to work at least part-time to pay monthly rent and utility charges.

This is a three-bedroom home, which can house up to six occupants at one time. Currently the home has three residents, one of which is a former foster youth and two that are not.

### Budget Impact:
