RELATED TO ECI FOR THE PERIOD ENDING DECEMBER 31, 2011**

At a Regular Meeting of the City Council of the City of Lemoore duly called and held on March 20, 2012 at 7:30 p.m. on said day, it was moved by Council Member _____ and seconded by Council Member _____ and carried that the following Resolution be adopted:

WHEREAS Government Code Sections 66012 – 66018.5 grants to the City Council of the City of Lemoore the authority to establish and charge user fees in connection with certain public services that are provided to businesses and individuals; and

WHEREAS the City Council has the authority to increase certain fees annually, based on the nationally published Employee Cost Index for State and Local Governments, by the California Construction Cost Index, or by reevaluation and assignment of actual municipal costs to cover the estimated cost of providing the services for which such fees are levied; and

WHEREAS the City of Lemoore has met the requirements pursuant to Government Code Section 66016 by holding a public hearing concerning the adoption of said fees and has made available to the public, at least 10 days before the hearing, data on the amount of costs or estimated costs required to provide the services for which the fees are levied and the revenue sources anticipated to provide the services.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Lemoore that:

1. The Council finds that the specific amount of the updated user fees, the description of the benefit and impact area on which the user fee is imposed, the description of the reasonable relationship between the fees and the various types of services, and the time for payment set forth below in this resolution are proper and necessary and the information and data upon which the fees are based is correct and accurate; and,
