### **Discussion:**

This year two resolutions have been introduced for consideration by the Annual Conference and referred to the League Policy Committee. Resolution 1 and 2 are listed below.

Resolution 1: Calling Upon the Governor and the Legislature to Work With the League of California Cities in Providing Adequate Funding and to Prioritize Water Bonds to Assist Local Government in Water Conservation, Ground Water Recharge and Reuse of Stormwater and Urban Runoff Programs.

Resolution 2: Calling Upon the Governor and Legislature to Enter into Discussions with the League and California Police Chiefs' Association Representatives to Identify and Enact Strategies that will Ensure the Success of Public Safety Realignment from a Local Municipal Law Enforcement Perspective.

Resolutions submitted to the General Assembly must be concurred by five cities or by city officials from at least five or more cities. The League is encouraging each city council to consider the resolutions and determine a city position on each resolution.
