Staff Report

SS ITEM 2

To: Lemoore City Council
From: JP Prichard, Administrative Analyst 
Date: August 5, 2013
Subject: ADA Transition Plan

Discussion:

The ad hoc Accessibility Advisory Committee has developed a draft Americans with Disabilities Act Transition Plan based on the barriers identified in the 2009 Access Compliance Survey Report created by Sally Swanson Architects, Inc. Committee members include Council Members John Gordon and Willard Rodarmel, and Lemoore citizens Collette Falter and Jim Christian. The committee met several times to develop prioritization criteria for the Plan. As the public has been given the opportunity to participate and provide input during the Study Session on July 2, 2013, the transition plan is being brought to the Council for approval.

Budget Impact:

None at this time. Once the ADA Transition Plan is adopted, yearly expenses related to barrier mitigation will need to occur at amounts set by Council.

Recommendation:

It is recommended at Council take public comment on the final draft report. Barring significant changes that may result from public comment, staff recommends that the City Council adopt the report as final.
