Staff Report

Item # 3H

To: Lemoore City Council
From: David Wlaschin, Director of Public Works
Date: January 9, 2013
Subject: Bid Award – Electrical Upgrades – 40 “G” Street

Background

The Public Works Department has received bids for electrical upgrades at the water storage and booster facility located at 40 “G” Street. The project involves replacing the main electric meter box installed in 1972 and the installation of a double throw generator connector to allow the facility to operate during power outages.

Bids were opened on January 8, 2013 with the following results:

Lane Electric	\$64,659
Power Design	\$73,122
Strategic Mechanical	\$83,890
Tim Reed	\$93,796

The work would begin February 1, 2013 and should be completed by April 10, 2013.

Budget Impact

This project has been budgeted for in the Water Capital Improvement Program in the amount of \$175,000 to be paid from Water Fund Asset Replacement.

Recommendation

It is recommended that Council award the contract for the Electrical Upgrades at 40 “G” Street to Lane Electric in the amount of \$64,659 and authorize the City Manager to sign.
