## Staff Report

Item # 3E

**To:** Lemoore City Council  
**From:** Lauren Apone, Administrative Analyst *LA*  
**Date:** July 11, 2013  
**Subject:** Bid Award – CNG Outdoor Maintenance Area

---

### **Discussion:**

The Public Works Department has received bids for the Compressed Natural Gas (CNG) Outdoor Maintenance Area. The project consists of a concrete slab, an open wall metal structure, chain link fencing with rolling gates, a 60,000 lb. lift, a 10,000 lb. lift, steam cleaner, hose reel, fire extinguishers and electrical for all components. The CNG Maintenance Area will be located outside near the existing fleet shop at the Cinnamon Municipal Complex. The alternate for this bid is to furnish a steam cleaner.

Bids were opened on July 9, 2013 with the following results:

<b><u>Contractor</u></b>	<b><u>Base Bid</u></b>	<b><u>Base + Alternate</u></b>
Marko Construction Group, Inc.	\$279,190.00	\$293,190.00
Steve Dovali Construction Co.	\$311,168.90	\$323,229.90
Seals/Biehle	\$324,269.80	\$339,269.80
Dawson-Mauldin Construction, Inc.	\$375,441.00	\$391,441.00
Western Pump, Inc.	\$427,699.48	\$441,384.48

The bid was awarded on the lowest base bid. The alternate is added as both the base bid and alternate are within budget. If Council decides not to award this project, we will not meet the annual invoicing requirements of the CMAQ grant and Caltrans will de-obligate the CMAQ funding for this project.

### **Budget:**

The total Federal CMAQ grant funding for this project is \$302,750. A local match of \$6,834 is required and will be paid for out of the Leprino NOx account.

### **Recommendation:**

That the City Council, by motion, award the bid to Marko Construction Group, Inc. in the amount of \$293,190.00, which includes the base plus alternate, and authorize the City Manager to sign the contract.
