Staff Report

Item # 7

To: Lemoore City Council
From: David Wlaschin, Director of Public Works 
Date: July 10, 2013
Subject: Public Hearing – Resolution No. 2013-23 –
Urban Water Management Plan 2010

Background:

Staff has completed an amended Urban Water Management Plan for Council review. The amended plan is an update to the plan adopted in 2004. Assembly Bill 797 required that all water agencies adopt a Water Management Plan.

To be considered eligible for financial assistance from the California Department of Public Health for our Total Trihalomethanes (TTHM) project our Urban Water Management Plan must be updated and adopted.

The procedure is that Council hold a public hearing, adopt the attached resolution and authorize Staff to forward amended Urban Water Management Plan with any public comments and resolution to the Department of Water Resources (DWR) for review. The City may have to take additional action after the DWR reviews and implement any required changes.

Budget Impact:

\$19,000 from Water Capital Funds

Recommendation:

It is recommended that Council:

1. Hold public hearing on amended Urban Water Management Plan.
2. Authorize that amended Urban Water Management Plan be forwarded to the Department of Water Resources.
3. Authorize the transfer of \$19,000 from Water Capital Fund to cover cost of update of plan.
4. Pass Resolution No. 2013-23 adopting the amended Urban Water Management Plan 2010.
