Subject: Appointment - Planning Commissioner

Item # 4

Discussion:

Commissioner Dave Brown resigned from the Planning Commission on May 7, 2013. His term was due to expire December 31, 2016. A vacancy notice to fulfill the remainder of his term was posted at City Hall, on the City Website, and placed in the kiosks around the City with a May 24, 2013 requested application submittal date. There were no applications received therefore the vacancy notice was updated and re-posted with a June 12, 2013 requested submittal date. An application was received late in the day June 12, 2013; however, staff had postponed the appointment until July 2, 2013.

Because the appointment to fulfill the vacancy was not presented to Council June 18, 2013, the vacancy notice was updated again and re-posted at City Hall, on the City Website, and was placed in the kiosks around the City. The City has since received two more applications; however, staff is requesting that only the application submitted June 12, 2013 be considered at this time. Should an appointment not be made during the July 2, 2013 meeting, the vacancy notice would be re-posted and the applications already received as well as those that may still be received would be presented to Council for consideration during the July 16, 2013 meeting. Attached is the Public Service Application for:

Connie Wlaschin
