Subject: Draft ADA Transition Plan

SS Item # 3

Discussion:

The ad hoc Accessibility Advisory Committee has developed a draft Americans with Disabilities Act Transition Plan based on the barriers identified in the 2009 Access Compliance Survey Report created by Sally Swanson Architects, Inc. The Committee met several times to develop prioritization criteria for the Plan. Once the public has been given the opportunity to participate and provide input during the Study Session on July 2, 2013, the Transition Plan will be brought to the Council for approval.

Budget Impact:

None at this time. Once the ADA Transition Plan is adopted, yearly expenses related to barrier mitigation in need to occur at an amount set by Council.

Recommendation:

It is recommended that Council accept public comment on the draft report. Council should consider yearly funding for mitigations to be decided at the next Council meeting.
