**From: Kristie R. Baley**   
**Date: March 8, 2013**  
**Subject: Proposed Amendments to League of California Cities Bylaws**

---

**Discussion:**

The League of California Cities Board of Directors has proposed two amendments to the League's Bylaws. The purpose of the first proposed amendment is to encourage members to seek concurrence of other cities and city officials that the subject of a proposed resolution is a substantial one and of broad interest and importance to cities. The purpose of the second proposed amendment is to ensure that when the Board considers a position on possibly controversial statewide ballot measures, the Board's ultimate decision represents a broad consensus of the Directors.

The language of the proposed amendments is provided in the attached Resolution. To be approved, the Bylaws require each amendment receive 2/3<sup>rd</sup> vote of those members voting. The link to the League's Bylaws has been provided below.
