**Subject:** Authorization to Bid - 2013 Slurry Seal Project

---

**Discussion:**

The proposal documents for the 2013 Slurry Seal project have been completed. Additional project areas have been added and will be bid as an alternative bid. The alternative bid will address the entrance/throat of some cul-de-sacs.

Staff and City Engineer request authorization to advertise for bids and propose the following:

- The bid opening date is slated for June 11, 2013 at 2:00 pm
- The slurry seal project area is labeled in purple on the attached map A and a proposed alternative project area is labeled in blue on map B.
- Consideration for awarding bid is scheduled for June 18, 2013 City Council Meeting.
- The project work is slated to begin approximately July 1<sup>st</sup> and end mid-August 2013.

**Budget Impact:**

The 2013 Slurry Seal project is expected to expend \$568,320 from 033 Gas Tax Fund.

**Recommendation:**

That the City Council, by motion, authorize staff to go out to bid for the Slurry Seal Project.
