Jeff Laws, City Manager
William Siegel, Mayor
City Council
City of Lemoore
119 Fox Street
Lemoore, CA 93245

Subject: **Authorization for bid, 2013 slurry seal street maintenance program**

Gentlemen:

The bid documents for this project have been completed.

The program was initially estimated, based on a sub-bid on last year's overlay program, to cost approximately $568,000. Based on bids being received in other Valley communities this year it is estimated that the project cost will be significantly less.

At City staff direction, a minor-cost additive alternate bid item is included in the bid documents to provide a smooth surface on the "throats" of short cul-de-sacs which were chip-sealed last year. The cul-de-sac bulbs have already been slurry sealed .

The bid documents prescribe Sunday work in the central downtown area, and particular care in scheduling work on the balance of D Street east and west of the central area, to minimize project effects on abutting businesses.

Bid opening is scheduled for June 11; bid award for June 18. Contract work is scheduled for July 1 to August 9.

Sincerely,

Harry A. Tow, P.E.
City Engineer

David Jacobs, P.E.
Assistant City Engineer
