

To: Lemoore City Council
Nov 19, 2013

My name is Dave Brown and I live at 89 Devon Drive, Lemoore. On Friday Nov 15, 2013 I read an article in the Hanford Sentinel reporting of an email that Mr. Siegel wrote while in the capacity of Mayor of the city Lemoore to one of our citizens of Lemoore, a Mr. Ed Martin.

As a fellow citizen of Lemoore I am in shock, outraged, sickened and appalled at the immoral and unethical slanderous assault contained in the email that Mr. Siegel inflicted upon Mr. Ed Martin while Mr. Siegel was acting as Mayor of Lemoore.

I ask that the remaining city council members permanently remove Mr. Siegel as the Mayor of Lemoore. I believe he has severely abused the powers of his position. Mr. Siegel's choice to write and send this email while serving in the capacity of the Mayor of Lemoore and acting as a representative of the people has inflicted great pain on me and as a citizen of Lemoore as I believe this is a disgrace to our city as his recent conduct as Mayor is despicable.

Mr. Siegel, as Mayor took a vow to uphold the law and be the voice of the people of Lemoore, not to do harm in this capacity, which has now resulted in a possible lawsuit against the good city of Lemoore at the cost of the taxpayers.

I also am asking that the remaining city council members compose and publicly make known a formal letter for the record, a letter of censure, to show you do not condone the actions of Mayor Siegel. As an aggrieved citizen of Lemoore I again implore to you, as our acting city council of Lemoore to permanently remove Mr. Siegel as our Mayor and I ask for Mr. Siegel to do the right thing and resign as City Council Member and issue a public apology to the Citizens of Lemoore and Mr. Martin so our city and Mr. Ed Martin can begin the healing process.

Respectfully,
Dave Brown
