To whom it may concern:

I am unable to attend the City Council meeting on Tuesday, November 19; however, I would like my opinion to be heard.

I support the east extension of Cedar Street to Lemoore Avenue and my understanding is that there are 3 options to be reviewed. I am aware that each of these will directly impact my property; therefore, I would like to request the city's assistance in finding a new location and with the development of this location.

It is my desire that all good things will come from this project and I look forward to working with the city to provide safe and effective travel paths.

Thank you,

Jim Grantham
