RE: Request to extend the Tuesday Night Market to October 15

Dear Mayor Siegel and Council Members:

As you know, the Lemoore Downtown Merchants Association has held a farmers' market in Downtown Lemoore every Tuesday evening since July 9 of this year. On July 2nd, Council approved a street closure request to run through October 8. The Merchants would like to extend the Tuesday Night Market to October 15. The time and details will remain the same as in the prior approval (see attached), except that only one block is requested to be closed – D Street from Fox Street to Heinlen Street.

The event offers an evening of open restaurants, live music, a beer garden, Downtown merchant vendors, as well as, non-Downtown merchant vendors, entertainment, and activities for the entire family! We thank you for allowing us to provide this great event for our community and we appreciate the City's assistance with the setup each week. We are looking forward to offering a final Farmers' Market on October 15. Considering this is the first year offering the Tuesday Night Market, it has been a huge success and we expect it to grow in years to come.

We hope you will be able to assist us in our effort to provide this final market for the community of Lemoore. As always, we appreciate your cooperation in helping to make our community events successful. If you have any questions, please feel free to contact me at 924-6704.

Thank you again,

Judy Holwell
Project Manager
