---

From 03-17-14 through 03-21-14 I attended the ICI Child Abuse Investigations course in Dublin CA. The course took place at the Alameda County Sherriff's Office and consisted of 40 hours of Child Abuse related training. During this training I learned and/or improved the following investigative subjects:

- Child Abuse and the Law,
- Role of a Child Abuse Investigator
- Investigative techniques
- Physical child abuse/neglect
- Suspicious burnes, bites and bruises
- Child victim Dynamics
- Interviewing children
- Child Forensic Medical Exams
- Physical Evidence
- Suspect Dynamics and interrogation
- Investigator Wellness
- Computer Forensics
- Sexual exploitation
- Online Pornography

The above mentioned training subjects are crucial for a Detective and will benefit the Lemoore Police Department. The following is a list of the instructors and their contact information:
