RE: SCHOOL RESOURCE OFFICER SCHOOL

From 07/14/2014 until 07/18/2014 I attended the School Resource Officer training course. The class was held at the Riverside County Sheriff Department's, Ben Clark Public Safety Training Center in Riverside, Ca. The School Resource Officer Course is designed to provide basic tools for the experienced peace officer to function in the public school environment with a community based policing emphasis. Some of the topics we covered in this course included current trends, diversity, teaching skills, gangs, criminal law and child abuse investigations. The course also included practical exercises (using SIMUNITIONS FX marking cartridges) to teach and evaluate the class.

The instructors were very knowledgeable and passionate about the subjects they were teaching to us. After this week of instruction and training I feel very confident in my upcoming role as the Youth Development Officer for the Lemoore Union Elementary School District. Thank you for the opportunity to go to this training course.
