Staff Report

ITEM 2-6

To: Lemoore City Council
From: Judy Holwell, Project Manager 
Date: June 24, 2014
Subject: Weed Abatement of City Property – APN 024-080-069

Discussion

A vacant parcel in the Lemoore Industrial Park (APN 024-080-069) is overgrown with weeds and is considered a fire hazard. Staff received an estimate of \$500 from RGW Equipment LLC to abate the weeds on the property. This parcel is owned by the City of Lemoore and requires maintenance. Several of the surrounding properties are owned by the Lemoore Redevelopment Agency and are regularly maintained by RGW. Continuous maintenance of vacant City and RDA properties are highly recommended for safety and potential economic development purposes.

Budget Impact

The cost to abate the fire hazard is \$500 which would come from the General Fund.

Recommendation

It is recommended that City Council, by motion, approve the General Fund expenditure of \$500 for weed abatement on APN 024-080-069.
