Staff Report

ITEM 3-3

To: Lemoore City Council
From: David Wlaschin, Director of Public Works/Planning 
Date: July 8, 2014
Subject: Public Hearing – Resolution No. 2014-19 – The Assessment of Annual Levy for Fiscal Year 2014-2015 for Public Facilities Maintenance District No. 1, Zones 1, 2, 3, 4, 5 and 6 of the City of Lemoore

Discussion:

The Engineer's Report documenting the need for and costs of the proposed assessments was presented to City Council on July 1, 2014 as the basis for adoption of the Resolution of Intention to Levy and Collect Annual Assessments for fiscal year 2014-2015 within Zones 1, 2, 3, 4, 5 and 6 of the City of Lemoore Public Facilities Maintenance District No. 1.

The levies for fiscal year 2014-2015 differ from Zone to Zone due to varying amounts of landscape and other improvements to be maintained, differing ratios between the amount of landscaping and other improvements, and the number of housing units responsible for the maintenance. Listed below by Zone are the current 2013-2014 levies and the proposed 2014-2015 levies.

	<u>2013-2014</u>	<u>2014-2015</u>
Zone 1 – The Landing, Phases 1, 2, 3	\$ 736.24	\$ 535.66
Zone 2 – Liberty, Phases 1 and 2	\$1,043.34	\$ 684.76
Zone 3 – Silva Estates 10	\$ 979.48	\$ 719.08
Zone 4 – Parkview Estates	\$ 522.64	\$ 497.62
Zone 5 – East Village Park	\$1,247.62	\$ 825.86
Zone 6 – Heritage Acres Phase 1	\$ 646.36	\$ 453.66

All assessments for 2014-2015 are less than in previous years because of low bid costs for yearly maintenance resulting from revised bidding procedures

Budget Impact:

There will be a decrease due to reduction in assessments.

Recommendation:

That Council hold the Public Hearing and at the conclusion of the Public Hearing, adopt, by motion, Resolution No. 2014-19 Confirming the Diagram and Assessment of Annual Levy for Fiscal Year 2014-2015 for Public Facilities Maintenance District No. 1, Zones 1, 2, 3, 4, 5 and 6.

MEMO

To: City Council, City of Lemoore

From: Harry A. Tow, P.E.
Engineer of Work

Date: July 1, 2014

Re: City of Lemoore Public Facilities Maintenance District No. 1, Zones 1 - 6

At your July 1 meeting, staff will be presenting the Engineer's Report for Public Facilities Maintenance District No. 1, Zones 1, 2, 3, 4, 5, and 6, and the Resolution of Intention to Levy Annual Assessments for Public Facilities Maintenance District No. 1, Zones 1, 2, 3, 4, 5, and 6.

Mailed notices and ballots are not required. The proposed annual assessments for each Zone are not more than the maximum amounts already approved by a majority of property owners in the Zone in property owner ballot proceedings conducted in accordance with Proposition 218 in 2006 (Zone 1), in 2007 (Zone 2), in 2008 (Zones 3 and 4), in 2012 (Zone 5), and in 2013 (Zone 6).

The maximum annual assessments approved by the property owners in each Zone include an annual increase in the assessments according to the corresponding annual increase in the Employee Cost Index for total compensation for State and Local Government Workers (the "Index").

The levies for fiscal year 2014-2015 differ from Zone to Zone due to varying amounts of landscape and other improvements to be maintained, differing ratios between the amount of landscaping and other improvements, and the number of housing units responsible for the maintenance. Listed below by Zone are the current 2013-2014 levies and the proposed 2014-2015 levies. No new improvements are proposed for these Zones.

Zone	Areas Included	2013-14	2014-15
1	The Landing, Phases 1, 2, and 3	\$736.24	\$528.64
2	Liberty, Phases 1 and 2	\$1,043.34	\$676.56
3	Silva Estates, Phase 10	\$979.48	\$709.96
4	Parkview Estates	\$522.64	\$497.52
5	East Village Park	\$1,247.62	\$818.58
6	Heritage Acres	\$646.36	\$444.26

The Council does have the right to unilaterally reduce assessments if they choose, but cannot increase the assessments beyond the maximum unless approved by the owners in a new property owner ballot proceeding.

The public hearing will be scheduled for the City Council meeting on July 15, 2014. Notice of the hearing will be given by publication of the Resolution of Intention once, at least 10 days before the

scheduled hearing date. Following completion of the hearing, the Council will consider all written and oral testimony received and decide whether to amend or confirm the Engineer's Report and the annual assessments, as proposed or as modified. Once confirmed, the assessments will be sent to the County Auditor-Controller's office to update the tax rolls.

Recommendation:

That City Council accept the Engineer's Report and pass the Resolution of Intention to Levy Assessments for Public Facilities Maintenance District No. 1, Zones 1, 2, 3, 4, 5, and 6.

Respectfully Submitted,

INTRODUCTION

The City Council of the City of Lemoore adopted its General Plan with various elements to provide guidelines for orderly development within the community. The City Council further adopted ordinances and regulations governing the development of land providing for the installation and construction of certain lighting, landscaping, street paving, parks and appurtenant facilities to enhance the quality of life and to benefit the value of property.

The requirement for the installation of lighting, landscaping, streets and appurtenant facilities is a condition of development provided for in the City's Subdivision Ordinance and is a requirement for issuance of a permit for construction of commercial, residential, and planned unit development. Lighting, landscaping, streets and appurtenant facilities generally includes street lights, trees, shrubs, plants, turf, irrigation systems, local street paving, parks and necessary appurtenances including curbs, hardscape, monumentation, fencing located in public rights-of-ways, medians, parkways, and/or easements adjacent to public rights-of-ways, in and along major thoroughfares, primary and secondary arterials, and local streets as defined in the General Plan's Circulation Element.

The installation of street lights, landscaping and appurtenant facilities is the responsibility of the subdivider or other development/applicant, triggered by the approval of a tentative subdivision map or other development application. When on any given street of the approved system, a majority of the required landscaping has been provided, and it has been determined that landscaping in front of, or adjacent to certain already developed properties is required to bridge missing gaps, and/or where the future development or redevelopment of existing property is not likely to occur in the foreseeable future, the City Council may deem it appropriate to retrofit or fill such gaps.

After installation, it is City policy that the servicing, operation, maintenance, repair and replacement of the lighting, landscaping, local street paving, parks and appurtenant facilities in turn become the financial responsibility of the properties that specially benefit from the facilities.

The City's lighting, landscape, local street paving and parks maintenance and replacement program is administered according to the provisions of Proposition 218 (Article XIID of the California Constitution), Chapter 10 of Title 7 of the Municipal Code, which was added by Ordinance No. 2006-01 of the City of Lemoore, the Proposition 218 Omnibus Implementation Act (Government Code Sections 53750 through 53754) and, to the extent applicable, the Landscaping and Lighting Act of 1972 (Streets and Highways Code Part 2, Division 15).

The City cannot feasibly fund by any other method the maintenance and required periodic replacement of such facilities which must be installed with new development. Therefore, the City has determined that such maintenance, operation, repair and replacement should be funded through usage of the assessments on properties within the boundaries of Public Facilities Maintenance District No. 1. The property owners in each Zone of said District enjoy a special benefit from these facilities within the applicable Zone, over and above the general benefits received by these property owners and the public generally, and the assessments levied under this District fund such benefit.

Payment of the assessments will be made in the same manner and at the same time in as the ad valorem property tax for each lot and parcel.

The annual assessment proceedings will be conducted under Ordinance No. 2006-01, Proposition 218, the Proposition 218 Omnibus Implementation Act and, to the extent applicable, the Landscaping and Lighting

Act of 1972, Sections 22500 through 22679, Part 2, Division 15, of the Streets and Highways Code of the State of California.

The City Council of the City of Lemoore will set the time and place for a public hearing in the Resolution of Intention.

Notice of the public hearing will be given by publishing the Resolution of Intention once, at least 10 days before the date set for the public hearing.

After reviewing testimony, as well as the projected year's costs for the servicing, maintenance, repair and replacement of the facilities in the District as herein described, the City Council will set and levy the assessments for Zones 1, 2, 3, 4, 5, and 6 of the District for fiscal year 2014-2015, which runs between July 1 and June 30.

This report contains the necessary data required to conduct the proceedings and is submitted to the Clerk of the City for filing.

Such detailed Plans have been prepared by the project developer and are on file with the City Clerk of the City of Lemoore.

Detailed plans for each Zone have been prepared by the project developer and are on file with the City Clerk of the City of Lemoore.

Description of Work

The work includes maintaining, operating, repairing and periodically replacing landscaping, street lights, local street paving, parks and appurtenant facilities described as follows:

Plants, shrubbery, trees, turf, irrigation systems, entry monuments, local street maintenance, parks, hardscapes, walls, fencing, street lights and appurtenant facilities in public rights-of-way and easements within or appurtenant to the boundaries of the applicable benefit Zone of said District.

The locations of such facilities, as previously described, are within the boundaries of the District, and within or appurtenant to the boundaries of Zones 1, 2, 3, 4, 5, and 6 as shown on the Assessment Diagram, Exhibit "E" herein. Approved plans for landscaping, lighting, local street paving, parks and appurtenant facilities benefiting Zones 1, 2, 3, 4, 5, and 6 are filed with the City Clerk and incorporated herein by reference.

Maintenance means the furnishing of services and materials for the ordinary and usual maintenance, operation and servicing of the lighting, landscaping, local street paving, parks and appurtenant facilities. Maintenance for landscaping means, but is not limited to, the repair, removal or replacement of landscaping and walls providing for the life, growth, health and beauty of landscaping, including cultivation, irrigation, trimming, spraying, fertilizing and treating for disease or injury and the removal of trimmings, rubbish, debris and other solid waste. Maintenance for street lights means but is not limited to the furnishing of services and materials for the ordinary and usual maintenance and repair of street lights including poles, lens and bulb replacement. Maintenance for local street paving means but is not limited to the scheduled sealing, capping, and remixing/resurfacing of such paving. Maintenance for trees means, but is not limited to, the trimming and required replacement of trees in development-adjacent or development-contained arterial or collector streets, medians or parkways, but not street trees on local streets fronting residences. Maintenance for parks interior to, or determined by the Council to provide special benefit to property in, the applicable benefit Zone includes, but is not limited to the continuing maintenance and required and required replacement of park facilities, including tot lot and playground equipment, trees, park furniture, turf, landscaping and restrooms. Maintenance of sidewalks, curb and gutter includes the required replacement of such improvements only in or fronting parks or tot lots or in arterial or collector street parkways or medians adjacent to or contained in the development.

Operating for landscaping improvements means but is not limited to the furnishing of water and electricity for

irrigation of the landscaping and the maintenance of any of the appurtenant facilities. For lighting facilities, operating means but is not limited to furnishing the utility power necessary for energizing of electroliers.

The improvements described herein for which maintenance, operating, repair and periodic replacement for, and for which assessments are required to fund such maintenance, servicing and periodic replacement, are those required as conditions of approval of the vesting tentative maps of Tract 817, Tract 821, Tract 838, Tract 797, Tract 791, and Tract 872:

- The final map of Phase 1 of Tract 817 (39 single-family lots), Phase 2 (32 single-family lots), and Phase 3 (41 single-family lots) of which constitute Zone 1 hereunder, were approved by the City Council on September 6, 2005, June 27, 2007, and July 19, 2011, respectively.
- The final map of Phases 1 and 2 of Tract 821, the 242 single-family lots of which constitute Zone 2 hereunder, was approved by the City Council on June 6, 2006.
- The final map of Phase 10 of Tract 838, the 74 single-family lots and 5 multi-family lots of which constitute Zone 3 hereunder, was approved by the City Council on August 10, 2006.
- The final map of Tract 797, the 39 single-family lots of which constitute Zone 4 hereunder, was approved by the City Council on January 17, 2006.
- The final map of Tract 791, the 81 single-family lots of which constitute Zone 5 hereunder, was approved by the City Council on July 29, 2011.
- The final map of Tract 872, the 97 single-family lots of which constitute Zone 6 hereunder, was approved by the City Council on April 2008.

Engineer's Estimate

EXHIBIT B
ENGINEER'S ESTIMATE

Actual costs of maintenance and required periodic replacement of improvements have been determined by the Engineer of Work in consultation with the City staff. Such costs are reflected to the extent currently feasible in the assessments for Zones 1, 2, 3, 4, 5, and 6. It should be noted that, based on these unit cost assessments and the improvements to be maintained, serviced and operated in these Zones, the actual costs during the past fiscal year and projected for this fiscal year may be greater than the proposed assessments.

Table 1 details unit costs for maintenance and replacement for each Zone. Table 2 shows the total costs to be assessed to each Zone. Table 3 estimates the incidental costs required to process the assessments.

Therefore, proportionate share of costs assessable to Zone 6 is (33/97) x \$42,219 = \$14,363. These proportionate share costs are less than those which would appertain to Zone 6 if it were assessed for the required facilities within and appurtenant thereto if the balance of Tract 872 is not constructed, because the total cost of the assessment would be allocated to the 33 built lots only.

* The 12-month change in the index from December 2012 to December 2013 was +1.9%. Such percentage increase does not apply to the landscape contract.

RATE AND METHOD OF ASSESSMENT

General Discussion

The improvements described in Exhibit “A” are provided for the particular, distinct special benefit directly received by each lot or parcel in each benefit Zone of the District, above the benefit received by these lots and parcels or the public generally. Each lot or parcel has been determined to directly and specially benefit proportionally by Equivalent Dwelling Unit (EDU).

City noticing and County administrative expenses will be apportioned to each lot or parcel as one unit of assessment for each lot/parcel.

The annual maintenance, operation, repair and periodic replacement costs of the facilities and improvements benefiting Zones 1, 2, 3, 4, 5, and 6 of the District described in Exhibit “A” of this Report, are estimated in Exhibit “B.”

The City is unable to provide funds for such maintenance, operation, repair and periodic replacement of the described facilities and improvements. The facilities and improvements and their maintenance, operation, repair and periodic replacement provide equally for each lot and parcel in the District essential safety, lighting, property access, security and aesthetically-pleasing public right-of-way landscaping not available to the general community. The value, accessibility, appearance, safety and use of each lot and parcel in the District are significantly and directly enhanced by regular maintenance and periodic replacement of these facilities and improvements. These are special benefits distinct and particular to the lots and parcels in this District and not realized by the general community. Therefore, annual maintenance, operation, repair and periodic replacement of the described facilities and improvements, and the funding thereof, provide direct special benefits to the lots and parcels in each Zone of the District, over and above general benefits conferred on real property in the Zone or to the public at large.

Moreover, the Engineer has determined that each individual lot and parcel in each Zone in the District established by a recorded final subdivision is benefited equally by such annual maintenance and periodic replacement. Each assessed lot and parcel contains, or will contain in accord with the City’s development approvals, a single dwelling unit. Each lot and parcel, within a particular Zone, therefore derives the same proportionate special benefit from the assessed facilities and improvements and their regular maintenance and periodic replacement.

Accordingly, the individual annual assessment for each lot and parcel in each Zone in the District (the “Maximum Annual Assessment”) is determined by dividing the total estimated costs of annual maintenance and replacement and related notice and processing fees (for fiscal year 2014-15, set forth in Exhibit “B”) by the total number of lots and parcels in the Zone. The costs of such maintenance and periodic replacement will increase each year. In order to assure continued adequacy of the financing of such costs and, therefore, the continued special benefits to the lots and parcels in the District, the Maximum Annual Assessment shall be comparably and automatically increased each fiscal year to cover the maintenance and replacement cost increases. The annual increase in the Maximum Annual Assessment shall be in accordance with increases in the Employment Cost Index for total compensation for State and Local Government Workers (the “Index”), published quarterly by the U.S. Bureau of Labor Statistics. Increases in the Index will track comparably to increases in the costs of annual maintenance and periodic replacement of the described facilities and

improvements, since the majority of the maintenance and replacement work is and will be done by City employees.

Therefore, the annual assessment each fiscal year on each lot and parcel in the District shall be determined and levied according to the above rate and methodology up to, but not more than, the Maximum Annual Assessment as increased for that fiscal year by the Index. The actual annual assessments may be less than or up to the Maximum Annual Assessment, as so increased, but cannot exceed the Maximum Annual Assessment, as so increased, without approval in a property owner ballot proceeding under Proposition 218 and the Proposition 218 Omnibus Implementation Act. This methodology for determining Maximum Annual Assessments, including annual increases according to the Index, was approved by a majority of property owners at a duly noticed and conducted property owner ballot proceeding in 2006 for Zone 1, in 2007 for Zone 2, in 2008 for Zones 3 and 4, 2012 for Zone 5, and 2013 for Zone 6. Therefore, no additional property ballot proceeding will be required to increase the annual assessments according to the Index, up to the Maximum Annual Assessment.

The actual assessment and Maximum Annual Assessment on each lot and parcel in Zones 1, 2, 3, 4, 5, and 6 of the District for fiscal year 2014-15 is set forth in Exhibit "D" of this Report. The Maximum Annual Assessments proposed within Zones 1, 2, 3, 4, 5, and 6 are proposed to increase from the previous fiscal year.

Hearing Dates

A hearing will be held at the regularly scheduled City Council meeting on July 15, 2014. Individuals will be allowed to give testimony. Final assessments will be amended or adopted on Zones 1, 2, 3, 4, 5, and 6 at this meeting. The County shall be notified of the final assessment amounts.

RESOLUTION NO. 2014-19
RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LEMOORE
CONFIRMING THE DIAGRAM AND ASSESSMENT OF ANNUAL LEVY
FOR FISCAL YEAR 2014-2015 FOR PUBLIC FACILITIES
MAINTENANCE DISTRICT NO. 1, ZONES 1, 2, 3, 4, 5 AND 6

WHEREAS, pursuant to Chapter 10 of Title 7 of the Lemoore Municipal Code, as enacted by Ordinance No. 2006-01 (the “Ordinance”), and according to the procedures in the Proposition 218 Omnibus Implementation Act (Government Code Sections 53750-53753.5, inclusive) (the “Implementation Act”), Article XIID of the California Constitution (“Proposition 218”) and, to the extent not inconsistent with the Ordinance, the procedures in the State Landscaping and Lighting Act of 1972 (Chapter 2 of Part of Division 15 of the California Streets & Highways Code) (the “Landscaping & Lighting Act”), the City Council of the City of Lemoore declared its intention to form, conducted all proceedings to form and did form Public Facilities Maintenance District No. 1 of the City of Lemoore (the “District”), and has thereafter levied and collected the first annual assessment for maintenance, operation, repair and periodic replacement of certain landscaping, street lights, local street paving, parks and appurtenant facilities and improvements within the District (the “Services) and which provide particular, distinct special benefits to the various lots and parcels assessed over and above general benefits conferred on such lots and parcels and the public at large; and

WHEREAS, at the direction of the City Council, the City Engineer has prepared and filed with the City Clerk a report entitled “Engineer’s Report and Assessment for Zones 1 - 6 of Public Facilities Maintenance District No. 1, dated June, 2014” (the “Engineer’s Report”), to which reference is hereby made, which Engineer’s Report contains a description of the general nature, location and extent of the existing facilities and improvements within Zones 1 – 6 of the District, an estimate of the costs of the maintenance, operation, repair and periodic replacement of the facilities and improvements (the Services), a diagram showing the boundaries of the District and Zones 1 – 6 therein, the lines and dimensions of each lot or parcel of land with Zones 1 – 6 and the descriptions of and proposed assessments on the assessable lots and parcels of land within Zones 1 – 6; and

WHEREAS, at a regular meeting on July 1, 2014, the City Council declared its intention to levy and collect the annual assessments for the costs of providing the Services within Zones 1 – 6 for the 2014-2105 fiscal year; and

WHEREAS, the amount of the assessments proposed in the Engineer’s Report for Zones 1 – 6 of the District for the 2014-2015 fiscal year are proposed to decrease from the previous fiscal year; and

WHEREAS, the proceeds of the assessments will be used exclusively to finance the expenses for providing the Services for the 2014-2015 fiscal year, which Services will provide particular, distinct special benefits to the various lots and parcels in Zones 1 – 6 and above the general benefits conferred on such lots and parcels and the public at large; and

WHEREAS, no substantial changes are proposed to be made in the existing facilities and improvements, and no new facilities or improvements are proposed in Zones 1 – 6 in fiscal year 2014-2015; and

WHEREAS, the amount of the assessment on each lot or parcel in Zones 1 – 6 is proportional to and no greater than the special benefits conferred on such lot or parcel from the Services; and

WHEREAS, after notice of the hearing was published pursuant to Streets & Highways Code Section 22626(a) and Government Code Section 6061, the City Council conducted a public hearing and heard and considered all objections and protests to the proposed assessments; and

WHEREAS, the City Council has determined that there is not a majority protest to the proposed annual assessments by property owners in Zones 1 – 6;

THEREFORE, the City Council of the City of Lemoore resolves, finds and determines as follows:

1. The recitals in this resolution, above, are true and correct.
2. The territory within Zones 1 – 6 of the District, whose boundaries are set forth in the Engineer's Report, will be the territory particularly, distinctly and specially benefited, over and above the general benefits conferred on such territory and the public at large, from the Services described in the Engineer's Report.
3. The hearing on the annual levy of assessments in Zones 1 – 6 of the District was noticed and held in accordance with law.
4. The Engineer's Report, including the diagram of Zones 1 – 6 and the assessment of the estimated costs of Services contained in the Engineer's Report, and each and every part of the Engineer's Report, is finally adopted, confirmed and approved.
5. The assessment diagram showing Zones 1 – 6 and the lots and parcels of land therein, all as contained in the Engineer's Report, is finally approved and confirmed as the diagram of the lots and parcels within Zones 1 – 6 to be assessed to pay the costs of the Services described in the Engineer's Report.
6. The assessment of the total amount of the costs and the individual assessments thereof on the lots and parcels within Zones 1 – 6 in proportion to the special benefits to be conferred on each such lot or parcel from the Services, and of the expenses incidental thereto, as set forth in the Engineer's Report, is finally approved and confirmed as the annual assessment for Zones 1 – 6 for the 2014-2015 fiscal year to pay such costs.
7. The levy of the annual assessments within Zones 1 – 6 of the District for fiscal year 2014-2015, as described in the Engineer's Report, is hereby ordered.

8. The City Clerk is authorized and directed to file the diagram of Zones 1 – 6 of the District and assessments therein, or a certified copy thereof, as approved and confirmed by the Council and containing all information and statements required by Streets & Highways Code Section 3114, with the Kings County Auditor immediately after adoption of this resolution.
9. This resolution shall take effect immediately upon adoption.
