

May 19, 2015

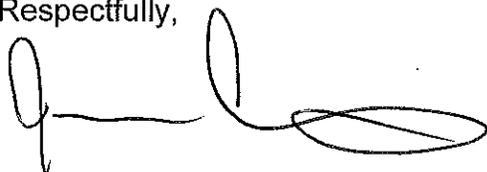

Dear Council Member:

I want to take the time and sincerely thank you for the allowing me the opportunity to attend the 2015 California Parks and Recreation Conference that was held in Sacramento, California. As a newly hired Recreation Coordinator for the City of Lemoore the opportunity gave me a chance to meet and network with colleagues from various cities/communities throughout the state of California, share and listen to the creative ideas other cities/communities similar to Lemoore are doing and gain knowledge and exposure of the particulars of an aquatics programs.

The highlight of the conference for me was on the concept of how to leverage community resources for the benefit of the community and its youth. I am pleased to share that I am excited to say that as a small community, we are doing more with a lot fewer resources than most other cities.

Once again, I want to thank you for the experience and the support for professional development as an employee for the City of Lemoore. Should you have and question, please contact me at 559-924-6767 or via email at jcuevas@lemoore.com

Respectfully,

A handwritten signature in black ink, appearing to read 'Juan Cuevas', with a large, stylized flourish at the end.

Juan Cuevas
Recreation Coordinator
City of Lemoore
