RE: TITLE IX TRAINING

I, Jonathan Giles, as the West Hills Campus Officer attended the Title IX Training. The training was held at the Paris Hotel located in Las Vegas, Nevada between the dates of July 9th through July 12th of 2015. Tuition for the training was paid for by the West Hills College Administration who requested I attended. Title IX covers the college's response to sexual harassment and sexual assaults. In the training, we covered the management, campus culture, investigations, and victim services.
