## Staff Report

ITEM NO. 4-1

**To:** Lemoore City Council  
**From:** Darrell Smith, Chief of Police   
**Date:** June 23, 2015 **Meeting Date:** July 7, 2015  
**Subject:** Authorize the City of Lemoore to Accept San Joaquin Valley Air Pollution Control District (SJVAPCD) Public Benefit/California Sustainable Energy Grants Award

---

### Discussion:

The Public Benefit Grant Program, administered by San Joaquin Valley Air Pollution Control District (SJVAPCD) provides reimbursement of up to \$20,000 per vehicle, up to a maximum of \$100,000 per agency per year, for the purchase of alternative fuel vehicles. CNG, plug-in hybrid, and electric vehicles are eligible for this grant. The City has previously used this grant to purchase 2 CNG Ford Transit Connects for the Public Works and Water Departments, 2 CNG Honda Civics for the Volunteers in Policing, and 3 Electric scooters for the Water meter readers and the Police Department.

On September 2, 2014 Council authorized City Staff to apply for the grant with the passage of Resolution 2014-24 (attached for your review). Funding is now available to proceed with purchase.

The Police Department is requesting to purchase 3 Ford Fusion Energi, plug-in hybrids to be used for the addition of a commander position, and to replace the training car and the GTF vehicle. Two Fusions will be assigned to Investigations and the third will be assigned to the Chief. The Chief's current vehicle will be assigned to the Patrol Commander and the 2 Ford Crown Vics currently assigned to Investigations will be reassigned; 1 to training, and the second to GTF. The SJVAPCD grant will cover \$20,000.00 towards the cost of each vehicle. An additional \$5,720.00 towards the cost of each vehicle will be reimbursed through the California Sustainable Energy grant, for a total reimbursement of \$25,720.00 for each vehicle. The fuel savings alone attained by replacement of these vehicles with the Fusion hybrids results in \$3,000.00 in annual fuel costs savings.

The Water Division is requesting to purchase a 2016 Ford F350, CNG pick up truck. They have \$28,000.00 budgeted for a vehicle at this time and the total price for the CNG vehicle is \$45,393.08 and the \$20,000.00 available through the grant award will more than cover the cost difference between a conventional gasoline vehicle and the alternative fuel version we are proposing.

The Streets Division is requesting to purchase a 2016 Ford F350 cab and chassis along with a utility bed conversion. This vehicle will be assigned to the two new budgeted positions in Department 4231 Streets Division. Total cost for the vehicle and utility bed conversion is \$57,232.34 with \$20,000.00 reimbursed by the grant. Fund 34 Gas Tax has been identified as the funding source for this purchase request.

The vehicle quotes for all vehicles are attached for your review.

**Budget Impact:**

The total costs for the three (3) Ford Fusion Energi Hybrid vehicles assigned to the police Department equates to \$97,008.00. Total reimbursements from the SQVAPCD and California Sustainable Energy Grants amount to \$77,160.00 with the balance of \$18,848.00 requested to be funded by the Vehicle Asset Replacement Account 4840.

The total cost for the 2016 Ford F350 for the Water Division is \$45,393.08 with \$28,000.00 budgeted, and \$20,000.00 reimbursed by the SQVAPCD Grant with a net savings to the City of \$2,602.92.

The total cost for the Ford F350 Cab and Chassis with conversion bed for the Streets Division equates to \$57,232.34 with \$20,000.00 reimbursed by the SQVAPCD Grant, and a balance of \$37,232.34 to be funded by Fund 34, Gas Tax.

The City of Lemoore will attain five (5) new vehicles for a total of \$199, 633.42 with a total reimbursement of \$117,160.00. This results in significant savings to the General Fund.

**Recommendation:**

That the City Council, by motion, authorize the purchase of the proposed vehicles and to accept reimbursement from the SQVAPCD and California Sustainable Energy Grants.

**RESOLUTION NO. 2014-24**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LEMOORE  
NAMING CITY MANAGER AS THE SIGNING AUTHORITY FOR A PUBLIC  
BENEFIT GRANT PROGRAM APPLICATION TO THE SAN JOAQUIN VALLEY  
AIR POLLUTION CONTROL DISTRICT**

At a Regular Meeting of the City Council of the City of Lemoore duly called and held on September 2, 2014 at 7:30 p.m., it was moved by Council Member RODARMEL, seconded by Council Member WYNNE and carried that the following Resolution be adopted:

**WHEREAS**, the City Council of the City of Lemoore has shown interest in purchasing alternative fuel vehicles for the City's use; and

## 2016 Fusion Energi: Emissions Warranties

- Under the Federal Emissions Defect and Performance Warranties, Ford provides coverage for 3 years or 36,000 miles (whichever occurs first) for a specified list of emission parts, and 8 years or 80,000 miles (whichever occurs first) for the catalytic converter, electronic engine control unit and onboard emission diagnostic devices
- Under the California Emissions Defect and Performance Warranty, Ford provides coverage for eligible vehicles for 3 years or 50,000 miles (whichever occurs first) for a specified list of emission parts, and 7 years or 70,000 miles (whichever occurs first) for a more specific list of emission parts
- Under the California AT-PZEV Emissions Defect and Performance Warranty, Ford provides coverage for eligible vehicles for 15 years or 150,000 miles (whichever occurs first) for a specific list of emission parts, and 10 years or 150,000 miles (whichever occurs first) for the high-voltage lithium-ion battery
- California Emissions Warranty eligibility depends on whether the vehicle is registered in a state that is enforcing California Emissions Warranty or California AT-PZEV Emissions Warranty at the time of the repair and if the vehicle is certified for sale in California or certified to California AT-PZEV standards
