Subject: Monday Nov 26, 2012 Public Hearing – Proposed Woodside Homes, Davate Villas

I am filing my protest over any proposed 2 story homes on Patriot Place and on the 2 lots backing to my property at 705 Patriot Place. I made significant improvements to my backyard (swimming pool, etc) based on the Planning Commission and City Council approval of single story homes proposed by Lenar. I would not have made these improvements if 2 story homes were proposed as there is no privacy based on the small size of the lots.

On October 30<sup>th</sup> I met with representatives of Woodside Homes and was told by Vance Herring (Vice President of Construction, Woodside Homes) that he would accommodate my request. He informed me I needed to put it in writing to the Planning Commission.

I seek denial of 2 story homes as noted above and support single or 2 story homes on the portion of the subdivision where there are no current homes.

Thank you.
