A large family daycare home is defined as a single family residence that provides day care for seven (7) to fourteen (14) children, including children under the age of ten (10) years who reside at the home. The establishment of new large family daycare homes shall be consistent with the allowed use provisions of article 9-4B (allowed uses and required entitlement) and the standards contained within Section 9-4D-7, as well as other development standards as required in the underlying zoning district.

Administrative Use Permits shall be granted only when the designated approving authority determines that the proposed use or activity complies with all of the following, 1) the proposed use is consistent with the General Plan, any applicable specific plans, and all applicable provisions of this title; and 2) the establishment, maintenance, or operation of said use will not, under the circumstances of this particular case (location, size, design, and operating characteristics) be detrimental to the health, safety, peace, morals, comfort, or general welfare of persons residing or working in the neighborhood of such use or to the general welfare of the city. (Section 9-2B-10)

The completed application should be filed with the Development Services Department. The following material constitutes a completed application:

- a. Application form.
b. Sketch plan showing the existing home, off-street parking and portion of the home to be used as a Large Day Care.
c. Proof of State of California Day Care License
d. Application filing fee. (Cash or Check)
