**To:** Oversight Board for Successor Agency Item # 4  
to the Former Lemoore Redevelopment  
Agency

**From:** Nanci Lima, City Clerk

**Date:** May16, 2012

**Subject:** Resolution 2012-04 - Conflict of Interest Code

---

**Discussion:**

The Fair Political Practices Commission has determined that Oversight Boards are subject to a code which require disclosure of certain financial interests. The disclosure in part is designed to avoid potential conflicts of interest.

The Conflict of Interest Code will require each member of the Oversight Board to file a disclosure document known as a Form 700 Statement of Economic Interests. This form will be used to disclose the financial interests of members which might generate a conflict of interest in connection with their service on the Oversight Board such as real property holdings within or nearby the territory of the former Lemoore Redevelopment Agency.

It is requested that the Board Members complete and file assuming office statements on the Form 700 with the Board Clerk promptly but no later than 30 days following the date sworn in to the Oversight Board, or May 26, 2012. After this initial filing members of the Oversight Board will be requested to periodically update their filings. The Board Clerk is familiar with the procedures associated with completing a Form 700 and can share information useful in completing the form or direct Board Members to sources capable of addressing questions that might arise.

In addition to filing a Form 700 each member of the Oversight Board is required to avoid actions that produce a legal conflict of interest. For the most part the Board Members are or have been public officials obligated to follow conflict of interest laws.

Staff has prepared a Resolution for your consideration; a copy of the proposed code is attached as the Appendix to the resolution.

**Budget Impact:**

None.

**Recommendation:**

The Board, by motion, approve Resolution 2012-04 adopting a Conflict of Interest Code.
