Proposed Motion:

Authorize the Acting City Manager to execute the Neopost Product Lease Agreement for a new postage machine.

Subject/Discussion:

In October 2006, the City of Lemoore entered into an Agreement with Pitney Bowes for a postage machine. The City has had the same machine since 2006 and it is set to be phased out as of December 2017.

City staff researched alternative vendors for postage. As it is rather unique, Neopost is the only other local vendor.

Should City staff move forward with Neopost, the model IN-600 would be received. Below is a comparison between Neopost and Pitney Bowes:

Neopost IN-600		Pitney Bowes DM400
\$465 Quarterly		\$480 Quarterly
110 letters/min	Speed	70 to 95 letters/min
Up to 19,500 imprints	Ink Cartridge Yield	Up to 8,800 imprints
Up to 1/2"	Mail Thickness	Up to 5/16"
44 lbs	Machine Weight	29 lbs
\$1,000 pay out to cover transitioning		\$150 machine pick up fee + 1 month dues

A termination fee of \$310 would be payable to Pitney Bowes. The fee includes one month's dues of \$160 and a machine pick up fee of \$150. However, Neopost is offering up to \$1,000 to cover any transitioning costs.

Financial Consideration(s):

A minimal cost savings of less than \$100 per year.

Alternatives or Pros/Cons:

Pros:

- A new machine with faster printing speeds and higher ink cartridge yields.
- Responsive customer service technicians available as needed.

Cons:

- None noted.

Commission/Board Recommendation:

Not applicable.

Staff Recommendation:

Staff recommends City Council authorize the Acting City Manager to execute the NeoPost Product Lease Agreement for a new postage machine.

PRODUCT LEASE AGREEMENT

In this Product Lease Agreement (the "Lease"), the words "You" and "Your" mean the lessee, which is the entity that is identified as the Customer on the Product Lease Agreement order form ("Order Form"). "We," "Us" and "Our" mean the lessor, MailFinance Inc. "Supplier" refers to either Neopost USA Inc., or any other third party that has manufactured, or is providing services related to, the Products.

1. Lease of Products. THIS LEASE IS UNCONDITIONAL AND NON-CANCELABLE during the Initial Term (as defined below). You agree to lease from Us the equipment, embedded software, Software, services and other products listed on the Order Form, together with all existing accessories, embedded software programs, attachments, replacements, updates, additions and repairs, (collectively the "Products") upon the terms stated herein. For the avoidance of doubt, postage meters for use in mailing machines are excluded from the definition of Products. The term "Software" means any software that is subject to this Lease, other than software programs that are embedded in the hardware. Software is subject to the additional terms contained in the Online Services and Software Agreement with the Supplier.

2. Promise to Pay. You promise to pay to Us the lease payment shown on the Order Form ("Lease Payment") in accordance with the payment schedule set forth on that page, plus all other amounts stated herein. This Lease is binding on You as of the date You sign it. This Lease is not binding on Us until We sign it or until the Products are shipped, whichever happens first.

3. Initial Term; Renewal. The Initial Term of this Lease will begin on the earlier of either the date the Products are installed or five (5) days after the Products are shipped by the Supplier and will continue for the number of months shown on the Order Form ("Initial Term"). Unless, at least ninety (90) days before the end of the Initial Term, You: (i) notify Us that You intend to return the Products at the end of the Initial Term by calling 1-800-NEOPOST (636-7678); and (ii) send written notice to Us in the manner We instruct You when You call, this Lease will automatically renew on a quarter-to-quarter basis, except as prohibited by law (each a "Renewal Period"). The amount You pay for the Products will remain unchanged during each Renewal Period. We will not notify You that the Initial Term or any Renewal Period is ending. You may terminate this Lease at the conclusion of any Renewal Period by giving Us thirty (30) days prior written notice of Your intent to do so. If You notify Us in writing that You intend to terminate the Lease, as set forth above, You shall return the Products pursuant to Section 14 of this Lease.

4. Payments. PAYMENTS UNDER THIS LEASE ARE UNCONDITIONAL AND WILL CONTINUE FOR THE ENTIRE TERM OF THIS LEASE, WITHOUT ANY RIGHT TO REDUCTION OR SET-OFF. Lease Payments, plus applicable taxes and other charges provided for herein, are payable in advance periodically as stated on the Order Form. You agree to make Lease Payments to Us at the address specified on Our invoices, or at any other place designated by Us within thirty (30) days of the date of Our invoice. If We do not receive a payment in full on or before its due date, You shall pay a fee equal to the greater of 5% of the amount that is late, or twenty dollars (\$20), but in no event shall You pay more than the maximum amount allowed by law. In addition, You agree to pay Us Our then-current fee for checks returned unpaid and for ACH direct debit transactions which are rejected. In addition to the Lease Payment, You agree to pay Us a one-

time fee (not to exceed \$150.00) to cover the origination, documentation, processing and certain other costs associated with this Lease.

5. Buy-Out of Another Obligation. In the event that We have provided You with money to complete the remaining stream of payments on a lease that You may have with a third party, Your repayment of that amount shall be included as part of Your Lease Payment. You remain solely responsible for the full performance of any commitments that You have made with such third party. You agree that We are not responsible for any difference between the amount that We have provided and any amounts actually due, or claimed to be due, to the third party. In the event that You fail to make all of the Lease Payments set forth on the Order Form, in addition to any other remedies We may have, You agree to immediately pay Us the unamortized remaining balance of the money given to You to complete the remaining stream of payments on the third party lease.

6. Delivery and Location of Products. The Products will be delivered to You at the installation address specified on the Order Form ("Installation Address") or, if no such location is specified, to Your billing address. Your acceptance of the Products occurs upon delivery of the Installation Address unless You first get Our written permission to do so.

7. Ownership, Use, and Maintenance of Products. We will own and have title to the Products during the Lease. You agree that the Products are and shall remain Our personal property. You authorize Us to record (and amend, if appropriate) a UCC financing statement to protect Our interests. You represent that the Products will be used solely for commercial purposes and not for personal, family or household purposes. At Your own cost, You agree to maintain the Products in accordance with the applicable operation manuals and to keep the Products in good working order, ordinary wear and tear excepted.

8. Assignment of Supplier's Warranties. We hereby assign to You any warranties relating to the Products that We may have received from the Supplier.

9. Relationship of the Parties. You agree that You, not We, selected the Products and the Supplier, and that We are a separate company from the Supplier and that the Supplier is not Our agent. IF YOU ARE A PARTY TO ANY POSTAGE METER RENTAL, MAINTENANCE, SERVICE, SUPPLIES OR OTHER CONTRACT WITH ANY SUPPLIER, WE ARE NOT A PARTY THERETO, AND SUCH CONTRACT IS NOT PART OF THIS LEASE (EVEN THOUGH WE MAY, AS A CONVENIENCE TO YOU AND THE SUPPLIER, BILL AND COLLECT MONIES OWED BY YOU TO THEM).

10. Default. You will be in default under this Lease if You fail to pay any amount within ten (10) days of the due date or fail to perform or observe any other obligation in this Lease. If You default, We may, without notice to You, do any one or more of the following, at Our option, concurrently or separately: (A) cancel this Lease; (B) require You to return the Products pursuant to Section 14 below; (C) take possession of and/or render the Products unusable, and for such purposes You hereby authorize Us and Our designees to enter Your premises, with prior reasonable notice or other process of law; and (D) require You to pay to Us, on demand as liquidated damages and not as a penalty, an amount equal to the sum of: (i) all Lease Payments and other amounts then due and past due; (ii) all remaining Lease Payments for the then-current term, together with any taxes due or to become due during such term (which You agree is a reasonable estimate of Our damages); and (iii) in the event that You failed to promptly return the Products to Us, an amount equal

to the remaining value of the Products at the end of the then-current term, as reasonably determined by Us. You shall also pay all Our costs in enforcing Our rights under this Lease, including reasonable attorneys' fees and expenses that We incur to take possession, store, repair, or dispose of the Products, as well as any other expenses that We may incur to collect amounts owed to Us. We are not required to re-lease or sell the Products if We repossess them. These remedies shall be cumulative and not exclusive, and shall be in addition to any and all other remedies available to Us.

11. Finance Lease. You agree that this Lease is a "finance lease" as defined in Article 2A of the Uniform Commercial Code ("UCC"). To the extent permitted by law, You hereby waive any and all rights and remedies conferred upon You under UCC Sections 2A-303 and 2A-508 through 2A-522, or any similar laws.

12. Automated Clearinghouse Direct Debit ("ACH"). If, You have elected ACH service, You hereby authorize Us to initiate with the depository bank ("Bank") that You have provided to Us a debit of any amounts that become due by You to Us (and/or any of Our affiliates including, but not limited to, Neopost USA Inc., and Mailroom Finance, Inc.) from the specified account. ACH payments shall remain in effect until terminated by the Bank, You, or Us. You must give Us thirty (30) days prior written notice of Your intent to terminate ACH services or any change in Bank account status which would impair Our ability to debit such funds.

13. Loss; Damage; Insurance. You shall: (i) bear the risk of loss and damage to the Product(s) for the Initial Term and any Renewal Period; (ii) keep the Product(s) insured, at Your expense, against all risks of loss and damage in an amount at least equal to its full replacement cost, with Us named as an additional insured thereon ("Insurance"); and (iii) provide Us with evidence of Insurance within thirty (30) days of a request by Us, or a third party acting on our behalf, to do so. You are required to provide Us with sufficient evidence of Insurance within thirty (30) days of the commencement of the Initial Term. If You fail to provide such evidence of Insurance, then We may, at our sole option, protect Our interest in any hardware Product(s) by obtaining insurance on Your behalf via inclusion of such Product(s) in Our MailProtect program. If We obtain such coverage, then You agree that We may charge You the premium for such insurance, as well as our then-current fee for doing so. This charge will be added to Your Lease invoice and You agree to pay this charge according to the terms of this Lease. Refer to Section 13.1 of this Lease for more information regarding Our MailProtect program.

13.1 MailProtect Program. If We have included a hardware Product in Our MailProtect program and any covered loss, damage or destruction to such covered Product(s) (a "Loss") occurs and the amount of the Loss is greater than \$100, then We shall (provided You are not in default under this Lease) repair or replace such Product(s) and Your obligations pursuant to this Lease will remain unchanged. More information regarding Our MailProtect program, including information on Losses that are not covered, is available at www.neopostusa.com/mailprotect. If there is a covered Loss and We fail to repair or replace the affected hardware Product(s) within twenty (20) days of receiving written notice of the covered Loss from You, then You may terminate this Lease; provided that (i) You give us written notice of Your intent to do so;

and (ii) We receive such notice within forty-five (45) days of the Loss. The coverage offered through Our MailProtect program may: (i) be more expensive than Insurance that You could obtain on Your own; (ii) be obtained through companies affiliated with Us; and (iii) involve a fee paid to such affiliated companies (which will result in a profit by Us). Once enrolled in the MailProtect program, You may cancel the coverage at any time by providing Us with evidence of Insurance. We reserve the right to discontinue the MailProtect program at anytime.

14. Return of Products. You are required to return the tangible Products under this Lease. Upon the termination of this Lease You shall, after receiving an Equipment Return Authorization ("ERA") number from Us, promptly send such Products, at Your expense plus shipping and handling costs, to any location(s) that We designate within the contiguous United States. The Products must be properly packed for shipment with the ERA number clearly visible, freight prepaid and fully insured, and must be received in good condition, less normal wear and tear.

15. Indemnification. You shall indemnify and defend Us against, and hold Us harmless for, any and all claims, actions, damages, liabilities, losses, and costs (including reasonable attorneys' fees) made against or incurred by Us relating to Product Matters (as defined below). Your obligations pursuant to this Section shall survive the termination or expiration of this Lease.

16. Assignment. YOU SHALL NOT SELL, TRANSFER, ASSIGN, SUBLEASE, PLEDGE OR OTHERWISE ENCUMBER (COLLECTIVELY, "TRANSFER") THE PRODUCTS OR THIS LEASE IN WHOLE OR IN PART. We may, without notice to You, Transfer Our interests in the Products and/or this Lease, in whole or in part, to a third party. You agree not to assert against the new owner any claim, defense or offset You may have against Us or any predecessor in interest.

17. Taxes. You agree to pay for all applicable taxes related to the Products, including taxes related to Your acquisition, possession, and/or use of the Products as well as all property taxes on the Products. Furthermore, You agree to pay the applicable fee to cover Our expenses associated with the administration, billing and tracking of such charges and taxes. In addition, in the event We determine it is reasonable to do so, You hereby authorize Us to pay any such taxes and to include such amount as part of the capitalized amount used to compute Your payment pursuant to this Lease.

18. Disclaimer of Warranties. WE MAKE NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, REGARDING ANY MATTER WHATSOEVER, INCLUDING, BUT NOT LIMITED TO, THE SUITABILITY OF THE PRODUCT(S), ITS CONDITION, ITS MERCHANTABILITY, ITS FITNESS FOR A PARTICULAR PURPOSE, ITS FREEDOM FROM INFRINGEMENT, OR OTHERWISE. WE PROVIDE THE PRODUCTS TO YOU "AS IS," "WHERE IS" AND "WITH ALL FAULTS."

19. Limitation of Liability. WE SHALL NOT BE LIABLE TO YOU AND YOU SHALL NOT MAKE A CLAIM AGAINST US FOR ANY LOSS, DAMAGE (INCLUDING INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES), OR EXPENSE OF ANY KIND ARISING DIRECTLY OR INDIRECTLY FROM THE DELIVERY, INSTALLATION, USE, RETURN, LOSS OF USE, DEFECT, MALFUNCTION, OR ANY OTHER MATTER RELATING TO THE PRODUCTS (COLLECTIVELY, "PRODUCT MATTERS"). NOTWITHSTANDING ANY OTHER PROVISION OF THIS LEASE, EXCEPT FOR DIRECT DAMAGES RESULTING FROM PERSONAL

INJURY OR DAMAGE TO TANGIBLE PROPERTY CAUSED BY OUR GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, THE MAXIMUM OUR LIABILITY TO YOU FOR DAMAGES HEREUNDER SHALL NOT EXCEED THE TOTAL OF THE AMOUNTS PAID TO US HEREUNDER BY YOU.

20. Notice. All notices related to this Lease to Us shall be made by You, or an attorney representing You. All other notices, requests and other communications hereunder shall be in writing and sent to: MailFinance Inc., 478 Wheelers Farms Road, Milford, CT 06461 ("Notice Address"). Such notices shall be considered given when: (i) delivered personally, or (ii) sent by commercial overnight courier with written confirmation of delivery. In the event that We do not accept Your offer to enter this Lease, then You have the right to a written statement that specifies the reasons that Your offer was not accepted. You can request such a statement by writing to Us at the Notice Address.

21. Integration. The Lease represents the final and only agreement between You and Us. There are no unwritten oral agreements between You and Us. The Lease can be changed only by a written agreement between You and Us.

22. Severability. In the event any provision of this Lease shall be deemed to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby. The parties agree to replace any invalid provision with a valid provision, which most closely approximates the intent and economic effect of the invalid provision.

23. Waiver or Delay. A waiver of any default hereunder or of any term or condition of this Lease shall not be deemed to be a continuing waiver or a waiver of any other default or any other term or condition, but shall apply solely to the instance to which such waiver is directed. We may accept late payments, partial payments, checks, or money orders marked "payment in full," or with a similar notation, without compromising any rights under this Lease.

1. Incorporation of Certain Terms. You acknowledge that You have entered a Product Lease Agreement with MailFinance Inc. (the "Lease") and a Postage Meter Rental Agreement with Neopost USA Inc. (the "Rental Agreement"). If you have an eligible postage meter, then you will have access to a NeoFunds postage funding account (for Neopost POC accounts) or a TotalFunds postage funding account (for Hasler TMS accounts) and this NeoFunds/TotalFunds Account Agreement ("Account Agreement") shall govern Your use of such account. Any defined terms in the Lease or Rental

Agreement shall have the same meanings in this NeoFunds Agreement, except that “We,” “Us,” and “Our,” refer to Mailroom Finance, Inc., an affiliate of Neopost USA Inc. Sections 17 through 24 of the Lease are hereby incorporated into this Account Agreement except that any reference in those sections to the “Lease” refers to this Account Agreement.

2. Establishment and Activation of Account. You hereby authorize Us, to establish an account in Your name (“Account”) for funding the purchase of postage from the United State Postal Service (“USPS”) for use in the postage meter. Your Account may also be used to purchase supplies, pay for the Postage Meter rental, and obtain certain other products and services from Neopost USA. The establishment of Your Account shall be subject to Our approval of Your creditworthiness. Any use of the Account shall constitute Your acceptance of all the terms and conditions of this Account Agreement and all other documents executed or provided in connection with the Account. The Account may not be used for personal, family, or household purposes.

3. Operation of Account. Each time an employee or agent of Yours with the express, implied, or apparent authority to do so (each an “Authorized User”) uses the Account to receive a postage meter reset or obtain other products or services that Neopost USA Inc. is authorized to provide, Neopost USA Inc. will notify Us of the amount to be applied to Your Account balance. If the Account is used to obtain postage, then We will transfer the requested amount of postage to the USPS on Your behalf and Your Account will be charged for the amount of postage requested and any related fees, if applicable. You can continue to pre-pay the USPS for postage and understand that pre-paid postage funds will be used first to pay for my postage meter resets. You further understand that NeoFunds/TotalFunds will provide additional available postage funds when Your pre-paid account balance is zero (\$0). When You request a postage meter reset, if You have the funds on account with the USPS, those funds automatically will be withdrawn first to pay for postage, and any additional amounts due for postage and related fees will be billed through the NeoFunds/TotalFunds Account under the terms and conditions of this Account Agreement. If the Account is used to acquire products or services that Neopost USA is authorized to provide, then We shall pay the applicable amount to Neopost USA Inc. and add such amount to Your Account balance.

4. Payment Terms. You will receive a billing statement for each billing cycle in which You have any activity on Your Account. Payments are due on the due date shown on Your billing statement. You may pay the entire balance due or a portion of the balance, provided that You pay at least the minimum payment amount shown on Your statement. However, if You have exceeded the Account Limit, then You must pay the entire amount of any overage, as well as the minimum payment amount shown on Your statement. Whenever there is an unpaid balance outstanding on Your Account which is not paid in full by the due date shown on Your billing statement, We will charge You, and You agree to pay, interest on the unpaid balance of the Account for each day from the date the transaction is posted to Your Account until the date the unpaid balance is paid in full, at the Annual Percentage Rate (as defined below). The Account balance that is subject to a finance charge each day will include outstanding balances, minus any payments and credits received by Us on Your Account that day. The Annual Percentage Rate applicable to Your Account will be equal to the lesser of eighteen percent (18.00%) per annum or the maximum permitted by law. Each payment will be applied to

reduce the outstanding balance of Your Account and replenish the amount available to You. We may refuse to extend further credit if the amount of a requested charge plus Your existing balance exceeds Your Account Limit.

5. Account Limit and Account Fees. You agree that We will establish a credit limit on Your Account (the “Account Limit”). The exact amount of the Account Limit will be indicated on Your invoice. We may, in Our sole discretion, allow Your balance to exceed the Account Limit. In the event We do so, You agree to pay Us an additional fee equal to one percent (1%) of the amount by which the Account Limit is exceeded for each transaction that You initiate after Your Account has reached the Account Limit. Such amount will be charged to Your Account on the date that the relevant transaction(s) occurs. Unless prohibited by applicable law, You agree to pay the amounts set forth in this Account Agreement, which may include, without limitation, the amounts specified above, a fee for a late payment, a fee for any checks that are returned as a result of insufficient funds, a fee for any ACH direct debit transactions which are rejected, and an annual account fee. All such fees shall be added to Your Account balance.

6. Cancellation and Suspension. We may at any time close or suspend Your Account or temporarily refuse to allow further charges to Your Account. You can cancel Your Account at any time by notifying Us in writing at the address provided on Your Account statement of Your desire to do so. No cancellation or suspension will affect Your obligation to pay any amounts You then owe under this Account Agreement. We will notify You of the Account balance in the event of any termination and all outstanding obligations will survive the termination of this Account Agreement by either party.

7. Default. We may declare You in default if You: (i) have made any misrepresentations to Us; (ii) at any time, have done or allowed anything that indicates to Us that You may be unable or unwilling to repay the balance of Your Account as required under this Account Agreement; or (iii) are in default under this Account Agreement or any lease, rental, or other agreement with Us, Neopost USA Inc., or their affiliates. If You are in default, or upon any cancellation of Your Account, We shall not be obligated to continue to provide the Account service or extend further credit under this Account Agreement. If We are required to take collection action or any other legal action under this Account Agreement, You shall pay upon demand by Us all court and collection costs, along with reasonable attorney’s fees. These remedies shall be cumulative and not exclusive, and shall be in addition to any and all other remedies available to Us.

8. Remedies. If We have declared that You are in default under this Account Agreement, then We may: (i) declare all agreements You have with Us in default and due and payable at once without notice or demand; (ii) refuse to make further advances on Your behalf to reset Your postage meter; and (iii) exercise any other rights that We may have. Proposed Motion:

Receive and file the Investment Report for Month Ended February 28, 2107.

Subject/Discussion:

California Government Code Section 53607 and the City of Lemoore's Investment Policy require the submission of a monthly investment report to the City Council. As of February 28, 2017, the City had \$41.8 million (current market value) in cash and investments and in the average weighted yield to maturity on the City's public fund investments was 0.64%. As required by government code, all investments are in conformity with the City's investment policy and sufficient cash flows are available to meet the next six months of estimated expenditures.

The attached Monthly Investment Report presents the investments held by the City of Lemoore as of February 28, 2017. The Investment Report consists of the following two summaries:

- Summary of Cash and Investments – Provides the total portfolio of the City
- Investments at Market Value by Maturity Date – Provides a list of investment by maturity date, an indication of the liquidity of the

investments. The City's investment policy defines what the City can legally invest in under State Law and City policy. These restrictions in investment types and the terms of allowable investments result in limited yields on City Investments.

As of February 28, 2017, the City had \$41,835,466 (current market value) in cash and investments. The investments included CD's (\$5.9 million), US Government Securities (\$4.98 million) and the State Investment Pool (16.07 million). The City's bank accounts held approximately \$15.23 million.

Thirty-eight percent of the City's portfolio is with the State Investment Pool (Local Agency Investment Fund, LAIF) in which the State's Investment experts provide diversified investments in which local agencies can invest. By using the combined size of the participating cities and agencies, the State Pool can provide a better yield, liquidity and investment knowledge than otherwise would be available to a single entity.

Proposed Motion:

Hold a public hearing and approve, by Resolution 2017-06, the required changes to the Program Income Reuse Agreement to adhere to California Department of Housing and Community Development (HCD) new Program Income Reuse Agreement template.

Subject/Discussion:

In July 2014, the State Department of Housing and Community Development (HCD) issued Management Memo Number 14-05 that noticed a revised Program Income Reuse Agreement fill-in template that must be completed, and adopted, by all jurisdictions. The City of Lemoore Program Income Reuse Plan was last revised December 19, 2006.

Under the Community Development Block Grant (CDBG) Program, there are specific rules and requirements associated with the management and use of Program Income (PI) received by grantees and their sub-recipients. PI constitutes federal CDBG funds, and as with CDBG grant funds, PI must be used for CDBG Eligible Activities that meet a National Objective and eligible activity. PI is also subject to the same compliance measures, statutes and regulations as CDBG grant funds. If PI funds are to be less than \$35,000 per fiscal year, and the City has advised HCD at the beginning of the fiscal

year of the intent to exercise the \$35,000 Rule, PI funds may be “re-categorized” as non-CDBG funds. These “re-categorized” funds cannot be expended until the fiscal year ends.

To maintain federal compliance specified in Section 104(j) of the Housing and Community Development Act, and pursuant to 24 CFR 570.489(e)(2), the State Department of Housing and Community Development (HCD) requires that the City of Lemoore revise the CDBG PI process which governs the distribution of income generated from the use of CDBG funds.

Currently the City of Lemoore has one open CDBG contract with HCD. This contract is 14-CDBG-9884 for the rehabilitation of the Senior Center.

PI funds as of February 28, 2017 are \$0.

Financial Consideration(s):

There are no costs associated with this agenda item that would impact the General Fund.

Alternatives or Pros/Cons:

None are proposed.

Commission/Board Recommendation:

Not applicable.

Staff Recommendation:

Staff recommends that the City Council hold a public hearing, have the audience sign the CDBG sign-in sheet, approve Resolution 2017-06 to adopt the CDBG Program Income Reuse Agreement as written, and forward to the State for final approval.

COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM
(CDBG)
PROGRAM INCOME (PI) REUSE AGREEMENT

Execution of the this Program Income (PI) Reuse Agreement by both the Jurisdiction and the California, State Department of Housing and Community Development (Department) provides official notification of the Department's approval for the Jurisdiction to expend PI funds under the State's administration of the Federal Community Development Block Grant Program (CDBG) for (1) State Non-Entitlement Jurisdictions; and (2) former State Non-Entitlement Jurisdictions that are now Entitlement Jurisdictions; pursuant to the provisions of 42 U.S. Code (U.S.C.) 5301 et seq., 24 Code of Federal Regulations (CFR) Part 570, Subpart I, and 25 California Code of Regulations (CCR), Sections 7050 et seq. CDBG funding is listed in the Catalog of Federal Domestic Assistance as 14.228 - CDBG Community Development Block Grant Program. The Agreement also includes asset repayments from activities administered under Disaster Recovery Initiative (DRI) contracts.

By completing this PI Reuse Agreement and signing the end of this document, the Authorized Representative certifies the Jurisdiction has read, understands and will adhere to the PI Reuse Overview and Process discussed in the first section of this document, the Jurisdictional Certifications in the second section of this document, and Department of Housing and Community Development (hereinafter Department) terms and conditions in the third section of this document.

SECTION ONE: OVERVIEW AND PROCESS

JURISDICTION: _____

GOVERNING BODY ADOPTED ON: _____

This PI Reuse Agreement establishes policies and procedures for the administration and utilization of PI received as a direct result of eligible activities funded under CDBG and DRI contracts with the Department. *For payments generated under DRI contracts, while the funding was loaned under DRI, when a payment is received, per DRI regulation, the payment becomes CDBG PI.*

Applicability of this Agreement:

This PI Reuse Agreement between the Jurisdiction and Department is required by CDBG Federal Regulation. This Agreement allows Jurisdictions receiving repayments from CDBG and DRI assets to spend those PI funds in the absence of an active Department CDBG grant contract. This Agreement applies to all current Department-eligible Non-Entitlement Jurisdictions and HUD Entitlement Jurisdictions that are receiving Department Non-Entitlement PI funds (CDBG and DRI).

RECEIPT OF PROGRAM INCOME

Pursuant to the definition of PI found at 24 CFR 570.489(e)(2), repayments of assets generated from use of CDBG funds received by the Jurisdiction from the Department are PI. These repayments of loans, lease payments, and proceeds of asset sales will be deposited into one of three separate local PI accounts depending on what activity generated the PI. It is possible that the Jurisdiction may have up to three separate accounts with which to manage PI.

1. If the Jurisdiction has a Department approved Revolving Loan Fund (RLF) for Housing and/or Economic Development (ED), any PI from Housing or ED activities must be deposited into the RLF associated with the activity that generated the PI.

This means:

- a. Housing PI must be deposited into the Housing RLF.
- b. ED PI must be deposited into the ED RLF.

Note: *The accounts for each RLF must be separate accounts, however, both must be interest bearing.*

2. If RLF(s) are not approved for use, the Jurisdiction must deposit all CDBG repayments into a single regular PI account which must be separate from either of the RLF accounts, but it must also be interest bearing.
3. If repayment comes from a loan or asset that was originally paid with CDBG and non-CDBG funds, the PI accounting and reporting must reflect the correct amounts and proportions of CDBG PI and non-CDBG funds invested in the asset. Only the CDBG portion of the repayment is deposited into one of the three PI accounts.

OVERVIEW OF WAYS TO USE PROGRAM INCOME

There are five (5) ways to manage PI under the Agreement. They are:

1. *Expend PI and RLF monies first on active grant contract activities;*
2. *Expend PI for General Administration (GA) Activities (up to allowable limits);*
3. *Expend through an approved PI Revolving Loan Fund (RLF);*
4. *Expend PI on an approved waiver activity when no active contract is in force; and,*
5. *Return PI annually to the Department.*

The undersigned Jurisdiction certifies that PI will be expended first when there is an active grant contract with the Department. PI being received when there is no active grant contract will be deposited into separate accounts for approved activities under this Agreement (via GA, PI Waiver or RLF) and only be distributed and expended, as follows:

1. Expend PI and RLF Monies First on Active Grant Contract Activities:

If the undersigned Jurisdiction has an active grant contract with the Department, all PI on hand must be expended on open grant activities, prior to requesting grant funds from the Department.

If the undersigned Jurisdiction has a Department approved PI Revolving Loan

Fund (RLF) per this Agreement, and has an active grant contract which includes the same eligible CDBG activity as the RLF, the RLF monies must be expended first before requesting any contract funds from the Department. PI must always be expended first on active contract activities, prior to requesting grant contract funds.

See the Chapter on Program Income and Revolving Loan Funds in the Department's CDBG Grant Management Manual (GMM) for additional information regarding use of PI to pay costs for activities under an active grant contract in the Department.

2. **Expend PI General Administration (PI GA) for GA Activities (up to allowable limits)**

The undersigned Jurisdiction must track a calculation of up to seventeen percent (17%) of PI received annually for eligible GA costs. However, the seventeen percent (17%) PI GA only applies to PI received that is **not** generated by a RLF activity.

PI, including PI GA, must be expended first, prior to requesting funds from the Department under an active grant contract. PI GA funds cannot be held and used only as PI GA costs are incurred. All PI must be spent prior to the next funds request submitted. The Jurisdiction can choose to keep an accounting of the total amount of PI GA available for use based on all regular PI received and report this on Department PI Reports semi-annually.

PI GA funds cannot be used for planning studies or technical assistance activities, these activities can only be funded under awarded grant contracts. See the PI Chapter for further details on eligible PI GA activities under this Agreement.

3. **Expend PI through an approved PI Revolving Loan Fund (RLF):**

To establish one or both of the RLFs discussed below, the undersigned Jurisdiction must submit formal written request for Department approval using the required process included with this Agreement.

The undersigned Jurisdiction agrees to all the Department's RLF requirements as stated in this Agreement and detailed in the GMM Chapter.

The two RLFs and their corresponding definitions, as permitted by this Agreement, are:

A. Housing Revolving Loan Fund (RLF)

Eligible housing activities under this RLF include:

- I. Housing Rehabilitation (HR) - Single Unit Residence program for **owner and/or tenant occupied** properties. Matrix code **14A**.
- II. Housing Rehabilitation (HR) - 2-4 Units program for **tenant occupied**

properties. Matrix code **14B**.

- III. Housing Acquisition (HA) - Single-family program for homebuyer assistance. Matrix code **13**.

B. Economic Development (ED) Revolving Loan Funds (RLF)

Eligible ED activities under this RLF include:

- I. Business Assistance (BA) program (direct financial assistance to a for-profit business). Matrix code **18A**; and,
- II. Microenterprise Financial Assistance (ME Loans) program. Matrix code **18C**.

The undersigned Jurisdiction will ensure that their programs have appropriate and up-to-date Guidelines and will administer the programs according to CDBG Regulations and policies and procedures. Per the above activities Grant Management Manual Chapters, Program Guidelines must comply with those rules. **Note:** *CDBG is now requiring that Housing Rehabilitation Guidelines (1-4 Units) be separated into two guidelines: Owner-Occupied (1-unit) and Tenant-Occupied (1-4 Units). At minimum the Housing Rehabilitation Guidelines must be separate by two sections.*

Department written approval must be received before incurring any activity or activity delivery costs associated with implementing any activities under the approved RLF. All approved RLF projects, will be required to be reported to the Department via the applicable CDBG Set-up/Completion reports.

4. Expend PI on an Approved PI Waiver Activity when no active contract is in force.

The undersigned Jurisdiction may only utilize the Department's PI Waiver process when it has no active grant contracts with the Department. Once there are no active contracts with the Department, the undersigned Jurisdiction can have up to two active eligible CDBG activities approved by the Department, for which PI may be expended. Waivers will consist of a single program, service or single project activity. If it is a single program activity, it cannot be the same program activity as funded under an approved RLF.

The undersigned Jurisdiction will follow all PI Waiver procedural requirements as stated in the PI Chapter of the GMM.

Written Department approval is required before expending any PI funds on a Waiver activity. Each Waiver activity must clear the activity General Conditions, and any Special Conditions, which include Federal overlays as posted on Department's webpage.

A PI Waiver project can only be approved if the total project / program cost for the proposed activity is on hand in the Jurisdiction's PI account. Future PI may not be committed for PI Waivers.

The undersigned Jurisdiction understands that PI Waiver activities are limited to two active projects, services and/or programs, and will remain active until close out has been completed and approved by the Department. Each approved Waiver activity will be set up with the Department using current Set-Up Report.

The undersigned Jurisdiction understands if they receive a subsequent award of CDBG funds, upon execution of the new grant contract all waiver activities are to be completed first, after which, PI must be expended first on the active grant contract activities. PI Waivers will not be included in the grant, because Supplemental activities will be included in contracts.

5. Return PI to the Department

The undersigned Jurisdiction has the option to return PI back to the Department. However, semi-annual and annual reports are still required to confirm PI being returned.

Intentionally left blank,
please continue to the next page.

SECTION TWO: PROCEDURES AND USE OF PROGRAM INCOME

Since CDBG is a Federal funding source, Citizen Participation is required when utilizing any of the five (5) ways to use PI listed above. Those requirements are incorporated below.

The _____ certifies that:

1. **Resolution:**

The PI Reuse Agreement was formally adopted via resolution on _____ by the Jurisdiction's Governing Body, executed by the Authorized Representative and submitted to the Department with certified copy of the approving resolution attached for full execution.

2. **Citizen Participation:**

Each of the processes discussed in this Agreement will be carried out in compliance with the CDBG Citizen Participation process, as specified in Federal Regulations at 24 CFR 570.486, and Jurisdiction's public hearing requirements.

3. **Governing Compliance:**

The undersigned Jurisdiction certifies the administration of all CDBG eligible activities conducted under the above described Ways to Spend PI, will be conducted in compliance with all current State and Federal Regulations and policies, including all applicable GMM chapters and Department Management Memorandums.

4. **Ineligible Activities and Costs:**

The undersigned Jurisdiction acknowledges that if ineligible activities or costs are paid for with CDBG PI, those funds must be returned to the Jurisdiction's PI or RLF account (whichever account expended ineligible funds) using local Jurisdiction funds.

The undersigned Jurisdiction acknowledges that ineligible activities or costs paid for with PI under an active grant contract must be repaid to the Department using local non-Federal funds.

5. **Jurisdictions Leaving the State Non-Entitlement Program and Jurisdictions Entering the State Non-Entitlement Program:**

The undersigned Jurisdiction certifies that it will follow these procedures when leaving or entering the State CDBG Program:

A. 24 CFR 570.489(e)(3)(iii) Transfer of program income to Entitlement program.

Jurisdictions that were State CDBG Program participants but become entitlement communities or part of an urban agreement, have the following options for PI and RLFs:

PI not associated with a RLF, the jurisdiction must:

- 1) Complete the process to certify they will be reporting the State PI into the Entitlement Programs process, including receipting the CDBG proceeds into IDIS; or,
- 2) Return all State CDBG PI to the Department, the amounts on hand once the HUD agreement is signed and as it is received until all PI generated by State CDBG funding has been returned.

PI in an approved RLF:

Entitlement jurisdictions and those who are part of an urban agreement may keep their RLF(s) and monies within an RLF as long as the following is met:

- 1) They have a State PI Reuse Agreement signed by the Department and the City/County Authorized Representative.
- 2) Agree to operate the RLF under the Department's RLF rules going forward.
- 3) Report all expenditures and accounting of RLF(s), as required by the Department.
- 4) The Jurisdiction shall be required to have: a) loan servicing policies and procedures; and, b) asset management policies and procedures, pursuant to the Department's Grant Management Manual Chapter on Asset and Real Property Management.

B. 24 CFR 570.489(e)(3) (iv) Transfer of program income of grantees losing Entitlement status.

Upon entry into the State CDBG Program, a unit of general local government that has lost or relinquished its Entitlement status must submit a letter to the Department, signed by the Authorized Representative stating which of the following options the jurisdiction will be implementing. Keep in mind, that retaining Entitlement PI while participating in the State CDBG Program will require PI reporting for both sets of funding. Entitlement PI and any PI generated by State CDBG fund cannot be comingled.

Within 90 days of leaving the Entitlement Program to join the State CDBG

Program, the jurisdiction must certify that it will either:

- 1) Retain PI generated under Entitlement grants and continue to comply with Entitlement Program requirements for PI, including reporting it into IDIS or the urban county; or,
- 2) Retain the PI and transfer it to the State CDBG Program, in which case the jurisdiction must comply with the State's rules for PI and RLF contained in this Agreement and current PI Chapter in the Department's CDBG Grant Management Manual.

6. Requirements of Program Income

This PI Reuse Agreement is intended to satisfy the requirements specified in Federal Statute and Regulation at Section 104(j) of the Housing and Community Development Act ("the Act"), as amended in 1992 and 24 CFR 570.489(e) and (f). These statutory and regulatory sections permit a unit of local government to retain PI for CDBG-eligible activities, with Department approval. Under Federal Guidelines adopted by the State of California's CDBG Program, local governments are permitted to retain PI as long as the local government has received advance approval from the State of a local agreement that will govern the expenditure of the PI. This Agreement has been developed to meet that requirement when an active contract between the Department and the undersigned Jurisdiction is not in force.

The undersigned Jurisdiction certifies their PI will be used to fund eligible CDBG activities that meet a National Objective and any public benefit requirements. Eligible activities, National Objective and public benefit requirements are specified in Federal Statute at Sections 104(b), 105(a) of The Housing and Community Development Act of 1974, and in Federal Regulations at 24 CFR 570.482 and 24 CFR 570.483. The Jurisdiction understands, if it is determined that an activity/project funded with PI that does not meet a National Objective and/or meet the public benefit requirement, the Jurisdiction will be required to use its own local funds to repay the PI Account.

7. Definition of Program Income

"Program Income" means gross income earned by the Jurisdiction from grant-funded activities and is subject to CDBG regulatory requirements pursuant to 24 CFR, Part 570.489(e) - Program Administrative Requirements as amended in the CDBG Final Rule, 24 CFR, Part 570.504 - Program Income, 24 CFR Part 85 – Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments, and OMB Circulars A-87 and A-122 as applicable. These regulations include the requirement that the Jurisdiction record the receipt and expenditure of PI as part of the financial transactions of the grant activity(ies).

For activities generating PI that are only partially funded with CDBG funds, such income is prorated to reflect the actual percentage of CDBG participation. Examples of PI include but are not limited to: payments of principal and interest

on housing rehabilitation or business loans made using CDBG funds; interest earned on PI pending its disposition; interest earned on funds that have been placed in a revolving loan account; net proceeds from the disposition by sale or long-term lease of real property purchased or improved with CDBG funds; and, income (net of costs that are incidental to the generation of the income) from the use or rental of real property that has been acquired, constructed or improved with CDBG funds and that is owned (in whole or in part) by the participating Jurisdiction or Subrecipient.

8. Fiscal Reporting of Program Income Receipts, Deposits and Disbursements

The undersigned Jurisdiction certifies that CDBG PI will be accounted for using the Department's fiscal year timeframe (July 1 to June 30). All receipts of PI or RLF revenue (and the depositing of those funds into separate account(s)), and expenditures of PI in accordance with this PI Reuse Agreement, will be monitored and reported per the Department's fiscal year cycle. The undersigned Jurisdiction certifies that they will report using the Department's reports/forms and will submit them in a timely manner.

9. Duration of This Program Income Reuse Agreement

The undersigned Jurisdiction certifies that it and its Governing Body understand that this document is effective for five (5) years from the execution date by the authorized CDBG Representative listed in this Agreement. At that time unless here are no further CDBG PI assets generating repayments, or the Jurisdiction has become a HUD entitlement Jurisdiction and uses these funds for entitlement activities, a new PI Reuse Agreement will be submitted to the Department. The Department has the Authority to void the Agreement with notice for cause.

10. Program Income General Administration (PI GA)

- A. After the PI Reuse Agreement is executed, the Jurisdiction reserves the right to calculate and track up to seventeen percent (17%) of PI received pursuant to Section 1, item 2 above, for payment of eligible PI GA costs. PI GA will not be calculated for any RLF deposits. As noted above, these funds cannot be set aside since all PI must be expended first on whatever CDBG cost must be paid, however tracking the amount of PI GA generated by the Jurisdiction's PI revenue permits the Jurisdiction to use that amount on eligible CDBG costs that don't have to meet a National Objective, and ensures the Department is not exceeding the administrative funding cap of twenty percent (20%), as set by Federal statute.
- B. If more funds are expended than what is available under PI GA calculation, the Jurisdiction will be required to return the over-expended PI GA amount back into their PI Account.
- C. Ineligible PI GA costs will be required to be returned to their PI Account.
- D. PI GA funds, once approved for use, may be used to pay for costs

associated with receiving Department approval of PI activities funded under this Agreement. Before submitting any proposed PI activities (Waivers or RLF) for Department approval, the Jurisdiction must hold at least one formal public hearing to discuss eligible activities and proposed PI activities. Department recommends that this public hearing be conducted to review current fiscal year PI activities and proposed and possible activities for future Department applications.

11. Revolving Loan Funds (RLFs)

- A. Pursuant to the criteria noted below, the undersigned Jurisdiction may be eligible to request Department approval of the Housing RLF and/or the ED RLF.
- B. RLFs listed under the Agreement will only be utilized after the Jurisdiction submits written certification and receives written Departmental approval certifying that the proposed RLF meets the Department's definition as follows:
 - 1) There are existing loans and assets from past RLF eligible activities that can be reasonably expected to generate repayments.
 - 2) The existing loans and assets have generated at least one loan repayment in the current fiscal year.
- C. The two RLFs and their respective CDBG eligible activities listed in this Agreement will be administered under the guidance and requirements provided in this Agreement and in the Department's current GMM Chapter on PI, and any subsequent policy, regulation, or statutory guidance from the Department.
- D. Pursuant to Management Memorandum 14-05 and/or the current PI Chapter in the GMM, the undersigned Jurisdiction certifies acknowledgement that the Department reserves the right to cancel the grantee's RLF and require the funds to be returned to the Department as a corrective action for significant, ongoing non-compliance with RLF rules.
- E. The two (2) RLFs listed below each have a multiple eligible CDBG Program activities. All CDBG rules pertaining to eligible RLF Program activities, including Department written approval for establishing, will be followed.

1) Housing Revolving Loan Fund

Eligible housing activities under this RLF include:

- i. Housing Rehabilitation (HR) - Single Unit Residence program for owner and/or tenant occupied properties. Matrix code **14A**.
- ii. Housing Rehabilitation (HR) - 2-4 Units program for owner and/or tenant occupied properties. Matrix code **14B**.
- iii. Housing Acquisition (HA) - Single-family program for homebuyer assistance. Matrix code **13**.

2) Economic Development (ED) Revolving Loan Funds (RLF)

Eligible ED activities under this RLF include:

- i. Business Assistance (BA) program (direct financial assistance to a for-profit business). Matrix code **18A**.
 - ii. Microenterprise Financial Assistance (ME Loans) program. Matrix code **18C**.
- F. Each approved RLF will offer all eligible activities under the RLF definition.
- G. Separate and formally adopted City/County Program Guidelines for each eligible activity must be completed by the Jurisdiction before requesting Department approval of a RLF. Program Guidelines and their approval date will be reviewed at monitoring.
- H. The undersigned Jurisdiction acknowledges that although all eligible activities under each approved RLF must be available, the Jurisdiction has the discretion to fund RLF loans for the activity or activities they deem to address the greatest need in their community.
- I. RLF receipts on deposit may be used for one or both single-family housing program activities. Although each Housing activity is required to be approved by the Department for use under the RLF, the Jurisdiction may choose to only operate one activity at a time or all three simultaneously.
- J. In addition, each approved RLF will meet the following criteria:
- 1) RLFs will operate on a fiscal year of July 1 to June 30 for accounting and performance reporting.
 - 2) Jurisdictions will set up RLFs as separate accounts (Housing and ED RLF accounts must be separate) with separate fund and transaction numbers. All other CDBG funds received as PI must be accounted for in a separate account.
 - 3) All accounts set up pursuant to 2.G.2 will be interest bearing.
 - 4) RLF monies will be expended first when the same RLF activity is funded under an awarded active grant contract.
 - 5) RLF projects may be funded with both RLF monies and an active grant contract.
 - 6) RLFs programs will not provide grants to eligible project activities. Thus, activities under an active contract that are funded using only grants rather than loans will use contract funds not RLF monies to pay for the activity. RLF Program activities that are also funded under an active contract, but limited to only grants to projects, will not require RLF funds to be spent first on the active grant activities.
 - 7) The RLFs will primarily provide financing instruments that will revolve, (i.e., loans), RLFs cannot fund projects primarily or solely with grants or forgivable loans.
 - 8) RLF receipts from loans or assets generated from the same program

activity (i.e., single-family housing rehabilitation loan repayments) will only be deposited into a Housing RLF. Thus, repayments from the same program activities that go into an RLF must be used for originating loans for the same program activities.

- 9) RLF PI balances will not be moved to another approved RLF account or to the Jurisdiction's regular PI account. The Department may use a State or Federal disaster declaration to formally allow for re-purposing of PI funds by the Jurisdiction. Funds approved by the Department for re-purposing to meet an urgent need are considered PI and must be expended first under active grant contracts or under approved waivers, if there is no active contract.
- 10) RLFs that become depleted of funds and do not have additional asset repayments to sustain revolving activities, such that no longer meeting the Department's RLF definition, will be canceled by the Department.
- 11) RLF PI received and deposited is not allowable for PI GA expenses thus, seventeen percent (17%) cannot be set aside as with Jurisdictions with separate PI accounts.
- 12) RLFs with no annual revolving activities (i.e., approved loans) are not able to be used by the Jurisdiction for reimbursement of non-revolving costs; therefore, activity delivery (AD) costs are not eligible. **AD costs are only eligible if one or more projects are funded and accomplishment data (i.e., beneficiaries) for those activity(ies), on an annual basis, are reported.**
- 13) RLF projects must be documented as meeting a National Objective. If a project does not meet a National Objective, then all expenses associated with the project (activity and activity delivery funds) must be repaid to the RLF with non-Federal funds.
- 14) Given that RLF revenue cannot be "banked" to remain eligible, a RLF must revolve. To meet the definition of revolving, the undersigned Jurisdiction will not have more than \$100,000 on deposit in an RLF within a fiscal year without making at least one loan. Nor will the undersigned Jurisdiction have more than \$500,000 on hand even if making loans each fiscal year.
- 15) The undersigned Jurisdiction certifies they are aware that the Department will address excess funds and revolving compliance by issuing finding letters to the grantee which could result in the Department cancelling the grantee's RLF, which immediately converts the funds to PI; and, therefore, must be used prior to drawing down grant funds.
- 16) RLF activity delivery funds (AD) may be used to pay for loan servicing costs.
- 17) Loan servicing costs under the RLFs are not eligible as PI GA costs, but are eligible AD costs. As such, loan servicing costs are only eligible if one or more loans are made in a fiscal year.
- 18) Citizens of the Jurisdiction must be the primary beneficiaries of all RLF

Program activities.

- 19) Financial and performance reporting on RLF projects will be done using current CDBG eligible activity Set Up and Completion Report forms, which will collect National Objective data and beneficiary demographics, as HUD required accomplishment information.
- 20) Additional financial reports for RLF PI deposits and expenditures will be done twice a year using the Department's current PI fiscal reporting forms.
- 21) The Jurisdiction will be required to repay the RLF account for ineligible costs or activities with local non-Federal funds.
- 22) Housing RLF Programs will meet the CDBG National Objective of benefit to Low/Moderate-income (Low/Mod) households, per 24 CFR Part 5 and in accordance with the Department's Income Manual.

K. Activity Specific Requirements:

1) Housing RLF:

- a. All Housing Rehabilitation and Homeownership Assistance Programs will only fund projects that meet a National Objective and comply with other State and Federal requirements, including Department Management Memorandums and GMM Chapters on Housing Rehabilitation, Multi-Family Rehabilitation (2-4 units) and Homeownership Assistance Activities.
- b. No more than nineteen percent (19%) of funds expended for **Housing Rehabilitation** in the RLF will be used for AD costs on an annual fiscal basis.
- c. No more than eight percent (8%) of funds expended in a fiscal year for **Homeownership Assistance** will be used to reimburse eligible AD costs.
- d. AD costs are not eligible until one loan is approved, closed and project beneficiary information is submitted.
- e. Projects cannot be provided grants.

2) ED RLF:

- a. Both ED Programs will only fund projects that meet a National Objective and comply with other State and Federal requirements, including Department Management Memorandums and GMM Chapters on **ME Loans** and **BA** Activities.
- b. For **ME Loans**, income eligibility must be met per 24 CFR Part 5 and in accordance with the Department's Income Manual. For **BA**, income eligibility is done based on meeting National Objective standard of providing jobs to Low/Mod income persons or area benefit for goods or services.
- c. No more than 15 percent (15%) of the total funds expended for **BA** or **ME Loans** activities shall be used to reimburse Jurisdiction for

eligible activity delivery (AD) costs on an annual fiscal basis.

- d. Annual AD costs are not eligible until one loan is approved, closed and project beneficiary information is submitted.
- e. For **BA**, local review and underwriting of business assistance projects requesting a CDBG loan under this RLF shall be conducted under the BA Program Guidelines that have been adopted by the Governing Body of the undersigned Jurisdiction.
- f. For ME Loans, the CDBG eligible activity of direct financial assistance to eligible microenterprise businesses will be conducted under this RLF. Local review and approval of microenterprise financial assistance projects requesting a CDBG loan under this RLF shall be conducted under the undersigned Jurisdiction's ME Loan Program Guidelines that have been adopted by the Governing Body. **Note:** *This subsection applies to Microenterprise loans only, not ME grants. Financial Assistance that is solely a grant cannot be made through an RLF.*

12. **Loan Portfolio and Asset Management Policies and Costs**

- A. The undersigned Jurisdiction certifies that it has asset management policies and loan portfolio servicing policies that are in compliance with HUD standards per 24 CFR Part 570, OMB Circulars A-87, A-122, A-133 and 24 CFR Part 85.
- B. The use of CDBG funds creates public financial assets. The public financial assets created can be in the form of loans or other repayment instruments which result in PI. Financial assets may also be in the form of real property or chattel (equipment and fixtures). All assets created from the use of CDBG funds must be administered in compliance with OMB Circulars A-87, A-122, A-133, 24 CFR Part 85. These policies will be used for managing all CDBG assets, including those which generate PI and RLF PI.
- C. General Administration PI funds may be used to reimburse the Jurisdiction for loan servicing and asset management costs. If the Jurisdiction has no PI GA available, GA funds from active grant contracts may be used to pay for eligible loan servicing costs.

13. **Program Income Waivers**

- A. The PI Waiver Submission Process will only be conducted when the undersigned Jurisdiction has no active grant contract(s) with the Department.
- B. The process below will be followed if a PI Waiver is to be requested:
 - 1) All PI Waiver requests will be submitted on approved Departmental forms for the Department's written approval.
 - 2) After the Department's review of the activity for eligibility and National

Objective compliance, the PI Waiver will be formally adopted via public hearing and resolution of the Jurisdiction's Governing Body, as part of the PI Waiver General (and Special Conditions if applicable) Clearance process.

- 3) Expenditure of PI Waiver funds will not commence until clearance of all required General and Special Conditions have been met and written Departmental approval has been issued to the Jurisdiction.
 - 4) Possible Waiver activities will be discussed at a properly noticed public hearing, held in front of the Jurisdiction's Governing Body, prior to submission of a Certified Resolution, as part of a PI Waiver Request to the Department.
 - 5) The PI Waiver request must be submitted in accordance with current Department policy, and any subsequent policy, regulation or statutory guidance.
 - 6) PI Waiver activity reporting will be submitted per current Departmental policies and includes financial accounting of all PI received and expended, including PI Waivers and PI Waiver activity performance.
 - 7) PI Waiver activities must be fully funded with PI already on hand.
 - 8) Only two (2) PI Waivers may be open and active at any one time.
 - 9) RLF funds will not be used for PI Waivers, since RLF monies must be expended on the activity that generated the payments.
 - 10) PI Waivers will not be approved for the same program activities for approved RLFs.
- C. PI GA and PI Waiver financial and performance reporting will be done using current CDBG eligible activity Set Up and Completion Reports forms, which will collect National Objective data and beneficiary demographics for HUD required accomplishment information.
- D. Additional financial reports for PI GA, PI Waivers, PI deposits and expenditures will be done semi-annually using the Department's current PI fiscal reporting forms.
- E. Ineligible costs will be required to be repaid to the PI Account. In some cases with ongoing significant compliance issues, the Department reserves the right to require the jurisdiction return all PI to the Department until it is satisfied that the jurisdiction has resolved all compliance issues.

14. Program Income Not Associated with an RLF

- A. Provided the undersigned Jurisdiction has made the Department aware at the beginning of the fiscal year they intend to exercise the \$35,000 Rule, PI which is received annually that has a cumulative amount up to \$35,000 (RLF receipts are not included in the \$35,000 Rule calculation) may be "re-categorized" as non-CDBG funds. In electing to exercise the \$35,000 Rule, the Jurisdiction agrees not to expend CDBG revenue until either the fiscal year ends or the amount received goes above \$35,000, at which point the

jurisdiction must consider the revenue as CDBG PI and must use it, first prior to drawing CDBG contract funds.

- B. The undersigned Jurisdiction certifies that it acknowledges, if it has PI on hand and has not applied for or been awarded CDBG funds within the past three NOFAs, the Jurisdiction will be required to submit a PI Expenditure Plan for its PI on hand. The plan must be submitted via the CDBG PI Waiver process. If the Jurisdiction does not initiate the request, the Department will send the Jurisdiction a letter requiring submission of the plan within a set time frame. If the Jurisdiction does not respond to the Department's letter, the Jurisdiction will be required to return all PI on hand to the Department, regardless of the amount of PI.

Any changes made to the PI Reuse Agreement after this Agreement is accepted must receive prior written approval from the Department.

2. Distribution for Reuse of PI

A. The Jurisdiction shall perform PI funded activities as described in the Distribution for Reuse in the PI Reuse Agreement. All written materials or alterations submitted as addenda to the original PI Reuse Agreement and which are approved in writing by the Department are hereby incorporated as part of the PI Reuse Agreement.

The Department reserves the right to require the Jurisdiction to modify any or all parts of the PI Reuse Agreement in order to comply with CDBG requirements. The Department reserves the right to review and approve all work to be performed by the Jurisdiction in relation to this Agreement. Any proposed revision to the work must be submitted in writing for review and approval by the Department and may require an amendment to this Agreement. Approval shall not be presumed unless such approval is made in writing by the Department.

B. All PI funded activities must be approved by the Department prior to implementation or incurring activity costs (clear the activity General and any Special Conditions, which include Federal overlays, as posted on Department's webpage). All eligible activities shall principally benefit Low/Mod-income persons or households or businesses residing in the

Jurisdiction. HUD defines Low/Mod as having an annual income that is no more than 80 percent (80%) of the county median area income, adjusted for household size.

3. Sufficiency of Funds and Termination

The Department may terminate this Agreement at any time for cause. The Jurisdiction will have at least 14 days upon receipt of the Department's written notice. Termination shall consist of violations of any terms and/or conditions of this Agreement, upon the request of HUD, or withdrawal of the Department's expenditure authority.

The Department reserves the right, for any significant on-going non-compliance with RLF or PI rules, to cancel any RLF and require all RLF and PI funds to be returned to the Department.

4. Meeting National Objectives

All activities performed under this Agreement must meet one of the National Objectives determined by the HUD CDBG statutes and regulations. Use the CDBG National Objective Matrix to determine the correct standard for each activity conducted under this Agreement. National Objectives are authorized under Title I of the Housing and Community Development Act of 1974, as amended.

- A. **Benefit to HUD defined Low/Mod-income person or household (LMI).**
The term Low/Mod-income is defined under CDBG as no more than 80 percent (80%) of the median area income, as determined by HUD, per Federal Regulation 24 CFR, Part 570.483(b); and/or,
- B. **Prevention or elimination of slums or blight** when activity qualifies per Federal Regulation 24 CFR, Part 570.483(c). Jurisdictions may only use this National Objective after submitting a written request to the Department and receiving written authorization; or,
- C. Jurisdictions may use the National Objective of Urgent Need, per Federal Regulation 24 CFR, Part 570.483(d), if a formal written request is made to the Department and the request is authorized in writing.

5. Inspections of Activities

- A. The Department reserves the right to inspect any activity(ies) performed hereunder to verify that the activity(ies) is in accordance with the applicable Federal, State and/or local requirements and this Agreement.
- B. The Jurisdiction shall inspect any activity performed by contractors and subrecipients hereunder to ensure that the activity(ies) is in accordance with the applicable Federal, State and/or local requirements and this Agreement.

The Jurisdiction agrees to require that all activity(ies) found by such inspections not to conform to the applicable requirements be corrected, and to withhold payment to its contractor or subcontractor (respectively), or subrecipient, until it is so corrected.

6. Insurance

The Jurisdiction shall have and maintain in full force and effect during the term of this Agreement such forms of insurance, at such levels as may be determined by the Jurisdiction and the Department to be necessary for specific components of the activity(ies) described in this Agreement.

7. Contractors and Subrecipients

A. The Jurisdiction shall not enter into any agreement, written or oral, with any contractor or subrecipient without the prior determination that the contractor or subrecipient is eligible to receive CDBG funds and is not listed on the Federal Consolidated List of Debarred, Suspended and Ineligible Contractors.

- 1) Contractors are defined as program operators or construction contractors who are procured competitively.
- 2) Subrecipients are defined as public or private non-profit agencies or organizations and certain (limited) private for-profit entities who receive CDBG funds from an awarded Jurisdiction to undertake eligible activities.

B. An agreement between the Jurisdiction and any contractor or subrecipient shall require:

- 1) Compliance with the applicable State and Federal requirements of this Agreement, which pertain to, among other things, labor standards, non-discrimination, Americans with Disabilities Act, Equal Employment Opportunity, and Drug-Free Workplace; and, Compliance with the applicable provisions relating to Labor Standards/Prevailing Wages. In addition to these requirements, all contractors and subcontractors shall comply with the applicable provisions of the California Labor Code.
- 2) Maintenance of, at minimum, the State-required Workers' Compensation Insurance for those employees who will perform the activity(ies) or any part of it.
- 3) Maintenance of, if so required by law, unemployment insurance, disability insurance and liability insurance, which is reasonable to compensate any person, firm or corporation, who may be injured or

damaged by the contractor, or any subcontractor in performing the activity(ies) or any part of it.

C. Contractors shall:

- 1) Perform the activity(ies) in accordance with Federal, State and local housing and building codes, as are applicable.

D. Subrecipients shall:

- 1) Retain all books, records, accounts, documentation, and all other materials relevant to this Agreement for a period of five (5) years from date of termination of this Agreement, or five (5) years from the conclusion or resolution of any and all audits or litigation relevant to this Agreement, and any amendments, whichever is later.
- 2) Permit the State, Federal government, the Bureau of State Audits, the Department and/or their representatives, upon reasonable notice, unrestricted access to any or all books, records, accounts, documentation and all other materials relevant to the agreement for the purpose of monitoring, auditing or otherwise examining said materials.

8. Obligations of the Jurisdiction with Respect to Certain Third Party Relationships

The Jurisdiction shall remain fully obligated under the provisions of this Agreement notwithstanding its designation of any third party or parties for the undertaking of all or any part of the Activities funded under this Agreement with respect to which assistance is being provided under this Agreement to the Jurisdiction. Jurisdiction is responsible to oversee any third party contractors or subrecipients and monitor their work for CDBG compliance.

The Jurisdiction shall comply with all lawful requirements of the Department necessary to ensure that the Program, with respect to which assistance is being provided under this Agreement to the Jurisdiction, is carried out in accordance with the Department's Assurance and Certifications, including those with respect to the assumption of environmental responsibilities of the Department under Section 104(g) of the Housing and Community Development Act of 1974.

9. Periodic Reporting Requirements

During the term of this Agreement, the Jurisdiction must submit the following reports by the dates identified, respectively, or as otherwise required at the discretion of the Department. The Jurisdiction's performance under this Agreement will be based, in part, on whether it has submitted the reports on a timely basis.

- A. Semi-Annual PI Expenditure/Performance Report: Submit by January 31 and July 31 of each year regardless of whether or not the Jurisdiction has any unexpended PI. PI Waivers or open Grants with no accomplishments are not excluded to the reporting requirement.
- B. Annual Federal Overlay Reporting: Submit by July 31 starting from the contract effective date to subsequent June 30, and for each State Fiscal Year. Annual Reporting includes but is not limited to: Section 3 and Minority Owned Business/Women Owned Business (MBE/WBE).

- D. Set-Up and Completion Reports for each eligible activity as posted on the Department's webpage.
- E. Any other reports that may be required as a General/Special Condition of this Agreement.

10. Monitoring Requirements

The Department shall perform a program and/or fiscal monitoring of the activity(ies). The Jurisdiction shall be required to resolve any monitoring findings to the Department's satisfaction by the deadlines set by the Department. If findings are not adequately resolved in a timely manner, the Department may deduct points from the Jurisdiction's performance score on future applications.

Additionally, the Department reserve the right to suspend a Jurisdiction's authority to expend PI (Waiver, RLF and/or PI attached to an open grant) based on significant compliance issues, reporting concerns or serious lack of cooperation in clearing PI monitoring findings.

11. Signs

If the Jurisdiction places signs stating that the Department is providing financing, it shall indicate in a typeface and size commensurate with the Department's funding portion of the project that the Department is a source of financing through the CDBG Program.

12. Audit/Retention and Inspection of Records

- A. The Jurisdiction must have intact, auditable fiscal records at all times. If the Jurisdiction is found to have missing audit reports from the Office of the State Controller (SCO) during the term of this Agreement, the Jurisdiction will be required to submit an Agreement to the State, with task deadlines, for submitting the audit to the SCO. If the deadlines are not met, the Jurisdiction will be subject to termination of this Agreement and disencumbrance of the funds awarded. The Jurisdiction's audit completion Agreement is subject to prior review and approval by the Department.
- B. The Jurisdiction agrees that the Department or its designee will have the right to review, obtain and copy all records pertaining to performance of this Agreement. The Jurisdiction agrees to provide the Department or its designee with any relevant information requested and shall permit the Department or its designee access to its premises, upon reasonable notice, during normal business hours for the purpose of interviewing employees and inspecting and copying such books, records, accounts and other material that may be relevant to a matter under investigation for the purpose of determining compliance with California Public Contract Code (PCC) Section 10115 et seq., Government Code (GC) Section 8546.7 and 2 CCR 1896.60 et seq. The Jurisdiction further agrees to maintain such records for a period of five (5) years after final payment under this Agreement. The Jurisdiction shall comply with the caveats and be aware of the penalties for violations of fraud and for obstruction of investigation as set forth in PCC 10115.10.
- C. An expenditure which is not authorized by this Agreement or which cannot be adequately documented shall be disallowed and must be reimbursed to the Department or its designee by the Jurisdiction.
- D. Absent fraud or mistake on the part of the Department, the determination by the Department of allowable expenditures shall be final.
- E. For the purposes of annual audits under OMB Circular A-133 (The United States Office of Management and Budget Circular for Audits of States and Local Governments), Jurisdiction shall use the Federal Catalog Number 14.228 for the State CDBG Program.
- F. Notwithstanding the foregoing, the Department will not reimburse the Jurisdiction for any audit cost incurred after the expenditure deadline of this Agreement.
- G. The Jurisdiction understands that the expenditure of PI is covered under the OMB A-133 Single Audit Requirements and will meet all these requirements and report said PI Expenditure along with grant funds each fiscal year.

13. Conflict of Interest of Members, Officers, or Employees of Contractors, Members of Local Governing Body, or other Public Officials

Pursuant to 24 CFR 570.611, no member, officer, or employee of the Jurisdiction, or its designees or agents, no member of the Governing Body of the locality in which the program is situated, and no other public official of such locality or localities who exercise or have exercised any functions or responsibilities with respect to CDBG activities assisted under this part, or who are in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest or benefit from a CDBG-assisted activity, or have a financial interest in any contract, subcontract or agreement with respect to a CDBG-assisted activity or its proceeds, either for themselves or those with whom they have business or immediate family ties, during their tenure or for one (1) year thereafter. The Jurisdiction shall incorporate, or cause to be incorporated, in all such contracts or subcontracts a provision prohibiting such interest pursuant to the purposes of this Section.

14. Waivers

No waiver of any breach of this Agreement shall be held to be a waiver of any prior or subsequent breach. The failure of the Department to enforce at any time the provisions of this Agreement or to require at any time performance by the Jurisdiction of these provisions shall in no way be construed to be a waiver of such provisions nor to affect the validity of this Agreement or the right of the Department to enforce these provisions.

15. Litigation

A. 30. Relocation, Displacement, and Acquisition

The provisions of the Uniform Relocation Act, as amended, 49 CFR, Part 24, and Section 104(d) of the Housing and Community Development Act of 1974 shall be followed where any acquisition of real property is carried out by the Jurisdiction and assisted in whole or in part by funds allocated by CDBG.

31. Uniform Administrative Requirements

Proposed Motion:

Information Only

Subject/Discussion:

On February 21, 2017, City Council directed staff to research options for the development of a Senior Citizen's Advisory Committee. Staff has conducted research and would like to present three (3) options to City Council:

- Development of a Senior Citizens Advisory Group. This group would be created and maintained by members of the public. City Council could appoint two (2) council members to serve on the committee, or direct the City Manager to assign a staff liaison. The Senior Citizens Advisory Group would bring relevant items to the two (2) assigned council members, the City Council as a whole through public comment, or to City Staff. Through this option, the Advisory Group would be managed and maintain solely by the members.
- Development of a City Manager's Senior Citizen's Committee. The City Manager would seek interested parties to participate in the City Manager's Senior Citizen's Committee. City Staff would be responsible for meeting with the group and relaying comments, concerns and recommendations to the City Council.

"In God We Trust"

- Development, by Ordinance, of a Senior Citizen’s Advisory Committee. The Committee would be comprised of five (5) regular members and would serve two-year staggered terms. The members of the Senior Citizen’s Advisory Committee would be appointed by City Council.

City Staff would like to seek City Council’s direction on which option to further pursue, and implement.

Financial Consideration(s):

Financial impacts will be specific to the option selected by City Council. In most cases, the only fiscal impact would be the cost of staff time to participate in the group.

Alternatives or Pros/Cons:

Pros:

- Promotes community engagement
- Provides for additional avenues to interact with City Council

Cons:

- Each option has its own set of challenges

Commission/Board Recommendation:

Not applicable.

Staff Recommendation:

Staff seeks City Council recommendation on which option to pursue and implement.
