## City Council

The five City Council Members are elected at large to serve four-year, overlapping terms. Municipal elections are held in November of even-numbered years. The Council selects one of its members to serve a two-year term as Mayor, who presides at meetings and represents the City in official matters and at official functions.

The City Council is responsible for approving all legislation and formulating City policies. The Council's objectives are broad, and include translating public suggestions and service requirements into policies and programs, so that desired levels of service may be provided efficiently and economically. The Council keeps abreast of current State and Federal legislation. By participation in the League of California Cities, Council Members are able to compare policies, techniques and procedures with other cities throughout the State.

The City Council conducts its meetings in public session on the first and third Tuesday of each month, at 7:30 p.m. and at other times when special meetings are called.

#### Objectives for Fiscal Year 2017-2018:

- To determine strategies, priorities and resource allocations necessary to achieve the community objectives
- To provide for the effective and efficient implementation of city policy.
- To provide an opportunity for the public to participate in city government through public meetings, workshops, board and commission meetings and city sponsored forums.

### Fire

The Lemoore Volunteer Fire Department (LVFD) is currently comprised of 33 volunteer fire fighters with one (1) prospective fire fighter in the application process. One fire chief and two assistant fire chiefs head the organization. Ten (10) of the members are state certified Emergency Medical Technicians. The Public Works Director doubles as the Fire Marshall, and the Executive Assistant to the City Manager provides administrative support. This year the city was able to recruit a full time Maintenance Worker II to maintain the fire station and engines. LVFD also collaborates with the Lemoore Police Department's Community Service Officer to maintain and abate weed hazards throughout the city. Together, we are able to provide an exceptional service to the city with comparably low cost to the budget.

#### Accomplishments for Fiscal Year 2016-2017:

- Improve standards and meet NFPA guidelines.
- Upgraded 35 sets of turnouts to improve fire fighter safety.
- Created a turnout replacement plan which will be implemented in Fiscal Year 2018-2019.
- Reviewed and updated the LVFD Handbook and By-Laws to include stricter grooming and social media standards.
- Revised several forms and record keeping files to improve efficiency.

#### Objectives for Fiscal Year 2017-2018:

- Continue efforts to improve the recently upgraded Class 2 ISO rating to a Class 1 rating.
- Increase Fire Prevention Awareness in the community through increased activities in order to decrease the amount of fire calls and incidents.

# **Fleet**

The Fleet Maintenance division provides preventative maintenance and repairs for all City vehicles, heavy equipment, trailers, pumps, air compressors, disc, mowers, saws, weed eaters, blowers, machinery and related equipment. The Fleet Maintenance activity is funded by inter-fund charges, which are stated as "Rental of City Owned Equipment" in operating budgets. Since Fleet Maintenance is an internal service fund activity, this budget is "non-appropriated".

Accomplishments for Fiscal Year 2016-2017:

- Continued monitoring all fleet repair services, preventative maintenance and fuel purchases in Dossier
- Looked for cost effective measures for vehicle maintenance and repairs
- Continued researching innovative methods and new green technology
- Continued to surplus items and account for all current equipment and inventory
- Evaluated fleet for replacement of vehicles and equipment
- Streamline repairs with minimum down time due to having parts and inventory on hand.
- Mechanic Stauffer has been certified in CNG tank inspections and repairs.
- Mechanics Stauffer and Banuelos have received training in fuel ejection diagnostics for diesel engines.
- Over 30 items were sold on Public Surplus.

### Objectives for Fiscal Year 2017-2018:

 To continue to seek ways to lower costs through preventative maintenance, volume purchasing, methodology improvements, and technology.

# Parking and Business Improvement Area

The activities of the Downtown Merchants Advisory Committee are funded from a surcharge on the business licenses collected within the Downtown Business District. The boundaries of the District are from the centerlines of "B" Street north to the railroad tracks and Lemoore Avenue west to Hill Street. Funds collected from this source are maintained in the Parking and Business Improvement Area fund (PBIA) and can be spent for parking, development and promotion of business, and public improvements within the Area. Any unspent funds automatically carryover to the next fiscal year.

A Downtown Merchants Advisory Committee is appointed annually by the Mayor, with concurrence of the City Council, to guide in the promotion of the Downtown Area and to recommend uses of the surcharge funds. Under State law, the City Council approves all expenditures recommended by the Committee.
