4/17/18 City Council Meeting

Handouts received after agenda posted

Lemoore City Council,

I write this letter in support of Holly Blair. I have known her for 4 years and can attest to her professionalism, intellect, and passion for public service. I, myself, am a military veteran and educator with over 20 years of public service. I am familiar with Holly's work in the Kings County community and the Central Valley. She cares about mentoring in the next generation of leaders while also participating in the political process as an elected official. I am aware of the meeting tonight regarding censure in relation to Mrs. Blair's conduct. I find this to be petty, trivial, and beneath the dignity of handling a community's business. The only way to reign in Mrs. Blair with any credibility would be a vote by her constituents. This meeting of admonishment amounts to a political lynching. Because you do not like what she says or how she handles her business, you waste time by conducting official business to censure her. This is not right. While your words are petty and attempt to belittle her you only bring credibility to what she is saying. Only a group of fools would find such a meeting productive to try to demean or defame her based on her words and passion for service. You should be ashamed. You are tacitly inviting harassment by law enforcement and ire by residents of the community. You claim to want to establish standards for conduct of a Council members which has no basis in law or praxis. If you do not like Mrs. Blair's ideas, you really need to come up with

ones which are better or more popular. This meeting and forum is not the way to go. There is a better way. Each council member needs to take a look at themselves and realize that as public servants that you must maintain the public's trust and make better use of official time and business.

Lemoore Police Chief Darrell Smith says he will run for District 3 Kings County Supervisor

Tuesday, February 6, 2018 - 11:16am BY ED MARTIN, EDITOR

Lemoore Chief of Police Darrell Smith

Lemoore Chief of Police Darrell Smith has thrown his hat into the race for Kings County Supervisor. He will take on two-term county legislator Doug Verboon in the District 3 June 5 Primary Election.

Smith is the second Lemoore official to join this year's race for a seat on the Kings County Board of Supervisors. Last week, Lemoore City Councilmember Eddie Neal said he would run against longtime supervisor Joe Neves for the District 1 seat.

Verboon and a third candidate, Robert Garcia, have already filed papers with the Kings County Elections Office indicating their willingness to run. Verboon is a fourth-generation farmer and local businessman in Kings County. He served a 16-year career as a Pioneer Elementary School board member.

Smith enters the race as a formidable candidate, having served in law enforcement for the past 28 years, beginning his career with the Hanford Police Department and rising quickly through the ranks of corporal, sergeant, lieutenant, and then captain. He also led the Kings County Narcotics Task Force for nearly two years.

In 2013 he was appointed to what he refers to as his "dream job," as Lemoore's police chief. He replaced former chief Jeff Laws, appointed to the Lemoore city manager's job. He also served as the acting city manager for a few months following the departure of former manager Andi Welsh.

"After much thought and consideration, I am officially announcing my intent to run for Kings County Board of Supervisor, District 3," stated Smith in a statement to The Leader.

"My law enforcement career has prepared me for the roles and responsibilities of the office of the Kings County Board of Supervisors," said Smith. "Having an established a network of professional relationships in the county will allow me to hit the ground running on day one. We have many issues to address in our county, and I look forward to working as a team, the board of supervisors, staff, and our constituents to move our county forward."

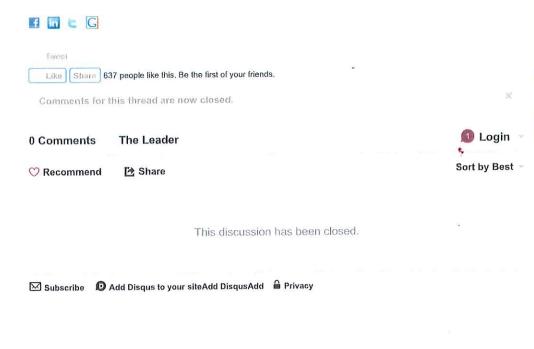

Smith said his focus will remain on jobs and economic growth, water, and reaffirmed his strong emphasis on public safety. "We must continue to support our public safety personnel and provide the resources they need to keep our communities safe," he emphasized.

Smith and his wife Maryann have a 31-year marriage. They have two daughters: Ryan 23, and Kyle 21. Both attended West Hills College and Fresno State. Ryan is working on her MBA and Kyle is finishing up her BA.

"I decided to run so I can continue to serve my community, and believe that my leadership style will offer a fresh perspective on the role of supervisor. If I am fortunate enough to be elected, I look forward to serving the residents of District 3, and all of Kings County."

Lemoore City Council puts member's behavior on the next meeting agenda April 17

Thursday, April 12, 2018 - 9:25am

agenda April 17

Lemoore Councilmember Holly Blair may be on the hot seat at the next Lemoore meeting, scheduled for April 17. The first-term member was signaled out by Councilmember Dave Brown upset with recent actions taken by Blair regarding social media posts and local traffic incidents involving the councilmember and police.

One incident may have involved a verbal altercation with a Lemoore police officer.

Brown's comments prompted the remaining councilmembers to place the item on the next April 17 agenda, where Blair could face disciplinary action.

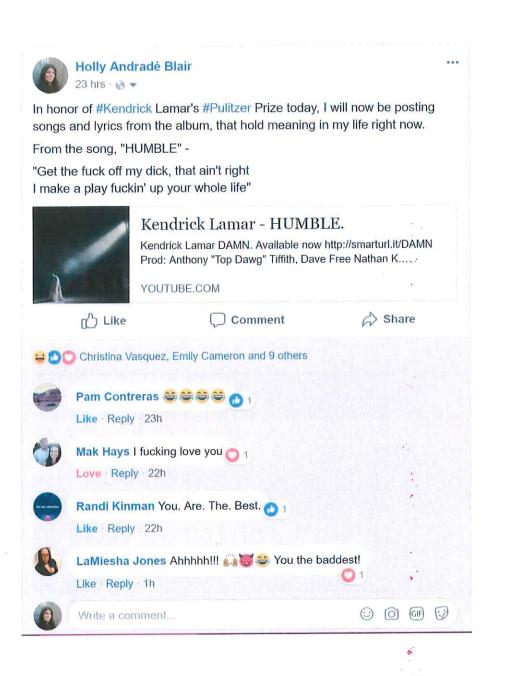

Look at her.... Listen to her speak.... I don't know her, and really from what I have read and heard from her, and about her, she is not someone I would associate with or vote for..... I researched and compared her to the other candidates and made an informed decision.... My decision was one of thought, based on what I believe, and who I believed would best represent my voice.... Not every detail of how I believe, not a yes man/woman wanting to con me out of my vote... Just the candidate that best aligns with my ideals and beliefs. Holly Blair was/is not that person. Voting is a serious right/privilege of all Legal United States Citizen. A duty that should not be taken lightly, as you are not only voting for yourself but for your country. There are people in places of power today that would like to remove the Legal United States Citizen from the equation of government by the people. This is something that should be very clear to every person living in California!!! Elections have consequences and set things in motion that can do very real damage to law abiding LEGAL United States citizens... Sanctuary State..... enough said....

So I don't know what's really going on but I know Mrs. Holly Andradé Blair does a great job on city council. She is a great person and I am glad she is there.

Now for this woman who wrote about going back to Avenal!? Really lady where do you get off who made you the one who says if we "Avenal or Kettleman city people can live or stay in this city or be or not be on the council!? I have been living in this city the last 11 yrs, it a great place and I am actually happy and glad to see a small town girl on the council. Holly you have my support don't let people like this who are narrow minded get you down, you have done great job in this city and just because you care these guys can't deal with it?

Removing Holly Andradé Blair, permanently, would be appropriate punishment. Blair's often verbal political beliefs, (of which many I know, are 100% opposed,) ranting FB post about other elected officials, and lack of moral character, are reason enough, without going into detail about other irratic behavior she often portrays.

Not all of us "EDUCATED WOMEN," are;

screaming/marching , with QUEEN V/KITTY hats and signs, chanting and demanding "women's equality!"

we are NOT all believers in DACA!

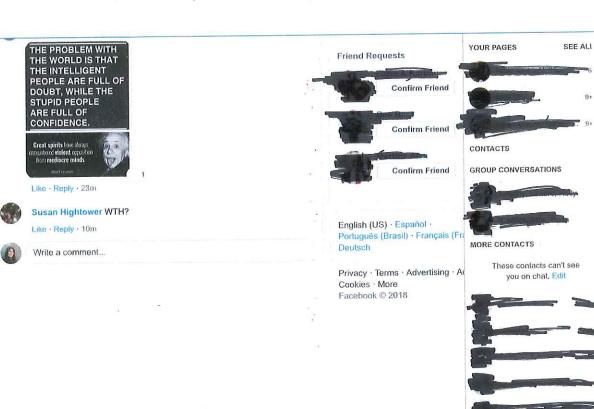

we are NOT all opposed to building a WALL!

we are NOT all in favor of SANCTUARY anything!

we do NOT bash local Law Enforcement, as LPD is doing a FINE job!

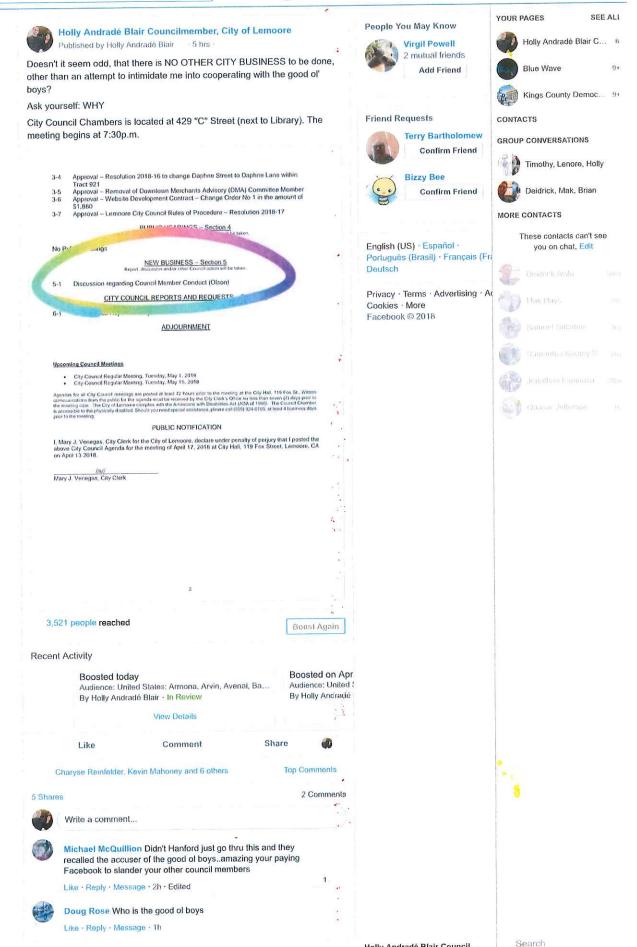

we do NOT spew hate towards our POTUS, (TRUMP 💚 IS MY PRESIDENT!)

You, Mrs. Blair, were elected to represent the best interest of the City of Lemoore, as well as its citizens.

Ironically, Brown's comments, much of which he read from a prepared statement, came during a discussion of the newly proposed Lemoore City Council Rules of Procedure. The document is a set of guidelines that address a myriad of issues, sort of an all-encompassing primer dictating how to interact with fellow council members, city employees and members of the public.

Councilmembers held a special meeting Tuesday night (April 10) to discuss the proposed rules.

Chapter 3 in the proposed guidelines concerns the general conduct of councilmembers and staff.

Currently, only three councilmembers have signed the document, though under current guidelines signing the "Code" is merely an acknowledgment that it exists. "It is an optional document," said Lemoore City Attorney Jenell Van Binsdbergen. "The code exists whether you sign it or not. The signature is more of an acknowledgment than an acceptance."

It was during the council's back-and-forth regarding the city's "Code of-Conduct," a treatise spelling out how councilmembers, staff, board, and commissions interact with each other, that Brown brought up his concerns about Blair.

It was during a discussion prompted by Mayor Ray Madrigal about the need for a "process" for censuring councilmembers. Brown asked that his item is placed on the next agenda. "Mayor, if I'm out of order shut me down," he said somberly. "Freedom of speech is paramount, but some speech can be taken in a way that may hurt our city."

His focused his remarks on Blair. He cited recent traffic stops involving her, and at least one negative interaction with a Lemoore police officer during a traffic stop in a school zone. He didn't elaborate but said that Blair might have acted improperly. "This conduct is unbecoming of a councilmember," he warned. "I have the text between Councilmember Blair and Chief of Police Darrel Smith to support my concerns."

The Leader has since learned that there may have been another incident, this one reportedly called in by an anonymous caller, who observed Blair driving recklessly near Liberty Middle School.

He also cited Facebook comments Brown said were meant to criticize participants in a recent public roundtable meeting with the city manager. "I have also received three phone calls concerning your latest Facebook comments pertaining to the city manager round-table discussions with the community." The comments refer to a person in the meeting that Blair may have had issues. "I have the Facebook post," stated Brown.

Blair is no stranger to social media, often using the platforms to criticize, akin to how President Trump uses the Twitter, to savage opponents.

Madrigal asked what Brown wanted on the next agenda. "The improper comments, implied threats," toward the Lemoore police chief concerning traffic stops," said Brown.

"What you're saying essentially is the conduct of Ms. Blair," asked Madrigal.

Councilmembers apparently agreed with Brown and came to a consensus to place Blair's conduct on the next council meeting agenda.

Councilmember Jeff Chedester chimed in: "We need to be very careful about what we post on social media," he warned. "It reflects on us. It's very embarrassing."

Even during Tuesday's special meeting, Blair seemed to forget the primary purpose of the Rules of Procedure. Chapter 3 includes language that mandates that councilmembers should value each other's time and refrain from interrupting any council member as she or he speaks, something Blair may have forgotten when she interrupted Madrigal near the end of the meeting.

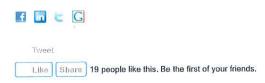

"I'm not finished," said Madrigal, but Blair cut him off continuing to interrupt.

Council meetings have been littered with examples of Blair's demeanor. Ask 81-year-old Anne Sutton, a frequent visitor to Lemoore council meetings. It was during a January meeting that Sutton had an ugly turn with Blair.

Sutton had difficulty hearing and following the meeting politely told Blair that she had difficulty hearing the councilmember. "She told me that she had no intention of changing the way she talks," remembered Sutton. "She said if you can't hear me, don't listen."

Sutton said she was insulted when Blair told her that she's not changing the way she speaks and told her if you didn't like it, don't vote for her.

Sutton took it in stride. "Oh God, she sounds like Trump. I've talked to others who said the same thing. I think she tried to make me look like a doddering old fool. That's not the way we expect our elected representatives to act," she said.

Please know this is not an easy thing to do and I hold no malice towards anyone. My goal is to make Council and the public aware of these communications to determine if Censure by Council is warranted.

I believe all council members have read and signed the City of Lemoore Code of Conduct for City Council, Boards and Commissions. Freedom of Speech is paramount but we also have to understand that our speech can also be taken in a way that could disrupt operations and have the possibility to create risk to our city. Please refer to the latest comments from the Martin Courts decision.

- 1. The implied threats via text stating the Lemoore Police Department has singled you out since you became a council member and how you think the officers on the Lemoore Police Department have too much time on their hands by pulling you over and what was stated to the Chief of Police saying you don't want to jam any-one up and haven't taken this to the City Manager or Council are inappropriate and I believe an a abuse of power. As council members we do have direct contact with the City Manager, City Attorney, Department Heads, Police Chief and Staff but if there is a personal complaint concerning a department or one of its employees. You should have gone directly to the City Manager to discuss a way forward. Council Members are regular citizens and the general public doesn't have direct text access to the Chief of Police. If we have a personal issue with any department there are methods and procedures we must follow. If I have an issue with my water bill, I as any other citizen must go thru the proper channels to remedy and all Council must do the same. We do not have any special privileges and we must be treated the same as any other citizen of Lemoore. With this said I believe this conduct is unbecoming of a council member. Attached is the text to support my concerns.
- 2. Facebook comments where forwarded to me and I also have received at least nine additional contacts concerning the negative comments made in recent Facebook Post. I feel these comments are inappropriate and could place our city at risk as these posts were on your Councilmembers Facebook page. Again we as councilmembers must check ourselves. We must show we have the ability to fairly work with and for all Lemoore's citizens. Especially when we use the title of Councilmember.

Once again my goal is not to attack anyone but to try and find a way to make this inappropriate behavior cease and decrease risk towards our city.

I am now terrified to drive my boys to school, because I am harassed EVERY SINGLE TIME I drive on Liberty. Today is the first in weeks. I made sure we were early, so no need

to rush. I was still approached by your officer while PARKED. I was EXTRA CAREFUL to drive slow and I have already ordered a Dash Cam.

WTF Darrell? I've been pulled over

been pulled over SIX TIMES IN 2 MONTHS! All of a sudden my driving is really that bad?

I think some of your officers have too much time on their hands.

BTW - I was never pulled over before I became a Councilmember. I was once pulled over by one of your officers for "peeling out." It was in my husband's ELEC-TRIC car. You CAN'T peel out in that.

CAN'T peel out in that.

Please confirm how many times you have been pulled over in the last 2 months, and were you cited? As far as your concern of being targeted, I can as-

targeted, I can assure you this is not an accurate statement.

I wasn't cited in any of the cases. And yes, this was the SIXTH time. I wasn't driving fast Darrell. You don't have to believe

have to believe me. I'm not a perfect person, and I'm not a great driver, but I was really being careful today because of that call before (which I still don't know what all that was about). There is NO WAY I was

is NO WAY I was speeding... I purposely went through the parking lot - there are kids everywhere. I was driving EX-TRA slow!

I've ordered a dash cam. I'm going to get this on

tape, eventually.

The officer clocked you on radar doing 33 in a school zone, gave you a warning and you have an issue with that. If this is true, I can't help you with your feelings.

with your feelings.

It's not true.

It has nothing to do with my "feelings." I'm coming to you directly. If you don't believe me, that's on you.

> If you are alleging officers

If you are alleging my officers are being dishonest, then you have a right to file a formal complaint. I want to be clear that this is what you are alleging? If so, I will conduct a formal investi-

I'm not trying to waste your time or resources, but I do think you should be aware. I've already ordered a Cam. How about I simply record my driving, and the next time this

happens, because I'm convinced that it will, I'll turn the tape over to you. Then, you can see for yourself.

> I'm researching as we speak how many times you have been pulled

over, and if you were pulled over by LPD, there should be video available, as the body cams record 30 seconds before they are activated by the officer. Give me some time to get factual evidence lined

out. Thanks for contacting me.

Thank you! It's seriously weirding me out, okay? Maybe it is all a coincidence, but I don't know what to do.

I love your offi-

I love your officers, and I don't want to jam anyone up. I haven't gone to Nathan or the council or anything. I just want you to be aware - and I'm really open to your advice. I really don't want

any trouble with your team. What can I do to help this situation?

For now, let me have some time to research your allegations.
Thanks

Holly Andradé Blair Councilmember, City of Lemoore shared Holly Andradé Blair's post.

April 7 at 3:24pm ·

I have no trouble gathering community members younger than father time, for meetings!!

I mention ideas that those younger people bring my way, and they are immediately shut down on the dais.

And one of the community members in the picture there has gone so far as to ACTIVELY WORK AGAINST young people and tried (multiple times) to remove young people from a (non-city related) committee she sits on. 😥 (I have documentation of this, if anyone would like).

Nooooo.... I can't imagine why that might discourage those same folks from coming to a meeting hosted by the city. What could it possibly be?

Hmmm... I just don't know 🙆

COMMENTS RE. COUNCIL-MEMBER HOLLY ANDRADE-BLAIR

First, I request that my comments be made a permanent record of the minutes of this meeting. (ALL CONTENT OF THE WRITTEN).

Let me introduce myself for those who do not know me: I am Connie Wlaschin, I was born in Lemoore, I have lived in Lemoore for 70+ years; I own a small business in Lemoore and have been the sole proprietor of this business SINCE 1986.

I am without fail (unless otherwise indisposed) at the bi-monthly Lemoore City Council Meetings. I have and still have a very keen interest in the business aspects of the City, the decision-making process, and the past and future of the City. Lemoore engages and has been welcoming to its citizens; welcomes, respects, and encourages participation. I have always felt that I was always heard regardless of whether there was common ground or not.

I am proud to say that I am a Democrat and am a member of 2 Democratic Organizations in Kings County, namely the Kings County Democratic Central Committee (whose existence is encoded in California Election Code), and the Jimmy Carter Club. It is not my intention to make this a political issue but Ms. Blair has publicly made this a public issue, which I will address.

Ms. Blair is the Chair of the Kings County Democratic Central Committee (the KCDCC or CC). Ms. Blair was elected by ballot to the KCDCC at the 2016 Election. In January 2017 was elected by the membership to CHAIR of the KCDCC. To be a member of the KCDCC, you must be a resident of Kings County.

It is important to provide you with this background information because all monthly meetings (they are public meetings) of the KCDCC are held in Lemoore once/month (3rd Sunday), most of the time at the depot Chamber of Commerce.

So let me get to the point because I believe that the behavior of Ms. Blair at the KCDCC has long be of concern because of the public status of these meetings. Ms. Blair usually starts the meeting telling all of her activities since we last met, including her activities as a Member of the Lemoore City Council, and touting her "unique" status of being a female democratic elected official. Therefore, she draws attention to her "importance", and influence.

I want to speak to how she treats me. I go to each any every meeting apprehensive about how she will treat me. I have experienced disrespect, bullying and intimidation from Ms. Blair. I have been threatened by her with expulsion on more than one occasion because I have either questioned decisions that she makes unilaterally, questioned the lack of transparency or had a difference of opinion.

Ms. Blair in my opinion believes she is representing Democratic interests in her non-partisan elected position. She leaves a bad impression with visitors and certainly does nothing to attract them to Lemoore, on the contrary.

Ms. Blair used her position on the City Council to telephone the police to come to a Meeting of the KCDCC in May of 2017 to remove Dr. Humberto Gomez M.D., and his father from the meeting because Mr. Gomez asked the question "How do I become a member of the KCDCC?", and Dr. Gomez won a local election over a candidate she supported. Dr. Gomez has spoken to the Chief of Police on several occasions and spoken to the abuse both he and his senior father were treated by a Lemoore City Council Member at the meeting held in Lemoore.

Ms. Blair's outrageous behavior at the KCDCC meeting of 02/18/2018 at the Vineyard Inn in Lemoore resulted in 7 people leaving because of her outrageous behavior and display of bullying...the exodus including children one 10 year old in tears....Just incredible.

Mr. Paul Hardiman, a member of the KCDCC has owned a home in Hanford for 5 years. He is retired. He was the Global Vice President of Compliance, Regulatory Affairs/Clinical Affairs for a medical device company in Silicon Valley before he retired.

One week before the January 2018 Meeting of the KCDCC, it was cancelled by the Executive Committee without approval by the membership. Paul went to the Chamber of Commerce to see if the facility was available on the night of the scheduled meeting. Paul spoke to Amy Ward, and it was not available.

Most members plan for the 3rd week commitment, so Paul decided to open his home to a MEET & GREET to a candidate Melissa Hurtado for the State Senate Seat in this District...Paul announced the invitation on the KCDCC e-mail Distribution List.

Holly sent Paul the most vicious e-mail. This e-mail is attached for your review. (Attachment I)

She accuses him of mistreating Amy Ward (CEO, Lemoore Chamber of Commerce), being a racist, a misogynist, violating ethical practices, attempting to break the law among other false accusations.

Paul's response is also attached (Attachment II).

Paul has taken the high road. I have taken the high road.

Paul's concern that Council Member Ms. Blair was speaking also from her position of City Council member and that she was representing the City Council (her e-mail identifies herself: *Councilmember, City of Lemoore") in her comments. Paul's perspective is he believed that in fact that the City Council members were endorsing her comments without due process. Paul wonders how this is allowed to continue. Anyone reading this e-mail (e.g. the 55 people to whom this e-mail was distributed to by Ms. Blair) would reasonably interpret, that the Lemoore City Council did support and approve of Ms. Blair's e-mail.

Ms. Blair sent out a Facebook response following the publications of the Lemoore Leader and Sentinel of the City Council Agenda Item to review materials received re. her behavior. (Attachment III). She clearly does not recognize that it is her behavior that is in question and blames others for potential consequences. She plucks from Hot Air, with no support for her claims...she does a disservice to the Lemoore community and Council at large. I did not send any information to the City Council; no one that I know sent any information to the Lemoore City Council. Ms. Blair fails to see that her actions are humiliating and Lemoore Citizens are gravely concerned. She has been outed for who she is!

Then of course she continues, in a SUCH A "professional and elected official vein" to publish on Twitter (see ATTACHMENT IV) her comment following Kendall Lamar receiving a Pulitzer Prize. TWITTER is social media in the public domain. She speaks to how she will be speaking using foul and objectionable language. Ms. Blair like all of us has 1st Amendment Rights but she failed to exercise good judgement, a sense of decorum, and acted in a manner expected by the citizens of Lemoore. It is an embarrassment....by the way, this TWITTER comment is now widely distributed through social media in at a minimum in California.

I believe that Ms. Blair needs to understand through an appropriate punitive response by the Lemoore City Council. I also believe that the Rules of behavior need to be mandated not offered as an option. The Lemoore City Council needs to CHECK this type of behavior by any member of the City Council, do not let abuse of the citizens of Lemoore be an option. The psychological projections of Ms. Blair are so revealing not only in her verbal bullying and overtly aggressive behavior but her evident use of social media to promote an agenda that is not in line with the best interests of the people of Lemoore.

Her last name is Hurtado, not Hertado. That says all you need to know, right there.

The Executive Board decided to continue with a Women's Day March, highlighting women of color in particular, in conjunction with Planned Parenthood. This was talked about at our last meeting.

You are welcome to hold a meet-n-greet, or anything else you like for that matter, but you may NOT hold a business meeting without the elected officers of this body. You may NOT use the word "Democratic Party" in this county without the permission of this body, and you may not raise money in this County, without permission from this body. I'm attaching the government enforcement code below.

You made the entire Democratic Party look terrible by being "demanding" to the Chamber CEO, as she stated when she called to discuss your behavior. You also treated Mak horrendously, and owe her an apology! We are all volunteers here, and your constant nit-picking of her correspondence must end, NOW!

This is an elected body. Your appointment was made by a body, that, per our bylaws can also remove appointed members in similar fashion.

You will NOT silence the women's movement in this county because you don't like that the majority of the committee does not agree with you. You will NOT drag this party down with your nonsense.

Now, stop this. You are not helping anyone with this behavior. The room is NOT booked by the central committee, nor blue wave. You are more likely crashing a Quincenera at the depot, than anything else on Sunday.

Our February meeting will commence as usual.

Regards,

Holly Andradé Blair

Elections Code Section 20201:

"It is unlawful for any person that includes in any part of its name the name of any political party that was qualified to participate in the last preceding primary election, to directly or indirectly solicit funds for any purpose whatsoever upon the representation either express or implied that the funds are being solicited for the use of that political party unless that person shall have previously obtained the written consent of one of the following: a member of the national committee from California or the majority of the members of the national committee if there are more than two national committee members from California, chairman of the state central committee, executive committee of the state central committee, or executive committee of the county central committee of the party whose name is being used in the county in which the solicitation is to be made. If the county central committee of the party in that county does not have an executive committee, the written consent of the chairman and secretary of that county central committee is sufficient."

Lemoore City Council puts member's behavior on the next meeting agenda April 17

. 👄

Councilmember Dave Brown

Lemoore Councilmember Holly Blair may be on the hot seat at the next Lemoore meeting, scheduled for April 17. The first-term member was signaled out by Councilmember Dave Brown upset with recent actions taken by Blair regarding social media posts and local traffic incidents involving the councilmember and police.

One incident may have involved a verbal altercation with a Lemoore police officer.

Councilmember Holly Blair

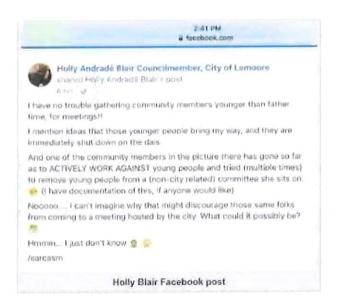

Brown's comments prompted the remaining councilmembers to place the item on the next April 17 agenda, where Blair could face disciplinary action.

Ironically, Brown's comments, much of which he read from a prepared statement, came during a discussion of the newly proposed Lemoore City Council Rules of Procedure. The document is a set of guidelines that address a myriad of issues, sort of an all-encompassing primer dictating how to interact with fellow council members, city employees and members of the public.

Councilmembers held a special meeting Tuesday night (April 10) to discuss the proposed rules.

Chapter 3 in the proposed guidelines concerns the general conduct of councilmembers and staff.

Currently, only three councilmembers have signed the document, though under current guidelines signing the "Code" is merely an acknowledgment that it exists. "It is an optional document," said Lemoore City Attorney Jenell Van Binsdbergen. "The code exists whether you sign it or not. The signature is more of an acknowledgment than an acceptance."

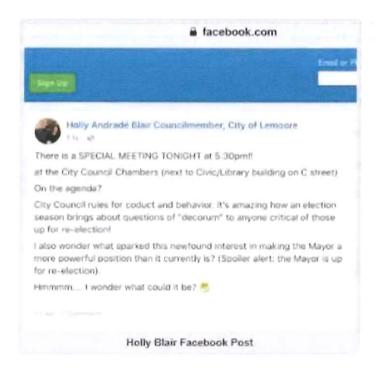

It was during the council's back-and-forth regarding the city's "Code of Conduct," a treatise spelling out how councilmembers, staff, board, and commissions interact with each other, that Brown brought up his concerns about Blair.

It was during a discussion prompted by Mayor Ray Madrigal about the need for a "process" for censuring councilmembers. Brown asked that his item is placed on the next agenda. "Mayor, if I'm out of order shut me down," he said somberly. "Freedom of speech is paramount, but some speech can be taken in a way that may hurt our city."

His focused his remarks on Blair. He cited recent traffic stops involving her, and at least one negative interaction with a Lemoore police officer during a traffic stop in a school zone. He didn't elaborate but said that Blair might have acted improperly. "This conduct is unbecoming of a councilmember," he warned. "I have the text between Councilmember Blair and Chief of Police Darrel Smith to support my concerns."

The Leader has since learned that there may have been another incident, this one reportedly called in by an anonymous caller, who observed Blair driving recklessly near Liberty Middle School.

He also cited Facebook comments Brown said were meant to criticize participants in a recent public roundtable meeting with the city manager. "I have also received three phone calls concerning your latest Facebook comments pertaining to the city manager round-table discussions with the community." The comments refer to a person in the meeting that Blair may have had issues. "I have the Facebook post," stated Brown.

Blair is no stranger to social media, often using the platforms to criticize, akin to how President Trump uses the Twitter, to savage opponents.

Madrigal asked what Brown wanted on the next agenda. "The improper comments, implied threats," toward the Lemoore police chief concerning traffic stops," said Brown.

"What you're saying essentially is the conduct of Ms. Blair," asked Madrigal.

Councilmembers apparently agreed with Brown and came to a consensus to place Blair's conduct on the next council meeting agenda.

Councilmember Jeff Chedester chimed in: "We need to be very careful about what we post on social media," he warned. "It reflects on us. It's very embarrassing."

Even during Tuesday's special meeting, Blair seemed to forget the primary purpose of the Rules of Procedure. Chapter 3 includes language that mandates that councilmembers should value each other's time and refrain from interrupting any council member as she or he speaks, something Blair may have forgotten when she interrupted Madrigal near the end of the meeting.

"I'm not finished," said Madrigal, but Blair cut him off continuing to interrupt.

Council meetings have been littered with examples of Blair's demeanor. Ask 81-year-old Anne Sutton, a frequent visitor to Lemoore council meetings. It was during a January meeting that Sutton had an ugly turn with Blair.

Sutton had difficulty hearing and following the meeting politely told Blair that she had difficulty hearing the councilmember. "She told me that she had no intention of changing the way she talks," remembered Sutton. "She said If you can't hear me, don't listen."

Sutton said she was insulted when Blair told her that she's not changing the way she speaks and her if you didn't like it, don't vote for her.

Sutton took it in stride. "Oh God, she sounds like Trump. I've talked to others who said the same thing. I think she tried to make me look like a doddering old fool. That's not the way we expect our elected representatives to act," she said.

Council conduct called to question

RECOMMENDED

LEMOORE — In an early February 2017 meeting, Councilman David Brown requested a review of the current policies that City Council was expected to abide by in order for the new council members, Brown and Councilwoman Holly Blair at the time, to better understand what is expected of them.

The council agreed to direct city staff to do further research on the topic with no specific deadline.

At the March 20 study session, Janie Venegas, the city clerk, presented a suggested set of policies for the council to abide by since the city found there were no specific rules for council members aside from the code of conduct that council and city staff are expected to abide by.

In an effort to continue the finalization of the council rules, the council held a special study session Tuesday.

The meeting took a turn when Brown introduced a new item of discussion pertaining to his and some members of the public's disapproval of Blair's recent social media activity.

In Blair's Facebook post, she said that she gathers young residents for meetings. She said that council members do not listen when she shares the opinions of younger constituents and that young people don't feel welcome coming to meetings.

Her post was public on her personal profile initially and then shared on her public profile that has "Councilmember, City of Lemoore" in the name.

In the comments, Blair encourages community members to engage in the city's meetings while also implying that some fellow city officials are fools.

"I, for one, have given up on trying to talk sense into some of these fools," Blair says in her post.

Brown,when discussing Blair's post, brought up the past actions of the previous council members involving former Mayor Billy Siegel. He said that the council was found at fault for not censuring Siegel in his email comments about the Lemoore Leader's editor, Ed Martin.

The council agreed to table discussion on the issue and put it on the agenda for the coming council meeting on April 17.

The rules of procedure are still being edited and are slated to be voted on at the next council meeting. Venegas and City Attorney Jenell Van Bindsbergen are working to prepare final edits from the most recent study session and ensure the information is in accordance with all current procedures.

When ready the draft is to be attached to the agenda at least three days prior to the council meeting, April 17.

Item No: 3-3

To: Lemoore City Council

From: Frank Rivera, Public Works Director

Date: April 4, 2018 Meeting Date: April 17, 2018

Subject: Senate Bill 1 (SB1) Road Maintenance and Rehabilitation Account

Project List for Fiscal Year 2018/2019 - Resolution 2018-15

Strategic Initiative:

	☐ Growing & Dynamic Economy
☐ Fiscally Sound Government	☐ Operational Excellence
☐ Community & Neighborhood Livability	☐ Not Applicable

Proposed Motion:

Approve Resolution 2018-15, listing all projects proposed to receive funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1.

Subject/Discussion:

On April 28, 2017, the Governor signed Senate Bill 1, the Road Repair and Accountability Act of 2017. SB 1 increases per gallon fuel excise taxes, diesel fuel sales taxes and vehicle registration fees with inflationary adjustments to tax rates in future years for the purpose of addressing basic road maintenance, rehabilitation and roadway safety needs.

Effective November 2017, the State Controller deposited various portions of this new funding into the newly created Road Maintenance and Rehabilitation Account (RMRA). A percentage of this new RMRA funding is apportioned by formula to eligible cities and counties.

SB 1 emphasizes the importance of accountability and transparency in the delivery of California's transportation programs. Therefore, in order to be eligible for RMRA funding, statute requires cities and counties to provide basic annual RMRA project reporting to the California Transportation Commission (CTC). Per the program's requirements, jurisdictions are required to submit to the CTC by May 1, 2018, a resolution documenting

the City Council's approval of a project list with locations, schedule, and estimated useful life of the project before they can receive RMRA funds.

QK, the City Engineer, used their pavement management program to advise the City of the roads in greatest need of rehabilitation. The proposed project list is ranked by priority, though the RMRA program does not require that the projects be completed in any specific order. The list is not all inclusive of the City's cost needs but is used as a basis to establish a project list and will be updated annually to meet the need of the City.

Tract 921

Strategic Initiative:

☐ Safe & Vibrant Community	☐ Growing & Dynamic Economy
☐ Fiscally Sound Government	☐ Operational Excellence
☐ Community & Neighborhood Livability	

Proposed Motion:

Approve Resolution No. 2018-16, approving the name change from Daphne Street to Daphne Lane within Tract 921.

Subject/Discussion:

Tract 921 was recently recorded to create 64 single-family residential lots. When the map was recorded, it mistakenly showed Daphne Lane as Daphne Street. Because the street is called Daphne Lane north of the railroad track, and the General Plan calls for a crossing that will connect the two streets, this resolution will formally correct the street name to make the two names consistent. California Streets and Highways Code Section 5026 allows the City Council to change street names. There are currently no homes constructed along this section of the roadway, so no public notifications are needed. Daphne Lane runs north/south from the intersection of D Street and Bush Street.

City staff will submit the adopted resolution to the County Surveyor, who will make a note in the official County survey records and then forward to the County Recorder for public recording.

RESOLUTION NO. 2018 – 16

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LEMOORE TO CHANGE DAPHNE STREET TO DAPHNE LANE WITHIN TRACT 921 RECORDED IN VOLUME 26 OF LICENSED SURVEYOR'S PLATS, AT PAGE 10

WHEREAS, the Final Subdivision Tract 921 of the Brisbane East subdivision has been recorded with the Kings County Recorder, in Volume 26 of Licensed Surveyor's Plats, at Page 10; and

WHEREAS, the street name Daphne "Street" was incorrectly applied and recorded; and

WHEREAS, the new street should be corrected to Daphne "Lane" to reduce confusion for emergency services; and

WHEREAS, the California Streets and Highways Code Section 5026 allows City Council to change street names; and

WHEREAS, there is no requirement to hold a public hearing or provide notices, and because final occupancies have not been given, a public hearing is not being held.

Approve the removal of Marlo Toralez from the Downtown Merchants Advisory Committee, and authorize the City Clerk to advertise the vacancy and call for volunteers for the DMA for a period of thirty (30) days.

□ Not Applicable

Subject/Discussion:

City Council approved the appointment of Marlo Toralez to the Downtown Merchants Advisory Committee on June 6, 2017. Since her appointment to the DMA Ms. Toralez has not attended any of the DMA meetings, nor responded to any written communication from City Staff related to her appointment. At this time, City Staff recommends that Ms. Toralez be removed from the Downtown Merchants Advisory Committee by City Council in accordance with City Ordinance 3-2-5. City Staff also requests that the City Council approve the recruitment of a new DMA member, and authorize the City Clerk to post the vacancy and call for volunteers for a period of thirty (30) days.

Commission/Board Recommendation:

This item has not been addressed with the Downtown Merchants Advisory Committee, as the next regularly scheduled meeting is May 10, 2018.

Subject: Website Development Contract - Change Order No. 1 in the amount of

\$1,880

Strategic Initiative:

☐ Safe & Vibrant Community	☐ Growing & Dynamic Economy
	☐ Operational Excellence
☐ Community & Neighborhood Livability	☐ Not Applicable

Proposed Motion:

Approve a change order for the website development contract, and authorize the Finance Director to approve the increased purchase order amount.

Subject/Discussion:

On October 3, 2017, City Council approved an agreement with Fortune Five Marketing for the development of a new City website. The original cost of the contract was \$9,970. Fortune Five Marketing has submitted a change order for \$1,880, to account for work associated with integrating social media platforms, integrated calendars, content creation including uploading of photos for individual pages, and increased/improved functionality, load speed and content transfer.

Throughout the process, Fortune Five Marketing has been working with City staff to ensure relevant, existing information is migrated to the new website. In doing so, they had to comb through over 14,000 files, links, documents, etc., which was more than originally anticipated. The time taken to evaluate the relevance of the files and to transfer to content was in excess of the original contract.

Financial Consideration(s):

The change order is an increase to the original project budget of \$1,880. The City Manager Professional Services Contract budget (4213-4310) has sufficient funds to cover the cost of the change order without requiring a budget amendment, or use of general fund reserves.

Alternatives or Pros/Cons:

Pros:

- Compensates the consultant for work performed in the development of the new website
- Increases the functionality of the website
- Provides integration with City of Lemoore social media platforms

GLOSSARY

et sequens (and the following one or ones)

Non-Binding Resolution

A non-binding resolution is a resolution in which the council declares its position and opinions on an issue, policy, or other matter that the council lacks legal authority to establish or regulate, but that the council determines is of such importance that the council should make the symbolic gesture of adopting a resolution declarative of council's position.

Quasi-judicial

Quasi-judicial action means any council action that implicates constitutionally protected property or liberty interests, such as issuance or denial of discretionary land use permits, subdivision maps, business licenses, and other similar action in which a property interest is at stake and the council is charged with applying legal standards to a specific factual situation.

CITY OF LEMOORE CODE OF CONDUCT FOR CITY COUNCIL, BOARDS, COMMISSIONS AND COUNCIL COMMITTEES

The Code of Conduct is supplemental to the Lemoore Municipal Code and the Code of Ethics and applies to the City Council and all members of City advisory boards, commissions and committees. The Code of Conduct describes how Lemoore officials treat each other and work together for the common good of the community. Conducting the City's business in an atmosphere of respect and civility is the underlying theme in this code. City Officials are responsible for holding themselves and each other accountable for displaying actions and behaviors that consistently model the ideals expressed in the code.

Implicit in the Code of Conduct is recognition of the worth of individual members and an appreciation for their individual talents, perspectives and contributions. Our actions inspire public confidence in Lemoore government.

Keeping in mind the common good as the highest purpose, we will focus on holding efficient meetings that achieve constructive solutions for the public benefit.

We work as a team to solve problems and render decisions that are based on the merits and substance of the matter.

We respect differences and views of other people.

We adhere to the principles and laws governing the Council / Manager form of government and treat all staff with respect and cooperation.

We will refrain from interfering with the administrative functions and professional duties of staff.

We will not publicly criticize individual staff but will privately communicate with the City Manager any concerns about a Department or Department Head or Staff person.

We will refrain from negotiating or making commitments without the involvement and knowledge of the City Manager.

We will work with staff in a manner that consistently demonstrates mutual respect.

We will not discuss personnel issues, undermine management direction, or give or imply direction to staff.

We will communicate directly with the City Manager, Department Heads or Designated Staff contacts when asking for information, assistance or follow up.

We will not knowingly blindside one another in public and will contact staff prior to a meeting with any questions or issues.
