Proposed 1% Transaction Tax

7/17/2018

NATHAN OLSON, CITY MANAGER

What is the City Proposing?

- ▶ A 1% transaction and use tax on goods sold in the City limits, with 100% of the revenues coming back to the City's general fund.
- ▶ Is the equivalent of an extra 1 cent for every dollar spent in Lemoore.
- ▶ This resolution requires a 2/3 vote to go on the ballot in November. This means 4 yes votes.
- ▶ Approval tonight would only put the measure on the ballot for citizens to vote on in November, it is not an approval to raise the transactions tax 1%.

Why Now?

- ▶ On June 5th, council directed staff to bring back a general tax option.
- ▶ Revenues are not keeping up with expenditures- 12,564,000 projected revenues with 12,846,000 in expenses creates an approximate deficit of \$282,000.
- ▶ The current budget maintains current services but does not allow for growth or improvements.
- ▶ SB1 funds in jeopardy on November ballot. (Prop. 6)
- ▶ Opportunity Zones not awarded in Lemoore.

Why is the City Proposing a Sales Tax Measure?

Public Safety

- ▶ The 2018/19 budget maintains a status quo in most areas except for public safety
 - ▶ PD added 2 HC, 1 officer, 1 records technician
 - ▶ Fire added an Admin HC during last fiscal budget
- ▶ Crime is trending downward and with population growth and additional subdivisions in planning and under development, more officers and fire volunteers are needed to keep the city safe.

Parks and Rec

- ▶ Is funded solely by general fund dollars.
- ▶ City maintains many parks and offers a variety of programs making the department a jewel of the city.
- ▶ Staff wants to maintain and continue to enhance this experience for the community.
- ▶ Gained 22 acre park and froze positions.
 - ▶ Currently using Proteus workers to close the gap on underserved areas.

Parks and Rec

- ▶ Golf course
 - ▶ Subsidized by general fund
 - ▶ Currently has 2 loans- a General Fund Loan and a Lemoore Redevelopment Agency Loan
 - ▶ 2018-2020 @191k per annum
 - ▶ 2020-2021 @ 451K
 - ▶ 2021-2026 @ 300k per annum
 - ▶ 2.4 million due thru 2027

Economic Development

- ▶ Incentives are needed to promote growth.
- ▶ Zero dollars are budgeted for incentives, any general fund incentives given will reduce the general fund revenues.
- ▶ Deals completed today can take several years to produce financial benefits.
- ▶ Downtown needs assistance to draw people in and stimulate business retention.

Employees

- ▶ Class/comp study was performed but financial gaps were not addressed
 - ▶ Interim steps taken on salary and benefits
 - ▶ During bargaining unit talks, city committed to going to ballot for sales tax to assist in general fund revenues

Reserves

- ▶ City has a target of 25% reserves increasing to 35% within 5 years passed by council on 5/17/16.
- ▶ Healthy due to reduction in capital improvement projects, minus this adjustment reserves would be around 20%.

Recap on Benefits

- ▶ The following areas would be the priority for the generated revenues
 - ▶ Public Safety
 - ▶ Parks and Rec
 - ▶ Employees
 - ▶ Economic Development

Sales Tax Rate

Questions?

Dear Mayor and City Councilmembers,

I stand here today to publicly oppose the placement of a 1% sales tax increase on the November ballot. I am also here today to represent the majority of business members in Lemoore that help generate the revenue that provides the city services we have all come to love. According to the proposed resolution, "Lemoore has experienced, and continues to experience, a critical decline in revenues", we all acknowledge that the local economy is suffering. During slow economic downturn we cannot afford to increase the tax load that our consumers carry. A raise in taxes here locally is essentially punishing those who continue to be loyal to our local businesses. What we are essentially saying is, "thank you for shopping in Lemoore, here are additional taxes that you will not find in other competing markets, please come again". Our consumers will shop elsewhere.

This past week, my team and I have reached out to nearly every business member we have here in Lemoore and while we did not speak to every single one we did speak with the majority have yet to find a single person in favor of this increase. The comments are the same, "How do they expect us to stay in business" or "I am doing everything I can to compete with *insert City here*" or my personal favorite quote, "I guess there really is more in Lemoore...more taxes and more empty buildings".

Today, we were not even supposed to be here. The City had planned on going dark this month and the Chamber planned an event! You may not know, but 200 or so chamber members and their guests are currently at Surf Ranch. In fact, the mixer is going amazing, sort of bummed I had to leave. There is renewed sense of hype. Our businesses can sense the potential for growth. Hashtag #shopANDsurfLemoore has a nice ring to it. So imagine my shock when I hear that the meeting has been placed back on the calendar and not because the proposed tax increase has been thoroughly researched for a significant amount of time but because the lack of time meant we had to rush through a study session and meet today so that we do not miss the deadline for the item to be placed on the ballot. Our own lack of planning meant we could not hold adequate study sessions and take the time to responsibly review all options or properly engage with our community. We now have to rush through and approve the proposal TODAY if we have any hopes of placing this on the ballot. Our citizens, businesses

and consumers deserve more than our throw anything at the wall and hope it sticks options. I am not saying we should never discuss raising any taxes ever, I am saying that this City has a reputation of knee-jerk reactions and our economy is suffering so today is not the day to rush anything. "Just let the voters decide" is something I have heard repeatedly, but by even suggesting we place this on the ballot we send a very clear message to our current and prospective businesses, "When things get tough, we will sacrifice the businesses first". Why would any business want to stay open or build here when we have less people than Hanford and now potentially higher taxes? This does not make for a pro-business environment. We deserve long term strategic planning, not shoot from the hip and hope something works.

I know we are in a deficit, our own Chamber money was cut last year. But we are not so far gone that we cannot take the time to responsibly form a plan that doesn't require our businesses to suffer and doesn't place the burden squarely on the consumers who already pay far too much in taxes. Simply put, the website claims we are a city with a pro-business attitude. An aggressive and desperate attempt at a 1% sales tax increase does not support this claim.

At the end of the day, please do not try to take an estimated \$1.9 million dollars out of our citizen's pockets because council was rushed into this decision. Our businesses, citizens and consumers deserve better than that.

Item No: 3-2

To: Lemoore City Council

From: Nathan Olson, City Manager

Proposed Motion:

After conducting the second hearing on proposed Ordinance No. 2018-03, approve the Cost Sharing Sidewalk Repair Program with the understanding that there will two (2) months of advertising before any applications will be approved, waive the reading of the ordinance in its entirety, and adopt the ordinance.

Subject/Discussion:

On June 18, 2018, City Council approved the first reading of Ordinance No. 2018-05 with the caveat that two (2) months advertising be completed prior to accepting applications in order for all the public to have the opportunity to apply.

Sidewalk maintenance has been a long term issue for the community and the City. California Streets and Highway Code Section 5610 state the responsibility of sidewalk maintenance and repair falls on the adjacent property owners, however the City acknowledges that this responsibility can become quite costly, and can become a burden to the property owner.

As an incentive to repair sidewalks that are in a state of disrepair, and ease the burden of the cost, staff has drafted an ordinance creating a cost sharing program. Property owners, or tenants, may submit an application to get reimbursed up to \$2,500 for the repair of their damaged sidewalk, including tree removal and replacement.

Eligibility requirements include:

- Submitting an application prior to work commencing
- Sidewalk(s) must be within City limits
- Appropriate permits must be filed prior to work being started
- Work must pass a City inspection prior to reimbursement being issued

This program would be first-come first-served program with funds limited to the current year's budget. Applications received after all current year funds are expended will be held for the following fiscal year.

City Council held a public meeting during the June 19, 2018 meeting, and approved the first reading of Ordinance 2018-05 on a 4-1 vote.

Financial Consideration(s):

For fiscal year 2018-2019 the proposed budget is \$100,000 for CIP 5717 funded with General Fund monies.

Alternatives or Pros/Cons:

Pros:

- The program would create an incentive to repair damaged sidewalks, alleviating safety risks within the City.

Cons:

- A cost of \$100,000 which is already included in the proposed 2018-2019 budget.

Commission/Board Recommendation:

Not Applicable.

Staff Recommendation:

Staff recommends City Council hold the second hearing on proposed Ordinance No. 2018-05, approving the Cost Sharing Sidewalk Program, waive the reading of the ordinance in its entirety and adopt the ordinance. If the Ordinance is adopted, the Program would be established in 30 days and applications would be accepted after two months of advertising.

ORDINANCE NO. 2018-05

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF LEMOORE
ADDING CHAPTER 13 AND 14, AND SECTIONS 7.13.01 THROUGH 7.13.07, AND
SECTIONS 7.14.01 THROUGH 7.14.04 TO TITLE 7 OF THE CITY OF LEMOORE
MUNICIPAL CODE PERTAINING TO SIDEWALK AREA MAINTENANCE AND
REPAIR AND COST REIMBURSEMENT**

The City Council of the City of Lemoore does ordain as follows:

SECTION 1. Findings.

A. Pursuant to section 5610 of the Streets and Highways Code, landowners adjacent to public sidewalk areas are responsible for maintaining such sidewalk areas in a safe condition that does not interfere with the public's convenience.

B. Pursuant to section 5615 of the Streets and Highways Code, the superintendent of streets and repairs (in Lemoore, the Public Works Director) may repair and maintain a sidewalk area if the adjacent landowner does not, and assess and charge the abutting landowner for the cost of such repairs.

C. Under the Lemoore Municipal Code, the adjacent landowner currently bears no responsibility to the general public for maintaining safe conditions on adjacent sidewalk areas, other than a duty of ordinary care, and cannot be held liable for personal injuries borne by the general public resulting from unsafe sidewalk area conditions.

D. This Ordinance is designed to clarify the sidewalk area maintenance responsibilities of adjacent landowners, and to expressly make them liable to members of the general public for personal or property damage that results from the landowner's failure to maintain the adjacent sidewalk area.

SECTION 2. Adoption of Chapter 7.13.

Chapter 7.13, and Sections 7.13.01 through 7.13.07, of Title 7 of the Lemoore Municipal Code, are hereby added to read as follows:

Chapter 7.13

SIDEWALK AREA MAINTENANCE AND REPAIR

Sec. 7.13.01 Purpose and applicability.

It is the purpose of this chapter to provide sidewalk area maintenance and repair procedures which are alternative and supplementary to the procedures set forth in Streets and Highways Code, Division 7, Part 3, Chapter 22, commencing at Section 5600, as those sections now exist or may hereafter be amended or renumbered. The City, in each instance, may follow the procedures set

forth in the Streets and Highways Code or those set forth in this chapter, or some combination thereof. In the event of any conflict between the provisions of the Streets and Highways Code and this chapter, the provisions of this chapter shall control.

Sec. 7.13.02 Definitions.

For purposes of this chapter, the following definitions apply:

- (a) “Defective sidewalk” means a sidewalk area where, in the judgment of the director, the vertical or horizontal line or grade is altered or displaced to the extent that a safety hazard exists, or the sidewalk area is in such a condition as to endanger property or persons using the sidewalk area in a reasonable manner, or is in such a condition as to interfere with the public convenience in the use thereof.
- (b) “Director” means the public works director, or his/her designee; “director” shall have the same meaning as the terms “superintendent of streets” and “City engineer” as those terms are utilized in the Streets and Highways Code Section 5600 *et seq.*
- (c) “Lot,” “lots” or “portions of a lot” means a parcel of real property located within the City adjacent to or fronting on any portion of a sidewalk area, and when used in connection with the phrase, “adjacent to or fronting on the defective sidewalk,” or variation thereof, shall refer to the property in front of or along the side of the defective sidewalk.
- (d) “Maintain and repair” shall mean maintenance so that the sidewalk area remains in a condition that is not dangerous to property or persons using the sidewalk area in a reasonable manner and in a condition that will not interfere with the public convenience in use of the sidewalk area, and shall include, but not be limited to: maintenance and repair of sidewalks including grinding, removal and replacement of sidewalks; maintenance and repair of curbs and gutters; removal and filling or replacement of parking strips; removal of weeds and/or debris; supervision and maintenance of permissible signs and removal of impermissible signs; tree root pruning and installing root barriers; trimming of trees, shrubs and/or ground cover including areas within park strips and between the property line of the adjacent property and the street pavement line.
- (e) “Owner” means any person owning a lot, lots, or portions of a lot within the City, adjacent to or fronting on any portion of a sidewalk area.
- (f) “Person” shall include a natural person, joint venture, joint stock company, partnership, association, club, company, corporation, business, trust, organization, or the manager, lessee, agent, servant, officer or employee of any of them
- (g) “Sidewalk area” means that portion of a street between the street pavement line and the adjacent property line, including curbs and gutters, sidewalks, a park or parking strip, bulkheads, retaining walls, or other works for the protection of any sidewalk area.

Sec. 7.13.03 Owner's duty to maintain and repair sidewalk areas.

The owner of a lot, lots or portions of a lot adjacent to or fronting on any portion of a sidewalk area shall maintain the sidewalk area in a safe and non-dangerous condition, and shall repair such sidewalk area and pay the costs and expenses therefor, including, but not limited to, charges for the City's costs of inspection and administration whenever the City undertakes sidewalk maintenance and repair pursuant to sections 7.13.05 and 7.13.06 of this chapter, and including the costs of collection and placing any assessment lien on the property due to failure of the owner to promptly pay such costs. The procedures set forth in Streets and Highways Code Sections 5600 *et seq.* shall apply to the imposition and collection of costs and assessments.

Sec. 7.13.04 Liability for injuries to public.

The owner required by Section 7.13.03 to maintain and repair the sidewalk area shall owe a duty to members of the public to keep and maintain the sidewalk area in a safe and non-dangerous condition. If, as a result of the failure of any property owner to maintain the sidewalk area in a safe and non-dangerous condition as required by Section 7.13.03, any person suffers injury to or damage to person or property, the owner shall be liable to such person for the resulting damage or injury.

Sec. 7.13.05 Notice to repair.

Where the director has actual notice of the existence of a defective sidewalk, the director may give written notice to repair the defective sidewalk to the owner of the lot, lots or portions thereof adjacent to or fronting on the defective sidewalk. Service of the notice to repair shall be by either regular U.S. mail or by personal service. The notice to repair shall particularly specify what work is required to be done and how the same is to be done and what materials shall be used in the repair; that if the owner proceeds to undertake the repair by private contract, his/her activities will be governed by the provisions of this chapter; the time period within which the repair must be commenced by the owner; and that if the repair is not commenced within such time period and prosecuted diligently without interruption to completion, the director may proceed with the repair, and the cost shall be a lien on the property upon the owner's failure to timely reimburse the City for such cost pursuant to section 7.13.06. The materials and construction work shall be in strict conformance with the applicable portions of the City's standard specifications as they now exist, or as they may hereafter be amended.

For the purposes of this section, the owner is deemed to timely commence the repair of the defective sidewalk by the filing of an application for an encroachment permit with the Planning and Development Services Department within the time period specified in the notice to repair.

Sec. 7.13.06 Failure to make required repairs.

If the person(s) provided with a notice to repair fails to commence the repairs within the time period specified in said notice, or timely commences the repair but fails to diligently prosecute the same without interruption to completion, the director may thereafter cause the City to make the required repairs and bill the person(s) for the cost thereof. If such person(s) fails to pay the cost within the

time period specified in the payment invoice, the unpaid sum shall be a lien on the lot, lots or portions thereof adjacent to or fronting on the defective sidewalk.

Sec. 7.13.07 Exception for City installed and maintained trees.

Notwithstanding the provisions of sections 7.13.03 and 7.13.04, the owner of a lot, lots or portions of a lot adjacent to or fronting on any portion of a sidewalk area shall not be required to repair any defective sidewalk if its condition was caused by a City planted and maintained tree in any street, right of way, park or other public place.

Chapter 7.14, and Sections 7.14.01 through 7.13.04, of Title 7 of the Lemoore Municipal Code, are hereby added to read as follows:

Proposed Motion:

Approve the Oversight Board recommendation for the sale of Redevelopment Agency property to the City of Lemoore in the amount of \$232,275.

Subject/Discussion:

The City is working to develop acreage in the Lemoore Industrial Park north of Idaho Avenue. The proposed project has the potential to generate additional property tax revenue and increase economic development. However, a retention basin is located on the site just north of Idaho Avenue. The Lemoore Redevelopment Agency (RDA) owns 35 acres adjacent to the site just south of Idaho Avenue. The RDA site is the preferred location (map attached) should the City desire to relocate the basin.

Additionally, City staff has been looking into various opportunities to be environmentally conscience. One such option is to create a municipal food waste composting program in which to re-use commercial food waste. The subject site could easily house both the retention basin and the commercial food composting program.

As approved by the California Department of Finance (DOF), the permissible use of redevelopment agency property, as identified in the Long Range Property Management Plan (Plan), is "Sale of Property". The estimated value of the property at the time the Plan was approved by the DOF was \$232,275. During its meeting on June 28, 2018, the Lemoore Oversight Board agreed to the sale of the 35 acres to the City of Lemoore for the value listed in the Plan. Attached for your consideration is the Agreement for Purchase and Sale of Real Property (Agreement) identifying the terms of the acquisition.

The California Department of Finance (DOF) approved the Redevelopment Agency's Plan on March 12, 2014. Pursuant to HSC section 34191.5 (f), actions to implement the disposition of property pursuant to an approved Plan are no longer subject to DOF's review. However, for transparency, if approved, this item will be sent to the DOF for review.

Financial Consideration(s):

The revenue from the sale of former Redevelopment Agency property is divided between the taxing entities. Property would be paid from reserves in Enterprise Funds, 056-4256 Refuse and 060-4260 Wastewater.

Alternatives or Pros/Cons:

Pros:

- The taxing entities will receive revenue from the sale of the property
- The sale of the property is beneficial to the community of Lemoore
- The sales of property will further wind down the Lemoore Redevelopment Agency

Commission/Board Recommendation:

On June 28, 2018, during a duly noticed Lemoore Oversight Board (Board) meeting, the Board adopted Resolution No. 2018-03 authorizing the sale of the 35 acres to the City of Lemoore for the value listed in the Long Range Property Management Plan.

Staff Recommendation:

Acquisition of additional property in the Lemoore Industrial Park is essential for the City's economic development efforts. It is recommended that the Lemoore Redevelopment Successor Agency approve the Oversight Board recommendation for the sale of Redevelopment Agency property to the City of Lemoore in the amount of \$232,275, identified as APN 024-080-068 and APN 024-080-070.

WHEREAS, the Lemoore Oversight Board convened on June 28, 2018, and directed the Lemoore Successor Agency to execute said Agreement; and

NOW, THEREFORE, THE LEMOORE OVERSIGHT BOARD FOR THE LEMOORE SUCCESSOR AGENCY TO THE FORMER LEMOORE REDEVELOPMENT AGENCY HEREBY RESOLVES AS FOLLOWS:

Proposed Motion:

Approve Resolution 2018-38, approving ballot measure text to be submitted to the voters related to a general transaction and use tax of 1% to be designated as measure “__” to be submitted to voters and consolidated with the Statewide General Election on November 6, 2018.

Subject/Discussion:

On June 5, 2018, City Council directed staff to bring forward a general tax option to City Council. The State of California authorizes cities to seek approval of additional sales and use taxes “Transaction Taxes” to enhance services in their communities. Because this proposed Transaction Tax would be used for general city services it is a general tax which is intended to increase revenues in order to allow the City to maintain, restore and/or enhance such City services. Because the tax is a general tax a majority of voters (50% +1) must approve such a tax. Pursuant to the Lemoore Municipal Code, a general tax may only be submitted for voter approval during a general statewide election in which a City Council seat is up for election, unless a unanimous vote of City Council declares an emergency.

“In God We Trust”

The current State sales tax amount is set at a rate of 7.25% for the City of Lemoore. The “base” statewide sales tax rate of 7.25 percent is distributed as follows:

- The state general fund (3.9375%)
- County realignment programs (1.5625%)
- Supplemental local law enforcement grants (.5%)
- Transportation programs in the county where the transportation occurs (.25%)
- **The City where the transaction occurred (1%)**

The proposed sales tax revenue of 1% from the State tax for the fiscal year 2018-2019 is \$1,900,000. If the citizens of Lemoore vote to add a Transaction Tax of 1% the proposed additional income would be approximately \$1,900,000.

Adoption of this resolution does not enact the tax, it simply places the question of an additional 1% tax, all of which would stay within the City of Lemoore for the benefit of its citizens, on the ballot in November, so that the Citizen’ s of Lemoore can decide the question.

Financial Consideration(s):

An estimated increase of \$1,900,000 in general fund revenue. Estimated costs to place the item on the November ballot is \$15,000 according to the Kings County Elections Office.

Staff Recommendation:

Staff recommends approval of the ordinance, placing the general sales tax on the ballot for November 2018.

Proposed Motion:

Approve the introduction (first reading) of Ordinance 2018-06, an ordinance adding Article C to Chapter 3 of Title 3 of the City of Lemoore Municipal Code; waive the reading of the ordinance in its entirety; and set the second reading of the ordinance for the regularly scheduled City Council meeting on August 7, 2018.

Subject/Discussion:

Assuming the City Council adopts the Resolution to place the Transaction and Use tax on the November 6, 2018 ballot, as discussed during tonight's meeting, the Council must adopt an operative ordinance prior to the election. This ordinance will not be effective unless the tax measure is approved by 50% + 1 of the registered voters within the City. Further, if approved the ordinance would require Council to audit the tax proceeds every year and establish a Citizen's Oversight Committee, prior to the implementation of the tax.

The Ordinance further establishes the tax as an amount of up to 1%, but Council by resolution could determine each year a % less than 1%. Further, the Ordinance places a sunset date on the tax and unless renewed by the voters would cease after 7 years.

Financial Consideration(s):

Not Applicable.

Staff Recommendation:

Staff recommends approval of the ordinance if Council adopts resolution 2018-06.

ORDINANCE NO. 2018 - 06

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF LEMOORE
ADDING ARTICLE C TO CHAPTER 3 OF TITLE 3 OF THE CITY OF LEMOORE
MUNICIPAL CODE RELATING TO A TRANSACTION AND USE TAX**

The City Council of the City of Lemoore does ordain as follows:

SECTION 1. Article C to Chapter 3 of Title 3 is hereby added to the Municipal Code to read as follows in its entirety:

3-3C Transactions and Use Tax

3-3C-1 Title

This chapter shall be known as the City of Lemoore Transactions and Use Tax Ordinance.

3-3C-2 Purpose.

This chapter is adopted to achieve the following, among other purposes, and directs that the provisions of this chapter be interpreted in order to accomplish those purposes:

- A. To impose a retail transactions and use tax to be applied throughout the entire territory of the city to the fullest extent permitted by law and in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.9 of Part 1.7 of Division 2 of the Revenue and Taxation Code, which authorizes the city to adopt this chapter if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.
- B. To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the sales and use tax law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.
- C. To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefor that can be administered and collected by the State Board of Equalization in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the State Board of Equalization in administering and collecting the California State sales and use taxes.
- D. To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this chapter.

E. To provide transactions and use tax revenue to the City to be used for the general governmental purposes of the City and with any transactions and use tax revenue received being placed into the City's general fund.

3-3C-3 Operative Date.

This chapter shall be operative on the first day of the first calendar quarter commencing at least 110 days after the adoption of the ordinance codified in this chapter by vote of the electorate on November 6, 2018.

3-3C-4 Contract with State.

Prior to the operative date, the City shall contract with the State Board of Equalization to perform all functions incident to the administration and operation of this transactions and use tax ordinance; provided, that if the City shall not have contracted with the State Board of Equalization prior to the operative date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such contract.

3-3C-5 Transactions and Sales Tax Rate.

For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated territory of the City at the rate of up to one percent (1%) of the gross receipts of any retailers for the sale of all tangible personal property sold at retail in said territory on and after the operative date of this chapter.

3-3C-6 Place of Sale.

For the purposes of this chapter, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his or her agent to an out-of-State destination or to a common carrier for delivery to an out-of-State destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the State sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the State Board of Equalization.

3-3C-7 Use Tax Rate.

An excise tax is hereby imposed on the storage, use, or other consumption in the City of tangible personal property purchased from any retailer on and after the operative date of this Chapter for storage, use, or other consumption in said territory at the rate of up to one percent (1%) of the sales price of the property. The sales price shall include delivery charges when such charges are subject to State sales or use tax regardless of the place to which delivery is made.

3-3C-8 Adoption of Provisions of State Law.

Except as otherwise provided in this chapter and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this Chapter as though fully set forth herein.

3-3C-9 Limitation on Adoption of State Law and Collection of Use Taxes.

In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

A. Wherever the State of California is named or referred to as the taxing agency, the name of this City shall be substituted. The substitution, however, shall not be made when:

1. The word “State” is used as a part of the title of the State Controller, State Treasurer, State Board of Control, State Board of Equalization, State Treasury, or the Constitution of the State of California.

2. The result of that substitution would require action to be taken by or against this city or any agency, officer, or employee thereof rather than by or against the State Board of Equalization, in performing the functions incident to the administration or operation of this chapter.

3. In those sections, including, but not necessarily limited to, sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:

- a. Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code; or
- b. Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the State under the said provision of that Code.

4. In Sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797 or 6828 of the Revenue and Taxation Code.

B. The word “City” shall be substituted for the word “State” in the phrase “retailer engaged in business in this State” in Section 6203 and in the definition of that phrase in Section 6203.

3-3C-10 Permit Not Required.

If a seller’s permit has been issued to a retailer under Section 6067 of the Revenue and Taxation Code, an additional seller’s permit shall not be required by this chapter.

3-3C-11 Exemptions and Exclusions.

A. There shall be excluded from the measure of the transactions and sales tax and the use tax the amount of any sales tax or use tax imposed by the State of California or by any city, city and county, or county pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law or the amount of any State-administered transactions or use tax.

B. There are exempted from the computation of the amount of transactions tax the gross receipts from:

1. Sales of tangible personal property, other than fuel or petroleum products, to operators of aircraft to be used or consumed principally outside the county in which the sale is made and directly and exclusively in the use of such aircraft as common carriers of persons or property under the authority of the laws of this State, the United States, or any foreign government.

2. Sales of property to be used outside the city which is shipped to a point outside the city, pursuant to the contract of sale, by delivery to such point by the retailer or his or her agent, or by delivery by the retailer to a carrier for shipment to a consignee at such point. For the purposes of this paragraph, delivery to a point outside the city shall be satisfied:

- a. With respect to vehicles (other than commercial vehicles) subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, and undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code by registration to an out of city address and by a declaration under penalty of perjury, signed by the buyer, stating that such address is, in fact, his or her principal place of residence; and
- b. With respect to commercial vehicles, by registration to a place of business out-of-city and declaration under penalty of perjury, signed by the buyer, that the vehicle will be operated from that address.

3. The sale of tangible personal property if the seller is obligated to furnish the property for a fixed price pursuant to a contract entered into prior to the operative date of the ordinance codified in this chapter.

4. A lease of tangible personal property which is a continuing sale of such property, for any period of time for which the lessor is obligated to lease the property for an amount fixed by the lease prior to the operative date of the ordinance codified in this chapter.

5. For the purposes of subsections (B)(3) and (B)(4) of this section, the sale or lease of tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

C. There are exempted from the use tax imposed by this chapter, the storage, use or other consumption in this city of tangible personal property:

1. The gross receipts from the sale of which have been subject to a transactions tax under any State-administered transactions and use tax ordinance.

2. Other than fuel or petroleum products purchased by operators of aircraft and used or consumed by such operators directly and exclusively in the use of such aircraft as common carriers of persons or property for hire or compensation under a certificate of public convenience and necessity issued pursuant to the laws of this State, the United States, or any foreign government. This exemption is in addition to the exemptions provided in Sections 6366 and 6366.1 of the Revenue and Taxation Code of the State of California.

3. If the purchaser is obligated to purchase the property for a fixed price pursuant to a contract entered into prior to the operative date of this chapter.

4. If the possession of, or the exercise of any right or power over, the tangible personal property arises under a lease which is a continuing purchase of such property for any period of time for which the lessee is obligated to lease the property for an amount fixed by a lease prior to the operative date of this chapter.

5. For the purposes of subsections (C)(3) and (C)(4) of this section, storage, use, or other consumption, or possession of, or exercise of any right or power over, tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

6. Except as provided in subsection (C)(7) of this section, a retailer engaged in business in the city shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the property into the city or participates within the city in making the sale of the property, including, but not limited to, soliciting or receiving the order, either directly or indirectly, at a place of business of the retailer in the city or through any representative, agent, canvasser, solicitor, subsidiary, or person in the city under the authority of the retailer.

7. "A retailer engaged in business in the city" shall also include any retailer of any of the following: vehicles subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, or undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code. That retailer shall be required to collect use tax from any purchaser who registers or licenses the vehicle, vessel, or aircraft at an address in the city.

D. Any person subject to use tax under this chapter may credit against that tax any transactions tax or reimbursement for transactions tax paid to a district imposing, or retailer liable for a transactions tax pursuant to Part 1.6 of Division 2 of the Revenue and Taxation Code with respect to the sale to the person of the property the storage, use or other consumption of which is subject to the use tax.

E. Nothing in this chapter shall be construed as imposing a tax upon any person or service when the imposition of such tax upon such person or service would be in violation of a federal or state statute, the Constitution of the United States, or the Constitution of the State of California.

3-3C-12 Amendments.

All amendments subsequent to the effective date of this chapter to Part 1 of Division 2 of the Revenue and Taxation Code relating to sales and use taxes and which are not inconsistent with Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, and all amendments to Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, shall automatically become a part of this chapter, provided however, that no such amendment shall operate so as to affect the rate of tax imposed by this chapter.

3-3C-13 Enjoining Collection Forbidden.

No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action, or proceeding in any court against the State or the City, or against any officer of the State or the City, to prevent or enjoin the collection under this chapter, or Part 1.6 of Division 2 of the Revenue and Taxation Code, of any tax or any amount of tax required to be collected.

3-3C-14 Independent Annual Audit.

The proceeds resulting from this transactions and use tax shall be deposited into the City's general fund and become subject to the same independent annual audit requirements as other general fund revenue. The independent auditor's report, which shall include an accounting of the revenues received and expenditures made from the transactions and use tax, will be presented annually to the City Council and made available for public review.

3.26.150 Citizens Oversight Committee.

Although not otherwise required by law, the City Council shall, by resolution adopted before the operative date of this chapter, establish a citizens' oversight committee to review the revenue and expenditure of funds from the tax adopted by this chapter. The members' terms and qualifications, and duties and scope of the committee, shall be as established by the resolution.

3.26.160 Termination Date.

The authority to levy the tax imposed by this chapter shall expire on March 31, 2025.

SECTION 2.

Severability. If any portion of this ordinance is for any reason held to be invalid or unenforceable by a court of competent jurisdiction, the remaining portions of this ordinance shall remain in effect. The people of the City of Lemoore hereby declare that they would have adopted each portion of this ordinance, notwithstanding that any one of more portions of this ordinance is declared invalid or unenforceable and, to that end, the provisions of this ordinance are severable.

SECTION 3.

Majority Approval; Effective Date. This ordinance relates to the levying and collecting of transactions and use taxes and shall take effect immediately upon approval by a majority of the voters voting on this ordinance and shall be operative on the date specified above.

The foregoing Ordinance was introduced at a regular meeting of the City Council of the City of Lemoore held on the 17th day of July 2018 and passed and adopted at a regular meeting of the City Council held on the ____ day of _____, 2018 by the following vote:

Item No: 5-1

From: Nathan Olson, City Manager

Subject: Acquisition of Redevelopment Agency Property in the amount of \$232,275 – APN 024-080-068 (23 acres) and APN 024-080-070 (12 acres)

Proposed Motion:

Approve the Agreement for Purchase and Sale of Real Property for the purchase of 35 acres of land, identified as APN 024-080-068 and APN 024-080-070, from the Lemoore Redevelopment Agency for a price of \$232,275.

Subject/Discussion:

The City is working to develop acreage in the Lemoore Industrial Park north of Idaho Avenue. The proposed project has the potential to generate additional property tax revenue and increase economic development. However, a retention basin is located on the site just north of Idaho Avenue. The Lemoore Redevelopment Agency (RDA) owns 35 acres adjacent to the site just south of Idaho Avenue. The RDA site is the preferred location (map attached) should the City desire to relocate the basin.

Additionally, City staff has been looking into various opportunities to be environmentally conscience. One such option is to create a municipal food waste composting program in which to re-use commercial food waste. The subject site could easily house both the retention basin and the commercial food composting program.

As approved by the California Department of Finance (DOF), the permissible use of redevelopment agency property, as identified in the Long Range Property Management Plan (Plan), is "Sale of Property". The estimated value of the property at the time the Plan was approved by the DOF was \$232,275. During its meeting on June 28, 2018, the Lemoore Oversight Board agreed to the sale of the 35 acres to the City of Lemoore for the value listed in the Plan. Attached for your consideration is the Agreement for Purchase and Sale of Real Property (Agreement) identifying the terms of the acquisition.

The California Department of Finance (DOF) approved the Redevelopment Agency's Plan on March 12, 2014. Pursuant to HSC section 34191.5 (f), actions to implement the disposition of property pursuant to an approved Plan are no longer subject to DOF's review. However, for transparency, if approved, this item will be sent to the DOF for review.

Financial Consideration(s):

The purchase amount of \$232,275 will be a one-time expenditure split equally between the Refuse and Wastewater Enterprise Funds. However, the future development of the Lemoore Industrial Park would generate a significant amount of property tax revenue, which will increase the General Fund annually.

Alternatives or Pros/Cons:

Pros:

- Purchasing the property supports economic development efforts
- Economic development is beneficial to the community of Lemoore due to increase revenues to the General Fund, which supports public safety and municipal services

Commission/Board Recommendation:

On June 28, 2018, during a duly noticed Lemoore Oversight Board (Board) meeting, the Board adopted Resolution No. 2018-03 authorizing the sale of the 35 acres to the City of Lemoore for the value listed in the Long Range Property Management Plan.

Staff Recommendation:

Acquisition of additional property in the Lemoore Industrial Park is essential for the City's economic development efforts. Staff recommends that City Council authorize the purchase of the 35 acres from the Lemoore Redevelopment Agency.

Proposed Motion:

Approval the Option Agreement with KKAL, LP for 84.22 acres within the Lemoore Industrial Park.

Subject/Discussion:

This agenda item is to consider an Option Agreement with KKAL, LP on 84.22 acres in the Lemoore Industrial Park, east of State Route 41 and North of Idaho Avenue. The Option Agreement which reserves an interest in the property and will allow the developer to begin marketing said property until such time as the Disposition and Development Agreement (DDA) is available for consideration by Lemoore City Council.

The California Environmental Quality Act (CEQA) documents are out for circulation and comments. DDA's cannot be finalized without the approved CEQA process. During the 12 month option period the City must keep the property as-is, and may not encumber the property. Additionally, during the 12 month option period, KKAL, LP may conduct due diligence as to the property, but in doing so must not alter the property. KKAL, LP may exercise the option to enter the DDA, upon City Council approval, which will outline the purchase the property, the improvements required and a timetable for completion of construction and escrow conditions. Should KKAL, LP decide to exercise the option to enter the DDA, the developer will then proceed with development as outlined in approved DDA.

"In God We Trust"

Financial Consideration(s):

The approximate value of the 84.22 acres is \$4,315,000. The final DDA will detail the requirements of both the City and the developer. It is anticipated the city will provide wet utilities and roadway throughout the development.

Alternatives or Pros/Cons:

Pros:

- May encourage interest and growth in the community.
- Anticipated to create approximately 1350 jobs.

Cons:

- The Developer may opt not to build on the property, which would delay growth in the area.

Commission/Board Recommendation:

Not Applicable.

Staff Recommendation:

Staff recommends approval of the Option Agreement, moving forward with a Development & Disposition Agreement with KKAL, LP.

NOW, THEREFORE, in consideration of the foregoing mutual promises of the Parties herein contained, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

- b. This Option is granted in consideration of a deposit of \$10 that shall be paid by KKAL to Owner no later than one (1) year from the Effective Date ("Deposit"). The Deposit shall be retained by the Owner. In the event KKAL does not exercise this Option, the Deposit will be immediately due and payable to Owner unless already tendered. In the event KKAL exercises the Option, the Deposit shall be retained by Owner as the escrow deposit in accordance with the terms of the DDA.
- c. During the Option Period, Owner shall not sell, lease, develop, offer to sell or lease, nor otherwise encumber the Property as described in Exhibit "A".

2. Scope of Option Rights; Right of Entry.

The nature and extent of any invasive Tests and Investigations under this section must be approved in advance by Owner. KKAL shall provide Owner or Owner's Agent at least forty-eight (48) hours advance notice of any Tests and Investigations to be performed under this section. For purposes of this Section 2.a, electronic written notice shall be sufficient. Under this section, KKAL has the right, but not the obligation, to perform Tests and Investigations. Should KKAL not exercise its Option to purchase the Property, it shall restore the Property to the condition it was in prior to the commencement of any Tests and Investigations performed under this section. Furthermore, as set forth in greater detail below in Section 3, KKAL shall defend and indemnify Owner for any and all claims, liabilities, and damages arising out of the use of the property by KKAL for Tests and Investigations under this section, including, but not limited to, any claim for dangerous condition of public property, or adverse environmental effect.
- b. Upon request, and with prior consent and direction of Owner or Owner's agent, not to be unreasonably withheld, conditioned, or delayed, KKAL shall have the right to access the Property from 19th Avenue by way of the approximate 84' dirt corridor south of the Olam Property (note on Exhibit A).
- c. KKAL shall be permitted to make and file applications, at KKAL' sole cost and expense, on Owner's behalf to such local, state and federal governmental entities whose approval may be necessary or advisable to enter the Property to perform Tests and Investigations, and to take any actions in furtherance of KKAL' ability to proceed with timely implementation of an industrial development project which may include warehousing facilities, distribution facilities, and the like (the "Project"). Owner shall promptly execute any such application or other documentation, and take any other actions reasonably necessary at KKAL' sole cost, as required by said governmental entity or as would

reasonably assist KKAL.

No waiver will be implied from any delay or failure to take action on account of any default by any Party. Consent by any Party to any act or omission by another Party shall not be construed to be a consent to any other subsequent act or omission or to waive the requirement for consent to be

obtained in any future or other instance.

12. Construction of Agreement.

Each Party acknowledges that it is freely and voluntarily entering into this Option, uncoerced by any other person and that it has been afforded the opportunity to obtain the advice of legal counsel of its choice with regard to this Option in its entirety and understands the same. Proposed Motion:

Approve Real Property License Agreement with Bush Construction and/or Tara Bush for use and occupancy of designated portions of City property known as APN # 024-520-075 and right of way portion of 024-520-076; and authorize the City Manager to sign the Lease Agreement.

Subject/Discussion:

In 2016, Bush Construction entered into a license agreement with the City of Lemoore, allowing construction waste to be deposited on property located off Vine Street (adjacent to the Wastewater Treatment Plant). The City of Lemoore and Bush Construction formalized terms and conditions for a one (1) year period ending October 17, 2017. Bush Construction expressed an interest in having their License Agreement renewed. The proposed agreement is for a two-year term beginning July 17, 2018-July 30, 2020, with a 90-day written termination clause. Should the lease agreement be terminated, Bush Construction is responsible for clean-up of the site.

Bush Construction is responsible for access improvements and any future improvements at their own cost. Construction waste must be clean recyclable, so as to not cause hazardous conditions. Terms may be extended with written agreement by parties.

Financial Consideration(s):

If approved, the City will receive additional funding.

Alternatives or Pros/Cons:

Pros:

- Property is currently used for this purpose.
- City will receive modest revenue.
- Traffic and business presence in a sparsely populated area.

- g. License/Permit. If any license, permit, or other governmental authorization is required for the lawful use or occupancy of the Premises, Licensee shall procure and maintain it throughout the term of this Agreement.

- h. Waste and Nuisance. Licensee shall not use the Premises, or allow the Premises to be used, in any manner that will constitute a waste, nuisance, or unreasonable annoyance to the neighborhood adjacent to the Premises.
 - i. Maintenance. Licensee, at its sole cost and expense, shall at all times during the term of this Agreement keep and maintain the Premises and all personal property, buildings, structures and improvements thereon in good order and condition, and free from rubbish, all satisfactory to City.
- 6. Utilities. Licensee shall make all arrangements for and be solely responsible for paying for all applicable utilities and services furnished to or used by Licensee or its agents and invitees in connection with the Premises including, but not limited to, gas, electricity, water, sewer, telephone, cable, trash collection and for all applicable connection charges.
- 7. Indemnification. Licensee hereby releases and shall indemnify, hold harmless and defend City and City's officials, officers, employees, agents, and volunteers from and against all liability, claims, suits, damages, losses, costs, and expenses, including reasonable attorneys' fees, incurred in connection with or arising out of (1) the use, occupation or control of the Premises by Licensee, its agents, employees, invitees, sub-users, or volunteers; (2) any breach of Licensee's performance obligations under this Agreement; or (3) any acts, omissions or negligence of Licensee or any person or entity claiming through or under Licensee, or Licensee's agents, employees, contractors, invitees or visitors, except to the extent such claim, suit, damage, loss or expense is caused by the sole negligence or willful misconduct of City or City's officials, officers, employees, agents, or volunteers. The provisions of this paragraph shall survive the expiration or termination of this Agreement.
- 8. Insurance Requirements. Licensee, at its sole cost and expense, shall procure and maintain, for the duration of this Agreement, insurance against claims for injuries to persons and for damage to property that may arise from or in connection with the use, occupation or control of the Premises by Licensee or its agents, employees, invitees, sub-users, or volunteers. The cost of such insurance shall be borne by Licensee. The minimum scope, amounts, and terms of the insurance are set forth in **Exhibit E**.
- 9. Environmental Warranties. City hereby represents and warrants that it has not caused or knowingly permitted any contamination by Hazardous Materials (as defined herein) to occur on, at, about, or within the Premises, whether before or after the execution of this Agreement; and otherwise knows of no such contamination of Hazardous Materials on, at, about, or within the Premises. The term "Hazardous Materials" when used in this Agreement shall mean any hazardous waste, hazardous substance, hazardous materials or toxic substances as defined, as of the License Date, in any federal, state, or local statute, ordinance, rule, or regulation applicable to the Premises, and any substance defined as "hazardous waste" in Health and Safety Code section 25117 or as a "hazardous substance" in Health and Safety Code section 25316, and in the regulations adopted and publications promulgated under these laws. "Hazardous Materials" shall also include asbestos or asbestos-containing materials, radon gas, and petroleum or petroleum

fractions, whether or not defined as a hazardous waste or hazardous substance in any such statute, ordinance, rule, or regulation as of the License Date.

Licensee warrants and represents that it will not use, generate, manufacture, produce, store, or dispose of, on, under, or about Premises, or transport to or from the Premises, any Hazardous Materials, polychlorinated biphenyls (PCBs), or petroleum (including crude oil or any fraction or derivative thereof), except those uses incidental to the installation and maintenance of any approved improvements on the Premises and in accordance with all applicable laws and regulations. Licensee shall, at its expense, comply with all applicable laws, regulations, rules and orders, regardless of when they become or became effective, including without limitation those relating to health, safety, noise, environmental protection, waste disposal, and water and air quality, and furnish satisfactory evidence of such compliance upon request of City.

Licensee shall not permit to be piled or stored upon the Premises any Hazardous Materials, gun powder, dynamite, gasoline, or explosive substance or material, except where used in the ordinary course of Licensee's business and in compliance with all applicable laws.

Should any discharge, leakage, spillage, emission, or pollution of any type -including but not limited to the substances and materials identified in the previous sentence -occur upon or from the Premises due to Licensee's use and occupancy thereof either before or after the execution of this Agreement, Licensee, at its expense, shall be obligated to clean the Premises to the satisfaction of City and any governmental body having jurisdiction over the Premises.

Licensee agrees to indemnify, defend and hold harmless City against all liability, cost and expense (including without limitation any fines, penalties, judgments, litigation costs and attorneys' fees) incurred by City as a result of Licensee's breach of this section, or as a result of any such discharge, leakage, spillage, emission, or pollution, regardless of whether such liability, cost or expense arises during or after the Agreement term, unless such liability, cost or expense is proximately caused solely by the active negligence of City.

Licensee shall pay all amounts due City under this section, as additional license fees, within ten (10) days after any such amounts become due and owing by City. If not timely paid, the amounts due shall bear interest at the rate of ten percent (10%) per annum from the date due.

10. **Liens and Claims.** Licensee shall promptly and fully pay for all materials for any improvements installed or constructed on the Premises and shall promptly and fully pay all persons who perform labor on said improvements. If any mechanics' or material men's liens or any other liens or claims for any work done or materials furnished at Licensee's request are filed against the Premises, Licensee shall remove the liens and claims at Licensee's own expense. If Licensee fails to remove the liens or claims and any judgment is entered thereon or thereunder, Licensee shall pay that judgment. Should Licensee fail, neglect, or refuse to remove any lien or claim or to pay any judgment in a

timely manner, City shall have the right to pay any amount required to release any such liens or claims, or to defend any action brought on the liens or claims and to pay any judgment entered on the liens or claims. Under those circumstances, Licensee shall be liable to City for all costs, damages, reasonable attorneys' fees, and any amounts expended by City in defending any proceedings or in the payment of any of said liens or claims or any judgment obtained therefore. City may post and maintain upon the Premises a notice of non-responsibility.

11. Leasehold Encumbrances. Licensee shall not encumber by deed of trust, mortgage or other security instrument, all or a part of Licensee's interest under this Agreement without the advance and express written consent of City, and upon such terms and conditions as City may require. Any encumbrance existing as of the License Date shall be subject to all covenants, conditions, or restrictions set forth in this Agreement and to all rights and interests of City.
12. Sale or Hypothecation of Licensee's Improvements. Licensee shall not sell or hypothecate any of its fixed improvements upon the Premises without first obtaining City's written consent therefor.
13. Non-Assignment. This Agreement is specific to Licensee and the use described herein, may not be assigned or sub-licensed/leased without the prior express written consent of City, and shall automatically terminate should Licensee no longer own or lease the Premises.
14. Premises Licensed "AS IS". The Premises are licensed to Licensee, and Licensee accepts the Premises, in its existing "AS IS" condition on the License Date. City shall not be required to make or construct any alteration including structural changes, additions or improvements to the Premises and shall have no maintenance or repair obligations with respect to the Premises. Licensee expressly waives the provisions of sections 1941 and 1942 of the California Civil Code and all rights to make repairs at the expense of City as provided in section 1942 of the Civil Code. Licensee acknowledges that neither City, nor any officer, employee or agent of City has made any representation or warranty with respect to the condition of the Premises, the suitability of the Premises for the intended use by Licensee, or compliance of the Premises with the Americans with Disabilities Act of 1990 (or any accessibility guidelines or other regulations promulgated thereunder). Any agreements, warranties or representations not expressly contained in this Agreement shall in no way bind City or Licensee, and City and Licensee expressly waive all claims for damages by reason of any statement, representation, warranty, promise or agreement, if any, not contained in this Agreement.
15. Bankruptcy. City shall have the right to terminate this Agreement by written notice and to take exclusive possession of the Premises in the event (a) Licensee is adjudged a bankrupt; (b) Licensee becomes insolvent; (c) any action or proceeding for debtor relief of Licensee is commenced by Licensee; or (d) Licensee seeks general debtor relief by extrajudicial means.

Receipt of license fees, rent or other payments from any person for use of the Premises shall not constitute a waiver of City's right to terminate as above set forth. If there are two or more Licensees hereunder, or if Licensee is a partnership, City's right to terminate shall arise in the event any one of the Licensees or partners is adjudged a bankrupt, becomes insolvent, seeks general debtor relief, or commences or becomes subject to any of the proceedings set forth above.

16. **Reservations.** City reserves for itself and those to whom it grants such right, the right to construct, maintain and operate any existing and new or additional pipes, communication (including, but not limited to, fiber optic) and power transmission facilities upon, over, and beneath the Premises, so long as the exercise of such right does not unreasonably interfere with Licensee's rights under this Agreement.

City reserves the title and exclusive right to all of the minerals and mineral ores of every kind and character now known to exist or hereafter discovered upon, within or underlying the Premises, or that may be produced therefrom, including, without limiting the generality of the foregoing, all petroleum, oil, natural gas and other hydrocarbon substances and products derived therefrom, together with exclusive and, perpetual right thereto, without, however, the right to use or penetrate the surface of, or to enter upon the Premises within five hundred feet (500') of the surface thereof to extricate or remove the same.

17. **Subterranean Facilities.** The absence of markers, monuments or maps indicating the presence of subterranean facilities, whether belonging to City or otherwise, does not constitute a warranty or representation that none exist. Licensee accepts this Agreement with full cognizance of the potential presence of such, acknowledging that the costs of Licensee's use may increase by reason thereof, and acknowledges that the owner or owners thereof may have acquired the right to continue to maintain such facilities by the passage of time.
18. **Damage or Destruction of Premises.** If the Premises are damaged or destroyed during a term of this Agreement through no fault of Licensee, this Agreement shall terminate and neither party shall be obligated to repair or restore the Premises to substantially the same condition as existed immediately prior to the damage or destruction.
19. **Eminent Domain.** In the event of the taking or condemnation of all or any part of the Premises, Licensee may receive compensation only for any taking of or damage to Licensee owned improvements. Any compensation awarded and interest thereon, including the compensation for the land value and interest thereon, shall belong to City.
20. **Default**
 - a. **Licensee's Default.** The occurrence of any of the following shall constitute a default by Licensee:
 1. Failure to pay license fees, insurance premiums, taxes, or any other sums due

hereunder as a result of Licensee's use of the Premises within five (5) days of the due date;

2. Abandonment of the Premises; or
 3. Failure to perform any other provision of this Agreement if the failure to perform is not cured within ten (10) days after notice has been served upon Licensee.
- b. Notice of Default. Notices given under this section shall specify the alleged default and the applicable Agreement provisions and shall demand that Licensee cure the default within ten (10) days, or quit the Premises.
 - c. Termination Resulting from Default. City may terminate this Agreement immediately upon written notice to Licensee if Licensee defaults on any obligation under this Agreement and fails to cure such default within ten (10) days after written notice from City of such default. In the event of a default by Licensee under this Agreement, City may terminate this Agreement and regain possession of the Premises in the manner provided by the laws of the State of California in effect at the date of such default. At City's option, if Licensee has breached this Agreement and/or abandoned the Premises, this Agreement shall continue in effect for so long as City does not terminate Licensee's right to possession, and City may enforce all rights and remedies under this Agreement, including the right to recover the license fees as it becomes due. Further, City shall be entitled to recover from Licensee damages and to exercise such other rights and remedies as provided to City under the laws of the State of California.
 - d. Right to Cure at Licensee's Expense. City, at any time after Licensee commits a default, can cure the default at Licensee's cost. If City, by reason of Licensee's default, pays any sum or does any act that requires the payment of any sum, the sum paid by City shall be due immediately from Licensee to City upon City's written demand for payment to Licensee, and if paid at a later date, shall bear interest at the rate of ten percent (10%) per annum from the date the written demand for payment is sent by City until City is reimbursed by Licensee. The sum, together with interest on it, shall be additional rent.
21. Termination. This Agreement shall terminate upon expiration of its term or with 90 day written notice issued to the other party by either the City or Licensee. Upon termination, Licensee's property and any Licensee improvements shall be removed from the Premises as set forth in Section 6(c) of this Agreement. Licensee acknowledges and agrees that it is entering into this Agreement voluntarily and that upon termination of the Agreement according to its terms, Licensee shall not be entitled to any relocation assistance or benefits from City.
 22. Waiver. No delay or omission in the exercise of any right or remedy of City on any default by Licensee shall impair such right or remedy or be construed as a waiver. The

receipt and acceptance by City of delinquent license fees shall not constitute a waiver of any other default; it shall constitute only a waiver of timely payment for the particular license fee payment involved. If such delinquent license fee is accepted after notice of default and termination has been served, the acceptance shall not constitute a waiver. City's consent to or approval of any act by Licensee requiring City's consent or approval shall not be deemed to waive or render unnecessary City's consent to or approval of any subsequent act by Licensee. Any waiver by City of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement.

23. Entry and Inspection of Premises. City and its authorized representatives shall have the right to enter and inspect the Premises at all reasonable times to determine whether the Premises are in good condition and whether Licensee is complying with its obligations under this Agreement.
24. Relationship of Parties. City is not, nor shall it become or be deemed to be, a partner or a joint venture with Licensee by reason of the provisions of this Agreement nor shall this Agreement be construed to authorize either party to act as the agent for the other.
25. Notice. Any notice, demand, request, consent, approval, or communication that either party desires or is required to give to the other party or any other person shall be in writing and either; (a) served personally; (b) sent by prepaid registered mail; or (c) sent by regular first class mail and e-mail with verification of receipt. Notice shall be deemed communicated only when received personally by the party to whom notice is to be given or when received by registered mail at the address of such party as provided below, or to any such address as such party shall notify the other in writing.
26. Effect of Termination of Agreement. Termination or expiration of this Agreement shall not release any party hereto from any liability or obligation hereunder, whether of indemnity or otherwise, resulting from any acts, omissions or events happening prior to such termination or expiration, or thereafter in case by the terms of this Agreement it is provided that anything shall or may be done after termination or expiration hereof.
27. Amendments. This Agreement shall not be modified or amended in any way except in writing signed by the parties hereto.
28. Time and Specific Performance. Time and specific performance are of the essence for each provision of this Agreement.
29. Entire Agreement. This Agreement contains all the agreements of the parties concerning the subject matter of it and cannot be amended or modified except by a subsequent written agreement executed by both parties.
30. Severability. The unenforceability, invalidity, or illegality of any provision of this Agreement shall not render the other provisions unenforceable, invalid, or illegal.

31. Construction. Headings at the beginnings of sections or subsections are solely for the convenience of the parties and are not intended to be used to interpret this Agreement. The singular form shall include the plural, and vice-versa. This Agreement shall not be construed as if it had been prepared by one of the parties, but rather as if both parties have prepared it. Unless otherwise indicated, all references to sections are to this Agreement. All exhibits referred to in this Agreement are attached to it and incorporated in it by this reference.
32. Attorney's Fees. If either party commences an action against the other party arising out of or in connection with this Agreement, the party prevailing in such litigation shall be entitled to have and recover from the losing party reasonable attorney's fees and costs of suit.
33. Voluntary Agreement; Authority to Execute. Licensee and City each represent that they have read this Agreement in full and understand and voluntarily agree to all provisions herein. The parties further declare that prior to signing this Agreement they each had the opportunity to apprise themselves of relevant information, through sources of their own selection, including consultation with counsel of their choosing if desired, in deciding whether to execute this Agreement. The signatories to this Agreement represent that they have the proper authority to execute this Agreement on behalf of the respective party.
34. Recording of Agreement. Upon request of either party, the other party shall join in the execution of a memorandum or short form of this Agreement for recording purposes. The memorandum or short form of Agreement shall incorporate this Agreement by reference and shall describe the parties hereto, the Premises, and the term hereof.
35. Notices. All notices required or permitted to be given under this Agreement shall be in writing and shall be personally delivered, or sent by tele-copier (fax), overnight delivery with tracking capability, or certified mail (postage prepaid and return receipt requested), addressed as follows:
