711 W. CINNAMON DRIVE
LEMOORE, CA 93245
JULY 13, 2018

THE CITY OF LEMOORE
WATER TREATMENT PLANT PROJECT

Addendum No. 1

This addendum forms a part of the Request for Qualifications (“RFQ”) seeking Statements of Qualifications (“SOQ”) from design-build teams to design and construct a water treatment plant (the “Project”). It modifies the original RFQ to incorporate answers to questions raised through July 12, 2018.

Additionally, this addendum modifies the first question of Section I(1) of the prequalification application (Exhibit A of the RFQ) to read as follows:

- 1. Do you possess a valid and current Class A California contractor’s license?**

Please be advised that the date to submit the prequalification application has been extended to **July 20, 2018**, at **2:00 p.m.** The remainder of the RFQ remains unchanged.

Questions and Answers

1. Can you send a list of interested teams?

At this time the following individuals have requested a copy of the RFQ:

Name	Company	Email	Phone
Megan Krause	Beyaz & Patel	mkrause@beyazpatel.com	925-949-2613
Penny Carlo	Carollo Engineering	pcarlo@carollo.com	559-490-4357
Chad Coleman	Coleman Engineering	chad@coleman-eng.com	916-791-1188
Theresa Bautista	Drake Haglan	tbautista@drakehaglan.com	916-363-4210 ext 208
Brent Phillips	Frank A Olsen Company	brent.phillips@frankaolsen.com	559-639-0075
June Roitman	Gateway Pacific Construction	roitman@gatewaypacific.com	916-665-4116
Liz Robey	GSE Construction	erobey@gseconstruction.com	925-583-2672
Nichole Kazynski	Industrial Automation Group	Nkazynski@automationgroup.com	559-217-7513
Kevin Norgaard	Michael K Nunley & Assoc	knorgaard@mknassociates.us	559-500-4750 ext 1104
Ana Hitchings	Papich Construction	AnaHitchings@papichconstruction.com	
Sarah Luna	Telstar Instruments	sluna@telstarinc.com	559-584-7116
Michelle Shimizu	Vanir	michelle.shimizu@vanir.com	559-240-9808

Other teams may also have viewed the RFQ or otherwise be interested in the Project

Addendum No. 1

2. Will the City make available the results of the pilot program so we can review prior to responding to the RFQ?

Yes. The City will schedule a time period in July for one member of each prequalified design-build team to review the results pilot program in person at the Lemoore Public Works Department.

3. Who were the firms involved with the pilot program and are they able to participate on the design-build project?

AdEdge Water Technologies is the technology provider who successfully conducted and completed the State approved pilot program over the past 1.5 years in consultation with QK (The City's Engineer), Corona Environmental Consulting, and Carollo Engineers who is providing engineering services for the City's master planning efforts.

AdEdge may be included as a member of any design-build team as a pre-approved and pre-selected supplier of the technology/process design, and process treatment equipment packages for the 3 plants. The contact for AdEdge for any questions or support is Mr. Greg Gilles, greg@adedge technologies.com (770) 883-2280. The City will also consider other suppliers of technology/process design with demonstrated ability to complete the Project.

4. Will you send a copy of the Pilot Study Report that was prepared and approved by DDW?

See above.

5. What engineering firm assisted the City with the Pilot Study?

See above.

6. Is that firm eligible to partner on a design-build team and compete for this current contract?

Yes.
