

What NOT to FLUSH!

Just because it's out of sight, doesn't mean it's out of the pipes. Did you know that flushing the wrong materials can cause costly clogs to your home and the City's sewer systems? Here is a helpful list of items that should NOT be flushed.

Please Do NOT Flush:

- Cigarettes
- Condoms
- Cottons Swabs
- Band Aids
- Diapers
- Medication
- Needles
- Paper Towels
- Feminine Products
- Trash
- Cleaning Products
- Baby Wipes

Pharmaceutical Waste Disposal:

The Lemoore Police Department has two kiosks located in the parking lot for anonymous disposal of needles and medications.

Red Kiosk — is for SHARPS, needles should be stored in a plastic container or milk carton before being placed in the kiosk.

White Kiosk— is for MEDICATION, bottles should have all labels removed before being placed in the kiosk.

For more information, please call Public Works at (559) 924-6744 or visit the City of Lemoore Website, WWW.LEMOORE.COM.
