

LEMOORE POLICE DEPARTMENT

PRESS RELEASE

On 08/27/2018 at about 02:54 AM, Lemoore police officers were dispatched to a jewelry store regarding an activation of the burglar alarm at the closed business. Lemoore officers arrived on scene and found the back door to the business to be open. Officers checked the business and found it had been burglarized. No suspects were located inside.

Lemoore PD detectives were called and began to process the scene. Detectives were able to determine there were at least 5 suspects involved in the burglary. The suspects gained entry into the building through the roof by cutting large holes with power tools. They were able to work inside of the store for several hours and undetected by the alarm system. The alarm was activated by the suspect as they were leaving the scene. The business suffered a large loss in jewelry and at this point wishes to remain anonymous. Lemoore Police Detectives are currently asking for anyone with information related to this incident to contact the Lemoore Police Department and ask for Detective Sergeant D. Santos. 559-924-9574
